Chapter 78.52 RCW OIL AND GAS CONSERVATION

Sections

78.52.025	78.52.001 78.52.010	Declaration of purpose. Definitions.
78.52.031 Conduct of hearings—Evidence. 78.52.032 Hearing examiners. 78.52.033 Failure of witness to attend or testify—Contempt. 78.52.035 Actorney for department. 78.52.037 State oil and gas supervisor—Deputy supervisors—Employment of personnel. 78.52.040 Duty and powers of department—In general. 78.52.050 Rules, regulations, and orders—Time and place of hearing—Notices. 78.52.100 Records—Copies as evidence—Copies to be furnished. 78.52.120 Drilling permit required—Notice. 78.52.120 Environmental impact statement required when drilling affects surface waters of the state—Drilling may be denied, when. 78.52.130 Waste prohibited. 78.52.140 Investigations authorized. 78.52.150 Investigations authorized. 78.52.200 Development units authorized for known pools. 78.52.200 Development units to be prescribed for pool after discovery—Temporary development units. 78.52.210 Development units—Doding of interests. 78.52.220 Development units—Order must cover entire pool—Modifications. 78.52.240 Pooling order—Allocation of production. 78.52.250 Pooling order—Allocation of production. 78.52.251 Pooling order—Allocation of production. 78.52.252 Pooling agreement, offer to pool, pooling order—Fairness to nonconsenting, unleased owners. 78.52.253 Pooling agreement, offer to pool, pooling order—Fairness to nonconsenting, unleased owners. 78.52.255 Derations on development unit deemed operations on each tract—Production allocated to tract deemed produced from each tract—Shut-in well considered on each tract—Production allocated to tract deemed produced from each tract—Shut-in well considered on each tract—Production allocated to tract deemed produced from each tract—Shut-in well data confidential. 78.52.260 Wildcat" or "exploratory" well data confidential. 78.52.260 Limitation of production to "oil allowable"—Proration. 78.52.280 Determining market demand—No undue discrimination in provation of "allowable." 78.52.290 Limitation of production to "gas allowable"—Proration.	78.52.025	
78.52.032 Hearing examiners. 78.52.033 Failure of witness to attend or testify—Contempt. 78.52.035 Attorney for department. 78.52.040 State oil and gas supervisor—Deputy supervisors—Employment of personnel. 78.52.050 Employment of personnel. 78.52.050 Duty and powers of department—In general. 78.52.050 Rules, regulations, and orders—Time and place of hearing—Notices. 78.52.100 Hearing upon petition—Time for action. 78.52.120 Prilling permit required—Notice. 78.52.125 Environmental impact statement required when drilling affects surface waters of the state—Drilling may be denied, when. 78.52.130 Waste prohibited. 78.52.140 Carbon black and carbon products—Permit required. 78.52.151 Investigations authorized. 78.52.252 Development units to be prescribed for pool after discovery—Temporary development units. 78.52.200 Development units—Docation of well. 78.52.230 Development units—Docation of well. 78.52.240 Development units—Pooling of interests. 78.52.240 Development units—Pooling of interests. 78.52.250 Pooling order—Allocation of production. 78.52.251 Pooling agreement, offer to pool, pooling order—Fairness to nonconsenting, unleased owners. 78.52.253 Pooling agreement, offer to pool, pooling order—Fairness to nonconsenting, unleased owners. 78.52.255 Operations on development unit deemed operations on each tract—Production allocated to tract deemed produced from each tract—Production allocated to tract deemed produced from each tract—Production of fract excluded from unit. 78.52.257 Dissolution of pooling order—Interests covered by terminated lease—Modification or termination of pooling order—Extension of dissolution of pooling order. 78.52.260 Poet minitation of production to "oil allowable"—Proration. 78.52.280 Determining market demand—No undue discrimination in proration of "allowable"—Proration. 78.52.290 Limitation of production to "oil allowable"—Proration.		
78.52.035		
78.52.035 Attorney for department. 78.52.040 State oil and gas supervisor—Deputy supervisors— Employment of personnel. 78.52.050 Rules, regulations, and orders—Time and place of hearing —Notices. 78.52.070 Records—Copies as evidence—Copies to be furnished. 78.52.120 Prilling permit required—Notice. 78.52.121 Environmental impact statement required when drilling affects surface waters of the state—Drilling may be denied, when. 78.52.130 Waste prohibited. 78.52.140 Carbon black and carbon products—Permit required. 78.52.151 Investigations—Powers and duties. 78.52.200 Development units authorized for known pools. 78.52.201 Development units—Size and shape. 78.52.202 Development units—Location of well. 78.52.230 Development units—Order must cover entire pool— Modifications. 78.52.240 Development units—Pooling of interests. 78.52.250 Pooling order—Allocation of production. 78.52.251 Pooling agreement, offer to pool, pooling order—Fairness to nonconsenting, unleased owners. 78.52.253 Pooling agreement, offer to pool, pooling order—Fairness to nonconsenting, unleased owners. 78.52.255 Pooling agreement, offer to pool, pooling order—Fairness to nonconsenting, unleased owners. 78.52.257 Pooling agreement, offer to pool, pooling order—Fairness to nonconsenting unleased owners. 78.52.257 Dissolution of pooling order—Interests covered by terminated lease—Modification or termination of pooling order—Extension of dissolution of pooling order. 78.52.260 Poetament of production or oil allowable proration. 78.52.270 Development unit deemed personation. 78.52.280 Development unit deemed personation or deach tract—Production allocated to tract deemed produced from each tract—Shut-in well considered on each tract—Production of production or order—Termination of pooling order—Extension of dissolution of pooling order. 78.52.280 Production of production to "oil allowable"—Proration. Determining market demand—No undue discrimination in proration of "allowable."		
78.52.037 State oil and gas supervisor—Deputy supervisors—Employment of personnel. 78.52.040 Duty and powers of department—In general. 78.52.050 Rules, regulations, and orders—Time and place of hearing —Notices. 78.52.070 Hearing upon petition—Time for action. 78.52.100 Records—Copies as evidence—Copies to be furnished. 78.52.120 Drilling permit required—Notice. 78.52.125 Environmental impact statement required when drilling affects surface waters of the state—Drilling may be denied, when. 78.52.130 Waste prohibited. 78.52.140 Carbon black and carbon products—Permit required. 78.52.151 Investigations authorized. 78.52.252 Investigations—Powers and duties. 78.52.200 Development units authorized for known pools. 78.52.200 Development units—Size and shape. 78.52.210 Development units—Size and shape. 78.52.220 Development units—Order must cover entire pool—Modifications. 78.52.240 Development units—Order must cover entire pool—Modifications. 78.52.250 Pooling order—Allocation of production. 78.52.251 Pooling order—Allocation of production. 78.52.252 Pooling agreement, offer to pool, pooling order—Fairness to nonconsenting, unleased owners. 78.52.253 Pooling agreement, offer to pool, pooling order—Fairness to nonconsenting, unleased owners. 78.52.255 Operations on development unit deemed operations on each tract—Production allocated to tract deemed produced from each tract—Shut-in well considered on each tract—Lease on part of tract excluded from unit. 78.52.257 Pissolution of pooling order—Interests covered by terminated lease—Modification or termination of pooling order—Extension of dissolution of pooling order. 78.52.260 Wildcat" or "exploratory" well data confidential. 78.52.270 Limitation of production to "oil allowable"—Proration. 78.52.280 Limitation of production to "oil allowable"—Proration.		
Employment of personnel. Duty and powers of department—In general. Rules, regulations, and orders—Time and place of hearing —Notices. Hearing upon petition—Time for action. Rs.52.100 Records—Copies as evidence—Copies to be furnished. Drilling permit required—Notice. Environmental impact statement required when drilling affects surface waters of the state—Drilling may be denied, when. Waste prohibited. Rs.52.130 Rs.52.140 Carbon black and carbon products—Permit required. Investigations authorized. Investigations—Powers and duties. Development units to be prescribed for pool after discovery—Temporary development units. Development units—Size and shape. Development units—Order must cover entire pool—Modifications. Development units—Pooling of interests. Pooling order—Allocation of production. Pooled interests in well in development unit—Allocation of costs—Rights of owners. Pooling agreement, offer to pool, pooling order—Fairness to nonconsenting, unleased owners. Operations on development unit deemed operations on each tract—Production allocated to tract deemed produced from each tract—Shut-in well considered on each tract—Lease on part of tract excluded from unit. Dissolution of pooling order—Interests covered by terminated lease—Modification or termination of pooling order—Extension of dissolution of pooling order. Rs.52.260 "Wildcat" or "exploratory" well data confidential. Limitation of production to "oil allowable"—Proration. Determining market demand—No undue discrimination in proration of production to "gas allowable"—Proration.		
78.52.050 Rules, regulations, and orders—Time and place of hearing —Notices. 8.52.070 Hearing upon petition—Time for action. 78.52.100 Records—Copies as evidence—Copies to be furnished. 78.52.125 Environmental impact statement required when drilling affects surface waters of the state—Drilling may be denied, when. 78.52.130 Waste prohibited. 78.52.140 Carbon black and carbon products—Permit required. 78.52.151 Investigations authorized. 78.52.200 Development units authorized for known pools. 78.52.201 Development units to be prescribed for pool after discovery—Temporary development units. 78.52.210 Development units—Size and shape. 78.52.220 Development units—Cocation of well. 78.52.230 Development units—Order must cover entire pool— Modifications. 78.52.245 Pooling order—Allocation of production. 78.52.250 Pooled interests in well in development unit—Allocation of costs—Rights of owners. 78.52.251 Pooling agreement, offer to pool, pooling order—Fairness to nonconsenting, unleased owners. 78.52.252 Departions on development unit deemed operations on each tract—Production allocated to tract deemed produced from each tract—Shut-in well considered on each tract— Lease on part of tract excluded from unit. 78.52.251 Dissolution of pooling order—Interests covered by terminated lease—Modification or termination of pooling order—Extension of dissolution of pooling order. 78.52.260 "Wildcat" or "exploratory" well data confidential. Limitation of production to "oil allowable"—Proration. 78.52.280 Limitation of production to "gas allowable"—Proration.		Employment of personnel.
-Notices. Hearing upon petition—Time for action. Records—Copies as evidence—Copies to be furnished. Drilling permit required—Notice. Environmental impact statement required when drilling affects surface waters of the state—Drilling may be denied, when. Waste prohibited. Carbon black and carbon products—Permit required. Investigations authorized. Investigations—Powers and duties. Development units authorized for known pools. Development units to be prescribed for pool after discovery—Temporary development units. Development units—Size and shape. 2.210 Development units—Order must cover entire pool—Modifications. Modifications. Modifications. Development units—Pooling of interests. Pooling order—Allocation of production. Pooled interests in well in development unit—Allocation of costs—Rights of owners. Pooling agreement, offer to pool, pooling order—Fairness to nonconsenting, unleased owners. Devalopment units—Order must cover entire pool—Modifications on development unit deemed operations on each tract—Production allocated to tract deemed produced from each tract—Shut-in well considered on each tract—Lease on part of tract excluded from unit. Dissolution of pooling order—Interests covered by terminated lease—Modification or termination of pooling order—Extension of dissolution of pooling order—Extension of dissolution of pooling order. Middact or "exploratory" well data confidential. Limitation of production to "oil allowable"—Proration. Determining market demand—No undue discrimination in proration of "allowable." Limitation of production to "gas allowable"—Proration.		
78.52.100 78.52.125 Records—Copies as evidence—Copies to be furnished. 78.52.125 Prilling permit required—Notice. Environmental impact statement required when drilling affects surface waters of the state—Drilling may be denied, when. 78.52.130 Records—Copies as evidence—Copies to be furnished. Records—Copies as evidence—Copies when drilling affects surface waters of the state—Drilling may be denied, when the state—Drilling may be denied, when the state—Prowers and tuties. Records—Copies as evidence—Copies to be furnished. Records—Copies as evidence—Premit required when drilling may be denied, when the state—Drilling may be denied, when the state —Drilling may be denied. Records—Extended —Provation of pooling order—Extension of dissolution of pooling order—Provation. Records—Extended —P		-Notices.
78.52.125 Prilling permit required—Notice. Environmental impact statement required when drilling affects surface waters of the state—Drilling may be denied, when. Waste prohibited. 78.52.140 R.52.150 R.52.150 R.52.151 Investigations authorized. Investigations—Powers and duties. Development units authorized for known pools. Development units to be prescribed for pool after discovery—Temporary development units. Povelopment units—Size and shape. Development units—Location of well. Development units—Order must cover entire pool—Modifications. Pooling order—Allocation of production. Pooled interests in well in development unit—Allocation of costs—Rights of owners. Pooling agreement, offer to pool, pooling order—Fairness to nonconsenting, unleased owners. Perations on development unit deemed operations on each tract—Production allocated to tract deemed produced from each tract—Shut-in well considered on each tract—Lease on part of tract excluded from unit. Pissolution of pooling order—Interests covered by terminated lease—Modification or termination of pooling order—Extension of dissolution of pooling order— Wildcat" or "exploratory" well data confidential. Limitation of production to "oil allowable"—Proration. Determining market demand—No undue discrimination in proration of "allowable"—Proration.		
Find the statement required when drilling affects surface waters of the state—Drilling may be denied, when. 78.52.130 Waste prohibited. 78.52.140 Carbon black and carbon products—Permit required. 78.52.150 Investigations authorized. 78.52.200 Development units authorized for known pools. 78.52.201 Development units to be prescribed for pool after discovery—Temporary development units. 78.52.210 Development units—Location of well. 78.52.220 Development units—Order must cover entire pool—Modifications. 78.52.240 Development units—Pooling of interests. 78.52.245 Pooling order—Allocation of production. 78.52.250 Pooled interests in well in development unit—Allocation of costs—Rights of owners. 78.52.251 Pooling agreement, offer to pool, pooling order—Fairness to nonconsenting, unleased owners. 78.52.252 Operations on development unit deemed operations on each tract—Production allocated to tract deemed produced from each tract—Shut-in well considered on each tract—Lease on part of tract excluded from unit. 78.52.251 Dissolution of pooling order—Interests covered by terminated lease—Modification or termination of pooling order—Extension of dissolution of pooling order. 78.52.260 Wildcat" or "exploratory" well data confidential. Limitation of production to "oil allowable"—Proration. Determining market demand—No undue discrimination in proration of "allowable." Limitation of production to "gas allowable"—Proration.		
affects surface waters of the state—Drilling may be denied, when. 78.52.130 Waste prohibited. 78.52.140 Carbon black and carbon products—Permit required. 78.52.150 Investigations authorized. 78.52.201 Development units authorized for known pools. 78.52.202 Development units to be prescribed for pool after discovery—Temporary development units. 78.52.210 Development units—Size and shape. 78.52.220 Development units—Order must cover entire pool—Modifications. 78.52.230 Development units—Pooling of interests. 78.52.240 Development units—Pooling of interests. 78.52.250 Pooling order—Allocation of production. 78.52.251 Pooling agreement, offer to pool, pooling order—Fairness to nonconsenting, unleased owners. 78.52.252 Operations on development unit deemed operations on each tract—Production allocated to tract deemed produced from each tract—Shut-in well considered on each tract—Lease on part of tract excluded from unit. 78.52.257 Dissolution of pooling order—Interests covered by terminated lease—Modification or termination of pooling order—Extension of dissolution of pooling order. 78.52.260 "Wildcat" or "exploratory" well data confidential. Limitation of production to "oil allowable"—Proration. Determining market demand—No undue discrimination in proration of "allowable." Limitation of production to "gas allowable"—Proration.		
denied, when. 78.52.130 Waste prohibited. 78.52.140 Carbon black and carbon products—Permit required. 78.52.150 Investigations authorized. 78.52.155 Investigations—Powers and duties. 78.52.200 Development units authorized for known pools. 78.52.205 Development units to be prescribed for pool after discovery—Temporary development units. 78.52.210 Development units—Size and shape. 78.52.220 Development units—Location of well. 78.52.230 Development units—Order must cover entire pool—Modifications. 78.52.240 Development units—Pooling of interests. 78.52.245 Pooling order—Allocation of production. 78.52.250 Pooled interests in well in development unit—Allocation of costs—Rights of owners. 78.52.253 Pooling agreement, offer to pool, pooling order—Fairness to nonconsenting, unleased owners. 78.52.255 Operations on development unit deemed operations on each tract—Production allocated to tract deemed produced from each tract—Shut-in well considered on each tract—Lease on part of tract excluded from unit. 78.52.257 Dissolution of pooling order—Interests covered by terminated lease—Modification or termination of pooling order—Extension of dissolution of pooling order. 78.52.260 "Wildcat" or "exploratory" well data confidential. Limitation of production to "oil allowable"—Proration. Determining market demand—No undue discrimination in proration of "allowable." Limitation of production to "gas allowable"—Proration.	78.52.125	<u> </u>
