

RCW 70A.430.060 Notice that a children's product or a consumer product contains a high priority chemical. A manufacturer of a children's product or a consumer product containing a priority chemical subject to a rule adopted to implement a determination made consistent with RCW 70A.350.040(1)(b), or a trade organization on behalf of its member manufacturers, shall provide notice to the department that the manufacturer's product contains a high priority chemical or a priority chemical identified under chapter 70A.350 RCW. The notice must be filed annually with the department and must include the following information:

- (1) The name of the chemical used or produced and its chemical abstracts service registry number;
- (2) A brief description of the product or product component containing the substance;
- (3) A description of the function of the chemical in the product;
- (4) The amount of the chemical used in each unit of the product or product component. The amount may be reported in ranges, rather than the exact amount;
- (5) The name and address of the manufacturer and the name, address, and phone number of a contact person for the manufacturer; and
- (6) Any other information the manufacturer deems relevant to the appropriate use of the product. [2020 c 20 § 1408; 2019 c 292 § 9; 2008 c 288 § 5. Formerly RCW 70.240.040.]
