

RCW 70.10.060 Adoption of rules and regulations—Liberal construction of chapter. In furtherance of the legislative policy to authorize the state to cooperate with the federal government in facilitating the construction of comprehensive community health centers, the state agencies involved shall adopt such rules and regulations as may become necessary to entitle the state and local units of government to share in federal grants, matching funds, or other funds, unless the same be expressly prohibited by this chapter. Any section or provision of this chapter susceptible to more than one construction shall be interpreted in favor of the construction most likely to satisfy federal laws entitling the state and local units of government to receive federal grants, matching funds or other funds for the construction of comprehensive community health centers.
