

RCW 64.90.270 Monuments as boundaries. (1) The physical boundaries of a unit located in a building containing or comprising that unit constructed or reconstructed in substantial accordance with the map, or amendment to the map, are its boundaries rather than any boundaries shown on the map, regardless of settling or lateral movement of the unit or of any building containing or comprising the unit, or of any minor variance between boundaries of the unit or any building containing or comprising the unit shown on the map.

(2) This section does not relieve a unit owner from liability in case of the unit owner's willful misconduct or relieve a declarant or any other person from liability for failure to adhere to the map.
