RCW 69.30.020 Approved shellfish tag or label—Requirement to sell or offer to sell shellfish. It is unlawful to sell or offer to sell shellfish in this state unless the shellfish bear an approved shellfish tag or label indicating compliance with the sanitary requirements of this state or a state, territory, province, or country of origin whose requirements are equal or comparable to those established pursuant to this chapter. The department, a fish and wildlife officer, or an ex officio fish and wildlife officer may immediately seize containers of shellfish that are not affixed with an approved shellfish tag or label. [2011 c 194 § 2; 1955 c 144 § 2.]

RCW 69.30.030 Rules and regulations—Duties of state board of health. (1) The state board of health shall adopt rules governing the sanitation of shellfish, shellfish growing areas, and shellfish plant facilities and operations in order to protect public health and carry out the provisions of this chapter. Such rules and regulations may include reasonable sanitary requirements relative to the quality of shellfish growing waters and areas, boat and barge sanitation, building construction, water supply, sewage and wastewater disposal, lighting and ventilation, insect and rodent control, shell disposal, garbage and waste disposal, cleanliness of establishment, the handling, storage, construction and maintenance of equipment, the handling, storage and refrigeration of shellfish, the identification of containers, and the handling, maintenance, and storage of permits, certificates, and records regarding shellfish taken under this chapter. The state board of health shall adopt rules governing procedures for the disposition of seized shellfish.

(b) Approved shellfish tags are affixed to each container of shellstock prior to removal from the shellfish growing area, except bulk tagging is permitted as allowed in the national shellfish sanitation program model ordinance.

(3) Before issuing a certificate of approval, the department shall inspect the shellfish growing area. The department shall issue a certificate of approval if the area meets the requirements of this chapter and the rules adopted under this chapter.

(4) A certificate of approval is valid for a period of twelve months. The department may revoke a certificate of approval at any time the area is found out of compliance with the requirements of this chapter or the rules adopted under this chapter.

(5) It is unlawful to remove shellfish from shellfish growing areas without a certificate of approval in a commercial quantity for purposes other than human consumption, including but not limited to use as bait or seed, unless:

(a) The shellfish operation and shellfish growing area is readily available to monitoring and inspections; and
(b) The department has determined the shellfish operation is designed to ensure that shellfish harvested from such an area is not diverted for human consumption.

(6) Nothing in this section prohibits a person from removing shellfish for use as bait or seed from an approved shellfish growing area.

(7) The department's certificate of approval to harvest shellfish for purposes other than human consumption shall specify:

(2) A person may not cull, shuck, or pack shellfish within the state of Washington in a commercial quantity or for sale for human consumption, unless the person has received a certificate of approval from the department for the establishment in which such operations will be done.

Such certificates of approval shall be issued for a period not to exceed twelve months, and may be revoked at any time the establishment or the operations are found not to be in compliance with the rules of the state board of health. [2011 c 194 § 5; 1985 c 51 § 3; 1955 c 144 § 6.]

RCW 69.30.070 Certificates of approval—Compliance with other laws and rules required. RCW 69.30.085 License, certificate of approval—Denial, revocation, suspension—Prohibited acts—Penalties. (1) A person, or its director or officer, whose license or certificate of approval is denied, revoked, or suspended as a result of violations of this chapter or rules adopted under this chapter may not:

(a) Supervise, be employed by, or manage a shellfish operation licensed or certified under this chapter or rules adopted under this chapter;

(b) Participate in the harvesting, shucking, packing, or shipping of shellfish in commercial quantities or for sale;

(c) Participate in the brokering of shellfish, purchase of shellfish for resale, or retail sale of shellfish; or

(2) Subsections (1)(c) and (d) of this section do not apply to retail purchases of shellfish for personal use.

(3) Subsection (1) of this section applies to a person only during the period of time in which that person's license or certificate of approval is denied, revoked, or suspended.

(1) It is unlawful for any person to possess a commercial quantity of shellfish or to sell or offer to sell shellfish in the state which have not been grown, shucked, packed, or shipped in accordance with the provisions of this chapter. Failure of a shellfish grower to display a certificate of approval, or department-approved equivalent, issued under RCW 69.30.050 to an authorized representative of the department, a fish and wildlife officer, or an ex officio fish and wildlife officer subjects the grower to the penalty provisions of this chapter, as well as seizure and disposition, up to and including disposal, of the shellfish by the representative or officer.

(2) Failure of a shellfish processor to display a certificate of approval issued under RCW 69.30.060 to an authorized representative of the department, a fish and wildlife officer, or an ex officio fish and wildlife officer subjects the processor to the penalty provisions of this chapter, as well as seizure and disposition, up to and including disposal, of the shellfish by the representative or officer. [2011 c 194 § 8; 2001 c 253 § 6; 1995 c 147 § 4; 1985 c 51 § 4; 1979 c 141 § 74; 1955 c 144 § 11.]

During such inspections the department shall have free and unimpeded access to all buildings, yards, warehouses, storage and transportation facilities, vehicles, and other places reasonably considered to be or to have been part of the regulated business or entity, to all ledgers, books, accounts, memorandums, or records required to be compiled or maintained under this chapter or under rules adopted pursuant to this chapter, and to any products, components, or other materials reasonably believed to be or to have been used, processed, or produced by or in connection with the regulated business or activity. In connection with such inspections the department may take such samples or specimens as may be reasonably necessary to determine whether there exists a violation of this chapter or rules adopted under this chapter.

Inspection of establishments may be conducted between eight a.m. and five p.m. on any weekday that is not a legal holiday, during any time the regulated business or entity has established as its usual business hours, at any time the regulated business or entity is open for business or is otherwise in operation, and at any other time with the consent of the owner or authorized agent of the regulated business or entity.

The department may apply for an administrative inspection warrant to a court of competent jurisdiction and an administrative inspection warrant may issue where:

(1) The department has attempted an inspection under this chapter and access to all or part of the regulated business or entity has been actually or constructively denied; or

(2) There is reasonable cause to believe that a violation of this chapter or of rules adopted under this chapter is occurring or has occurred. [1995 c 147 § 5; 1985 c 51 § 5; 1955 c 144 § 12.]

A conviction is an unvacated forfeiture of bail or collateral deposited to secure the defendant's appearance in court, the payment of a fine, a plea of guilty, or a finding of guilt on a violation of this chapter or rules adopted under this chapter, regardless of whether imposition of sentence is deferred or the penalty is suspended, and shall be treated as a conviction for purposes of license revocation and suspension of privileges under *RCW 77.15.700(5). [2011 c 194 § 9; 2001 c 253 § 7; 1995 c 147 § 6; 1985 c 51 § 6; 1955 c 144 § 14.]

***Reviser's note:** RCW 77.15.700 was amended by 2003 c 386 § 2, deleting subsection (5).

(1) In addition to any other penalty provided by law, every person who violates standards set forth in this chapter or rules adopted under RCW 69.30.030 is subject to a penalty of not more than five hundred dollars per day for every violation. Every violation is a separate and distinct offense. In case of a continuing violation, every day's continuance is a separate and distinct violation. Any penalty imposed by this section shall become due and payable twenty-eight days after receipt of notice unless application for remission or mitigation is made as provided in subsection (3) of this section or unless application for an adjudicative proceeding is filed as provided in subsection (4) of this section.

(3) Within fourteen days after the notice is received, the person incurring the penalty may apply in writing to the department for the remission or mitigation of the penalty. Upon receipt of the application, the department may remit or mitigate the penalty upon whatever terms the department deems proper, giving consideration to the degree of hazard associated with the violation. The department may only grant a remission or mitigation that it deems to be in the best interests of carrying out the purposes of this chapter. The department may ascertain the facts regarding all such applications in a manner it deems proper. When an application for remission or mitigation is made, any penalty incurred pursuant to this section becomes due and payable twenty-eight days after receipt of the notice setting forth the disposition of the application, unless an application for an adjudicative proceeding to contest the disposition is filed as provided in subsection (4) of this section.
