

RCW 90.42.110 Water banking—Application to transfer water rights. (1) The department, with the consent of the water right holder, may identify trust water rights for administration for water banking purposes, including trust water rights established before May 7, 2003.

(2) An application to transfer a water right to the trust water [rights] program shall be reviewed under RCW 90.03.380 at the time the water right is transferred to the trust water [rights] program for administration for water banking purposes, and notice of the application shall be published by the applicant as provided under RCW 90.03.280. The application must indicate the reach or reaches of the stream where the trust water right will be established before the transfer of the water right or portion thereof from the trust water [rights] program, and identify reasonably foreseeable future temporary or permanent beneficial uses for which the water right or portion thereof may be used by a third party upon transfer from the trust water right[s] program. In the event the future place of use, period of use, or other elements of the water right are not specifically identified at the time of the transfer into the trust water [rights] program, another review under RCW 90.03.380 will be necessary at the time of a proposed transfer from the trust water [rights] program. [2003 c 144 § 3.]
