

RCW 70A.105.120 Civil penalties. A local health officer who is responsible for administering and enforcing regulations regarding on-site sewage disposal systems is authorized to issue civil penalties for violations of those regulations under the same limitations and requirements imposed on the department under RCW 70A.115.050, except that the amount of a penalty shall not exceed one thousand dollars per day for every violation, and judgments shall be entered in the name of the local health jurisdiction and penalties shall be placed into the general fund or funds of the entity or entities operating the local health jurisdiction. [2020 c 20 § 1333; 2007 c 343 § 9. Formerly RCW 70.118.130.]
