

RCW 78.56.060 Metals mining coordinator to be appointed—Duties.

The department of ecology will appoint a metals mining coordinator. The coordinator will maintain current information on the status of any metals mining and milling operation regulated under this chapter from the preparation of the environmental impact statement through the permitting, construction, operation, and reclamation phases of the project or until the proposal is no longer active. The coordinator shall also maintain current information on postclosure activities. The coordinator will act as a contact person for the applicant, the operator, and interested members of the public. The coordinator may also assist agencies with coordination of their inspection and monitoring responsibilities. [1994 c 232 § 6.]
