

RCW 71.24.911 Statewide behavioral health treatment and recovery support services mapping tool. Subject to funding provided for this specific purpose, the authority must collaborate with the department and the department of social and health services to expand the Washington recovery helpline and the recovery readiness asset tool to provide a dynamically updated statewide behavioral health treatment and recovery support services mapping tool that includes a robust resource database for those seeking services and a referral system to be incorporated within the locator tool to help facilitate the connection between an individual and a facility that is currently accepting new referrals. The tool must include dual interface capability, one for public access and one for internal use and management. [2023 sp.s. c 1 § 28.]
