

RCW 90.94.070 Watershed restoration and enhancement taxable bond account. (1) The watershed restoration and enhancement taxable bond account is created in the custody of the state treasurer. All receipts from direct appropriations from the legislature or moneys directed to the account from any other source must be deposited in the account. The account is intended to fund projects using taxable bonds. Expenditures from the account may be used only as provided for in this section. Only the director or the director's designee may authorize expenditures from the account. The account is subject to allotment procedures under chapter 43.88 RCW, but an appropriation is not required for expenditures.

(2) Expenditures from the watershed restoration and enhancement taxable bond account may be used to assess, plan, and develop projects that include acquiring senior water rights, water conservation, water reuse, stream gaging, groundwater monitoring, and developing natural and constructed infrastructure, which includes, but is not limited to, projects such as floodplain restoration, off-channel storage, and aquifer recharge, or other actions designed to provide access to new water supplies with priority given to projects in watersheds developing plans as directed by RCW 90.94.020 and 90.94.030 and watersheds participating in the pilot project in RCW 90.94.040.
