When a patient is discharged from the jurisdiction of the hospital, the superintendent shall deliver to such patient all funds or other property belonging to the patient, subject to the conditions of subsection (2) of this section.

All funds held by the superintendent as custodian may be deposited in a single fund. Annual reports of receipts and expenditures shall be forwarded to the department, and shall be open to inspection by interested parties: PROVIDED, That all interest accruing from, or as a result of the deposit of such moneys in a single fund shall be used by the superintendent for the general welfare of all the patients of such institution: PROVIDED, FURTHER, That when the personal accounts of patients exceed three hundred dollars, the interest accruing from such excess shall be credited to the personal accounts of such patients. All such expenditures shall be accounted for by the superintendent.

The appointment of a guardian for the estate of such patient shall terminate the superintendent's authority to pay state hospitalization charges from funds subject to the control of the guardianship upon the superintendent's receipt of a certified copy of letters of guardianship. Upon the guardian's request, the superintendent shall forward to such guardian any funds subject to the control of the guardianship or other property of the patient remaining in the superintendent's possession, together with a final accounting of receipts and expenditures.
