

RCW 70A.205.440 Waste tires—Definitions. Unless the context clearly requires otherwise, the definitions in this section apply throughout RCW 70A.205.445 through 70A.205.455.

(1) "Storage" or "storing" means the placing of more than eight hundred waste tires in a manner that does not constitute final disposal of the waste tires.

(2) "Transportation" or "transporting" means picking up or transporting waste tires for the purpose of storage or final disposal.

(3) "Waste tires" means tires that are no longer suitable for their original intended purpose because of wear, damage, or defect. [2020 c 20 § 1194; 1988 c 250 § 3. Formerly RCW 70.95.550.]
