WAC 251-06-050 Position allocation--Reallocation.

(1) The personnel officer shall allocate or reallocate each classified position to the appropriate class in the classification plan. In determining the class to which the position should be allocated, specifications describing each class shall be considered as a whole. Consideration should be given to the general duties, specific tasks, responsibilities, and relationships to other classes as a composite description of the kind of employment that the class is intended to embrace. The personnel officer shall allocate the employee's position to the class which best describes the overall duties and responsibilities.

(2) When there are permanent and substantive changes in the functions of a position involving the addition, reduction, or modification of duties and responsibilities, the personnel officer shall reallocate the position to the appropriate class. (2) The personnel officer will investigate the position and issue a written response to the employee or employee representative within sixty calendar days of receipt of the request. The response must include a notice to the employee that an appeal, as provided in WAC 251-06-070, may be exercised within thirty calendar days of service of the response or the effective date of the action, whichever is later. In addition the response must include either:

(a) Notification of the reason(s) the position does not warrant reallocation when the reallocation request is not approved; or

(b) Notification of the class and salary assigned when the position is reallocated. Subsequent action taken during the thirty-day appeal period which changes either the specified class or salary will constitute a new response, and written notice of such action must be given to the employee or employee representative. [Statutory Authority: RCW 28B.16.100. 80-02-111 (Order 83), § 251-06-060, filed 1/28/80; 79-06-076 (Order 74), § 251-06-060, filed 5/30/79, effective 7/1/79; 78-05-060 (Order 67), § 251-06-060, filed 4/27/78, effective 6/1/78; Order 61, § 251-06-060, filed 8/30/77, effective 10/1/77; Order 10, § 251-06-060, filed 12/16/71.]

WAC 251-06-065 Effective date--Allocation--Reallocation.

(1) The effective date of allocations or reallocations initiated by the institution shall be determined by the personnel officer.

(2) The effective date of reallocations resulting from an employee or employee representative request for position review will be established as of the date that the request is filed with the personnel officer as required per WAC 251-06-060(1). [Order 61, § 251-06-065, filed 8/30/77, effective 10/1/77.]

WAC 251-06-070 Allocation appeal--Higher education personnel board.

(1) The employee or employee representative may file a written appeal with the board under provisions of WAC 251-06-050 or 251-06-060 when:

(a) The response required in WAC 250-06-060(2) is not issued to the employee or employee representative within the required sixty calendar day period following receipt of the employee request; or

(b) The response fails to address the specific reason(s) that the request was not approved; or

(c) The employee disagrees with the results of a position review conducted by the personnel officer. The written appeal should include information which will assist the board in determining the proper allocation of the position.

(2) Within thirty calendar days of receipt of the appeal, the director will investigate the appeal and attempt to resolve the allocation to the satisfaction of all parties. This may be extended by thirty calendar days provided the affected employee is given notice of the extension.

The employee will be notified of the director's recommended allocation and of the right to pursue the case to hearing if desired. If the employee wishes to pursue the case to hearing, he/she must so notify the director within twenty-one calendar days of service of the director's notice.

(3) The burden of proof in an allocation appeal shall rest with the appellant.

(4) Allocation appeal hearings will be informal and will allow sufficient time for the parties to present facts pertinent to the proper allocation of a position. The appellant may represent him/herself or may be represented by any person of his/her choosing at the hearing. In appeals heard by a hearing examiner, the hearing examiner will issue a recommended decision within thirty calendar days of the hearing. The recommended decision will be transmitted to both parties by certified mail with a statement regarding the right to file exceptions to the recommended decision. Within thirty calendar days of service of the recommended decision, any party adversely affected may file written exception to the recommended decision. If no written exceptions are filed, the hearing examiner's recommended decision will become final forty calendar days after service of the recommended decision unless within that forty calendar day period the board issues a notice to each of the parties that a hearing will be scheduled for reconsideration of the hearing examiner's recommended decision. When exceptions are filed, such written statements must indicate in detail the specific items of the recommended decision to which exception is taken. Thereafter, a hearing on the exceptions will be scheduled before the board at which time all parties may present written and/or oral argument. Within thirty calendar days of hearing the testimony or arguments upon exceptions, the board will issue a decision which is final and binding. [Statutory Authority: RCW 28B.16.100. 79-12-088 (Order 81), § 251-06-070, filed 12/3/79; 78-06-068 (Order 68), § 251-06-070, filed 5/25/78, effective 7/1/78; Order 63, § 251-06-070, filed 11/22/77; Order 61, § 251-06-070, filed 8/30/77, effective 10/1/77; Order 37, § 251-06-070, filed 10/15/74; Order 10, § 251-06-070, filed 12/16/71.]

WAC 251-06-080 Position reallocation--Effect on incumbent. (1) An employee occupying a position that is reallocated to a class with a higher salary range maximum, is affected as follows:

(a) When reallocation is a result of an accumulation of duties by the incumbent over a period of at least six months, the incumbent may elect to remain in the position following reallocation providing he/she meets the minimum qualifications for the class. The minimum qualifications may be waived by the director if it is determined that the incumbent has demonstrated sufficient experience to satisfactorily perform the duties of the class. Successful completion of the higher level duties by the incumbent for at least six months satisfies the examination requirement and confers permanent status. Documentation of such service shall be kept on file for each reallocation request approved;

(b) When reallocation will require immediate changes in the duties of the position, it will be filled in accord with chapter 251-18 WAC. The incumbent will be given an opportunity to compete for the position. If the employee is not selected, or chooses not to compete, subsection (2)(a), (b), and (d) will apply.

(2) An employee occupying a position which is reallocated to a class with a lower salary range maximum has the following options:

(a) Transfer to a vacant position within the current class;

(b) Be afforded such bumping rights and placement on layoff lists as would be provided in layoff;

(c) Demote with the position;

(d) In addition, the employee may make him/herself available for appointment on or before the effective date of the reallocation via the institution's transfer/lateral movement/voluntary demotion procedure.

(3) Establishment of salary and periodic increment following reallocation shall be as provided in WAC 251-08-100 and 251-08-112. [Statutory Authority: RCW 28B.16.100. 78-10-090 (Order 70), § 251-06-080, filed 9/29/78, effective 11/1/78; Order 61, § 251-06-080, filed 8/30/77, effective 10/1/77; Order 44, § 251-06-080, filed 6/25/75; Order 10, § 251-06-080, filed 12/16/71.]

(2) Regular salary increment increases based upon length of service for all employees whose performance is such as to permit them to retain job status in the classified service.

(3) Assignment of each class to a salary range reflecting prevailing rates other public employment and in private employment in this state or in the locality in which the institution is located, provided funds are available as defined in WAC 251-08-051.

WAC 251-08-021 Compensation plans—Salary survey.

(1) For purposes of reflecting in salary schedules and in the compensation plans the prevailing rates in other public employment and in private employment in this state or in the locality in which the institution is located, the director shall undertake salary and fringe benefit surveys for the board with the assistance of the various personnel officers and on a joint basis with the department of personnel, with one such survey to be conducted each year prior to the convening of each regular session of the state legislature.

(2) Salary and fringe benefit surveys shall be conducted according to the following criteria in addition to any other provisions under this chapter:

(a) Adjustments of state salaries to prevailing rates in Washington state private industries and other governmental units shall be determined by comparisons of weighted averages of salaries, including weighted averages of salaries from out-of-state sources when necessary to obtain statistically valid salary surveys; and

(b) Determination of state salary changes from prevailing rate data collected in salary surveys shall be based on occupational group averages containing related job classes where appropriate rather than on comparison of survey data to individual state job classes.

(3) Salary and fringe benefit surveys shall be undertaken in a manner consistent with statistically accurate sampling techniques. For this purpose, a comprehensive salary and fringe benefit survey plan shall be submitted to the director of the office of financial management, employee organizations, the standing committees for appropriations in the senate and house of representatives, and to the legislative budget committee six months before the beginning of each periodic survey required before regular legislative sessions. This comprehensive plan shall include, but not be limited to, the following:

(a) A complete explanation of the technical, statistical process to be used in the salary and fringe benefit survey including the percentage of accuracy expected from the planned statistical sample chosen for the survey and a definition of the term "prevailing rates" which is to be used in the planned survey;

(b) A comprehensive salary and fringe benefit survey model based on scientific statistical principles which:

- (i) Encompasses the interrelationships among the various elements of the survey sample including sources of salary and fringe benefit data by organization type, size, and regional location;
- (ii) Is representative of private and public employment in this state;
- (iii) Ensures that, wherever practical, data from smaller, private firms are included and proportionally weighted in the survey sample; and
- (iv) Indicates the methodology to be used in application of survey data to job classes used by state government;

(c) A prediction of the increase or decrease in total funding requirements expected to result from the pending salary and fringe benefit survey based on consumer price index information and other available trend data pertaining to Washington state salaries and fringe benefits.

(4) Every comprehensive survey plan shall fully consider fringe benefits as an element of compensation in addition to basic salary data. The plans shall be developed jointly by the higher education personnel board and the department of personnel. All comprehensive salary and fringe benefit survey plans shall be submitted on a joint signature basis by the higher education personnel board and the department of personnel. The legislative

budget committee shall review and evaluate all survey plans before final implementation.

(5) Any interim or special surveys conducted shall conform when possible to the statistical techniques and principles developed for regular periodic surveys. [Order 61, § 251-08-021, filed 8/30/77, effective 10/1/77.]

WAC 251-08-031 Compensation plans--Adoption.

(1) The proposed compensation plans shall be submitted by the director to the board for adoption, revision, or rejection.

(2) Twenty calendar days prior to open hearings on the plans, the director shall circulate notice of the hearing to enable affected employees, employee representatives, institutions, and related boards to present their views either orally or in writing. The notice shall state the date, time, and place of the hearing, and shall include a copy of the proposed plans or revisions or reference thereto. [Order 61, § 251-08-031, filed 8/30/77, effective 10/1/77.]

WAC 251-08-040 Compensation plans--Submission to governor.

(1) The results of the salary and fringe benefit survey as adopted by the board shall be forwarded by the board with recommended salary adjustments to the governor and the director of the office of financial management for their use in preparing budgets to be submitted to the succeeding legislature. Such recommendation shall be advisory only. A copy of the data and supporting documentation shall be furnished by the board to the standing committees for appropriations of the senate and house of representatives.

(2) The board shall furnish the following supplementary data in support of its recommended salary schedule:

(a) A total dollar figure which reflects the recommended increase or decrease in state salaries as a direct result of the specific salary and fringe benefit survey that has been conducted and which is categorized to indicate what portion of the increase or decrease is represented by salary survey data and what portion is represented by fringe benefit survey data.

(b) An additional total dollar figure which reflects the impact of recommended increases or decreases to state salaries based on other factors rather than directly on prevailing rate data obtained through the survey process and which is categorized to indicate the sources of the requests for deviation from prevailing rates and the reasons for the changes;

(c) A list of class codes and titles indicating recommended monthly salary ranges for all state classes under the control of the higher education personnel board with:

- (i) Those salary ranges which do not substantially conform to the prevailing rates developed from the salary and fringe benefit survey distinctly marked and an explanation of the reason for the deviation included; and
- (ii) Those higher education personnel board classes which are substantially the same as

classes being used by the department of personnel clearly marked to show the commonality of the classes between the two jurisdictions;

(d) A supplemental salary schedule which indicates the additional salary to be paid state employees for hazardous duties or other considerations requiring extra compensation under specific circumstances. Additional compensation for these circumstances shall not be included in the basic salary schedule but shall be maintained as a separate pay schedule for purposes of full disclosure and visibility; and

(e) A supplemental salary schedule which indicates those cases where the board determines that prevailing rates do not provide similar salaries for positions that require or impose similar responsibilities, judgment, knowledge, skills, and working conditions. This supplementary salary schedule shall contain proposed salary adjustments necessary to eliminate any such dissimilarities in compensation. Additional compensation needed to eliminate such salary dissimilarities shall not be included in the basic salary schedule but shall be maintained as a separate salary schedule for purposes of full disclosure and visibility. [Order 61, § 251-08-040, filed 8/30/77, effective 10/1/77; Order 1, § 251-08-040, filed 9/15/69.]

WAC 251-08-051 Compensation plans--Implementation.

Implementation of the results of salary and fringe benefit surveys shall be subject to approval as to availability of funds by the director of the office of financial management and after consultation with the chief financial officer of each institution for that institution, or in the case of the various community colleges, by the chief financial officer of the state board for community college education. [Order 61, § 251-08-051, filed 8/30/77, effective 10/1/77.]

WAC 251-08-060 Compensation plans--Additional salary survey.

Upon the establishment of new classes, redefinition of existing classes, realignment or reorganization of duties and responsibilities, recruitment difficulties, employee or appointing authority salary protests, or whenever the board or director find it necessary in the administration of the plans, the director shall conduct additional salary surveys. Such findings and recommendations shall be presented by the director for consideration by the board. [Order 61, § 251-08-060, filed 8/30/77, effective 10/1/77; Order 35, § 251-08-060, filed 7/23/74; Order 1, § 251-08-060, filed 9/15/69.]

WAC 251-08-070 Salary--Limits.

[Order 61, § 251-08-070, filed 8/30/77, effective 10/1/77; Order 1, § 251-08-070, filed 9/15/69.]

WAC 251-08-080 Salary--Entrance.

The entrance salary for any nonpermanent employee of the institution

shall be the minimum salary step of the range unless the personnel officer authorizes a higher entrance salary step. [Order 61, § 251-08-080, filed 8/30/77, effective 10/1/77; Order 29, § 251-08-080, filed 1/22/74; Order 1, § 251-08-080, filed 9/15/69.]

WAC 251-08-090 Salary--Periodic increment. Employees, whose performance permits them to retain job status in the classified service, shall receive periodic increments within the steps of the salary range. The salary of each employee shall be increased two steps on the periodic increment date and annually thereafter on the periodic increment date, not to exceed the maximum step of the range. When the periodic increment date falls on the same effective date as another salary action, the periodic increment shall be applied prior to, and in addition to, any other action resulting in a salary increase or decrease. [Order 61, § 251-08-090, filed 8/30/77, effective 10/1/77; Order 18, § 251-08-090, filed 10/25/72, effective 7/1/73; Order 1, § 251-08-090, filed 9/15/69.]

WAC 251-08-100 Periodic increment date. (1) For purposes of payment of periodic increment increases, the effective date shall be determined as follows:

(a) The first of the current month for actions occurring between the first and the fifteenth of the month; or

(b) The first of the following month for actions occurring between the sixteenth and the end of the month.

(2) The periodic increment date of new employees or probationary employees who are reappointed to a new class during the probationary period shall be established:

(a) Upon completion of the probationary period for those appointed at the first step in the salary range; or

(b) Upon completion of twelve months' service in the class for those appointed at a salary step above the first step in the salary range.

(3) The periodic increment date of all employees shall be changed as follows:

(a) Upon promotion, the existing periodic increment date will be eliminated and a new date established to be effective upon completion of the trial service period;

(b) Upon reappointment of a probationary employee during the probationary period, the former periodic increment date will be eliminated and a new date established as provided in WAC 251-08-100(2);

(c) Upon reallocation under WAC 251-06-080(1)(a) of an employee who is at the top step of the current salary range, the employee will be given a new periodic increment date which will be six months following the reallocation action;

(d) When a leave of absence without pay exceeds ten working days in any calendar month, or exceeds ten consecutive working days, the date will be extended by one month, except as provided by WAC 251-22-180 and 251-18-380;

(e) When employees return from layoff status, the date will be reestablished and extended by an amount of time equal to the period of layoff in order to give credit for time served in a salary step prior to layoff;

(f) When an instructional-year leave of absence without pay exceeds ninety calendar days, the periodic increment date shall be extended on a month-for-month basis. Provisions of WAC 251-08-100(3)(d) shall apply to that period exceeding the ninety calendar days. Instructional-year employees serving a probationary or trial service period will have their periodic increment dates extended by an amount of time equal to the period in which the employee is on leave of absence without pay;

(g) When employees are reverted from trial service following promotion (or return from alternate appointment), the periodic increment date held prior to promotion or layoff will be reestablished;

(h) When the board or the director order remedial action per WAC 251-12-600, the periodic increment date may be modified as part of the order.

(4) The periodic increment date of all employees shall remain unchanged for all other actions including, but not limited to, transfer within class, appointment to another class with the same or lower salary range maximum, and reallocations except as provided in WAC 251-08-100(3)(c).

(5) The periodic increment date for incumbents of exempt positions which are converted to classified status shall be established as provided in WAC 251-18-420. [Statutory Authority: RCW 28B.16.100. 78-06-068 (Order 68), § 251-08-100, filed 5/25/78, effective 7/1/78; Order 64, § 251-08-100, filed 12/23/77; Order 61, § 251-08-100, filed 8/30/77, effective 10/1/77; Order 29, § 251-08-100, filed 1/22/74; Order 21, § 251-08-100, filed 5/24/73; Order 18, § 251-08-100, filed 10/25/72, effective 7/1/73.]

[Order 61, § 251-08-110, filed 8/30/77, effective 10/1/77; Order 29, § 251-08-110, filed 1/22/74; Order 21, § 251-08-110, filed 5/24/73; Order 18, § 251-08-110, filed 10/25/72, effective 7/1/73; Order 1, § 251-08-110, filed 9/15/69.]

WAC 251-08-112 Salary--Reallocation. (1) An employee occupying a position that is reallocated to a class with a higher salary range maximum shall receive an increase in the same manner as is provided for promotion in WAC 251-08-110. The periodic increment date shall be established as provided in WAC 251-08-100.

(2) An employee occupying a position that is reallocated to a class with a lower salary maximum shall be placed in the salary step in the new range which is equal to the current salary, provided such salary does not exceed the top step of the new salary range.

(3) When reallocation is necessary because the board has created, abolished, or modified a class, the incumbent will remain in the position and the following will apply:

(a) An employee occupying a position reallocated to a class with a lower salary range maximum will be placed at the step in the new salary range which is equal to the current salary and will be allowed to achieve the salary maximum of the former class at the time of reallocation. The employee will lose the right to such salary maintenance if he/she voluntarily demotes, promotes, or moves to another class;

(b) An employee occupying a position reallocated to a class with a higher salary range maximum will receive an increase as provided in WAC 251-08-110;

(c) A reallocation which results from the board's abolition of a class will be effective the date of the board's action. [Statutory Authority: RCW 28B.16.100.78-06-068 (Order 68), § 251-08-112, filed 5/25/78, effective 7/1/78; Order 61, § 251-08-112, filed 8/30/77, effective 10/1/77.]

WAC 251-08-115 Salary--Layoff, reversion, demotion. (1) When an employee who has been separated returns from the institution-wide layoff list to the same class occupied immediately prior to layoff, the employee shall return to the same salary step held at time of layoff, unless the employee is currently employed by the institution and to do so would cause him/her to suffer a reduction in salary.

(2) When an employee accepts a layoff option under WAC 251-10-030(5), the salary shall be retained provided it does not exceed the top step of the new range.

(3) When an employee accepts a layoff option under WAC 251-10-030(6), the salary shall be determined by the personnel officer.

(4) When an employee is reverted from trial service following promotion (or returns from alternate appointment), the former salary step shall be restored, provided that adjustments shall be made to take into account any periodic increments which would have occurred during the trial service period.

(5) When an employee accepts a voluntary demotion, the salary shall be determined by the personnel officer.

(6) For disciplinary demotion, the salary shall be lowered step-for-step. The personnel officer may, however, authorize exceptions to this provision. [Order 61, § 251-08-115, filed 8/30/77, effective 10/1/77.]

WAC 251-08-120 Salary--Survey implementation. When adjustment in salary range is based on implementation of a salary survey and there is no change in class concept, duties and responsibilities, the salary shall be adjusted to the same step in new range as held in previous range, except for those instances when the new range has a different number of salary steps, in which case the director shall determine the proper salary adjustments. [Order 61, § 251-08-120, filed 8/30/77, effective 10/1/77; Order 1, § 251-08-120, filed 9/15/69.]

[Order 64, § 251-08-150, filed 12/23/77.]

WAC 251-08-160 Payroll certification. A disbursing officer shall not pay any employee holding a position covered by the Higher Education Personnel Law unless the employment is in accordance with chapter 28B.16 RCW and the provisions of these rules. The board and the institutions of higher education including the state board for community college education which shall act for the various community colleges shall jointly establish procedures for the certification of payrolls. [Statutory Authority: RCW 28B.16.100 and 28B.16.190.79-03-030 (Order 72), § 251-08-160, filed 2/27/79, effective 4/2/79.]

WAC 251-09-010 Hours of work--General. (1) Hours of work for classified employees of the higher education institutions are to be established by the employing official.

(2) Nothing in these rules shall preclude the assignment of overtime outside of normally scheduled shifts. Overtime worked is compensated per WAC 251-09-030. [Order 62, § 251-09-010, filed 8/30/77, effective 10/1/77.]

WAC 251-09-020 Work period designations. Each position will be assigned by the personnel officer to one of the work period designations identified below, and employees will be informed of their eligibility for overtime compensation.

(1) **Scheduled work periods**, within which there are two work schedules:

(a) **Regular work schedule.** The regular work schedule for full time classified employees shall consist of five

consecutive and uniformly scheduled eight hour days in a seven day period. Uniformly scheduled means a daily repetition of the same working hours and a weekly repetition of the same working days.

(b) Alternate work schedule. Operational necessity or employee convenience may require positions that are normally designated regular work schedule to work an alternate forty hour work schedule (other than five uniform and consecutive eight hour days in a seven day period), or as provided by the Washington State Minimum Wage Law in conjunction with the federal law which provides for an eighty hour workweek in a fourteen day period for hospital personnel. Alternate work schedules shall be made available upon request of the director.

(2) **Nonscheduled work period.** The nonscheduled work period designation applies to those positions for which the hours cannot be scheduled but which work a forty hour week and do not meet any of the other work period designations. The personnel officer shall designate positions as nonscheduled in accordance with the institution's procedure approved by the director.

(3) **Excepted work period.** The excepted work period designation applies to classes and positions which meet the HEPB definitions of executive, administrative, or professional employees and are assigned to salary ranges twenty-three and above. Qualifying classes will be approved by the director. Each personnel officer will be responsible for determining the positions designated "excepted" at his/her institution. The personnel officer will develop a procedure for verifying "excepted" positions which will be available for review by the director. WAC 251-09-025 Schedule changes. Changes to a scheduled work period employee's assigned hours may be made under the following condition(s):

(1) For temporary changes of work hours within the assigned week:

(a) By providing two calendar days notice to the employee. (The day notification is given constitutes a day of notice); or

(b) Because of emergency conditions; or

(c) When the change is requested by the employee and approved by the employing official; or

(d) For operational convenience (instances where the conditions above do not exist), in which case the employee shall have the right to work his/her regularly assigned schedule in addition to the modified schedule (in accordance with the provisions of WAC 251-09-030) unless:

(i) there is no work; or

(ii) there is a safety hazard to the employee or others; or

(iii) the resulting total hours worked would exceed one and one-half of the employees regular shift.

(2) For changes in work hours or shift extending beyond seven calendar days for an indefinite period:

(a) By providing seven calendar days notice to the employee. (The day notification is given constitutes a day of notice); or

(b) Because of emergency conditions; or

(c) When the change is requested by the employee and approved by the employing official; or

(d) For operational convenience (instances where the conditions above do not exist), in which case the employee shall be paid premium pay (at time and one-half) for each hour outside of the regular shift (pro rata for part time employees) for a maximum of seven calendar days from the date of the notice of the schedule change.

(3) Overtime worked shall be computed on the employee's base rate plus shift premium where applicable. [Order 62, § 251-09-025, filed 8/30/77, effective 10/1/77.]

WAC 251-09-030 Overtime. (1) Any one of the following constitutes overtime:

(a) Work in excess of the daily work shift for full-time employees assigned to scheduled work period positions;

(b) Work in excess of forty hours in one workweek for employees assigned to scheduled or nonscheduled work period positions; or

(c) For hospital personnel assigned to a fourteen day schedule, work in excess of eighty hours in a fourteen day period.

(2) Overtime worked by employees assigned to scheduled or nonscheduled work period positions shall be compensated at a rate of one and one-half times the employee's straight time hourly rate including shift differential for all overtime worked as provided in subsection (1) of this section.

(3) Employees assigned to scheduled or nonscheduled work period positions shall receive monetary payment as compensation for overtime worked; however, at the employee's request compensatory time off at one and one-half times the overtime hours worked may be granted in lieu of monetary payment, except that agricultural employees shall receive compensatory time off or monetary payment at the option of the institution.

(4) Use of accrued compensatory time shall be approved by the employing official with consideration being given to the work requirements of the department and the wishes of the employee. Compensatory time off may be scheduled by the employing official during the final sixty days of a biennium.

(5) Employees assigned to excepted work period positions normally do not qualify for overtime. Under circumstances in which the employee is directed to work an excessive amount of overtime, the personnel officer may authorize additional compensation in cash or compensatory time off not to exceed one and one-half times the employee's regular rate. The employee may petition the personnel officer for compensation of the directed overtime.

(6) For purposes of computing overtime compensation, holidays or leave with pay during the employee's regular work schedule shall be considered as time worked. [Statutory Authority: RCW 28B.16.100. 79-

06-076 (Order 74), § 251-09-030, filed 5/30/79, effective 7/1/79; 78-06-068 (Order 68), § 251-09-030, filed 5/25/78, effective 7/1/78; Order 62, § 251-09-030, filed 8/30/77, effective 10/1/77.]

WAC 251-09-035 Holiday premium pay. (1) Employees assigned to scheduled or nonscheduled work period positions qualify for holiday premium pay under the following conditions:

(a) When full time employees work on a designated holiday, they shall receive their regular eight hours of pay plus premium pay at time and one-half for all hours worked on such holiday. Compensatory time off may be granted by the institution in lieu of monetary payment.

(b) When classified employees working less than a full time schedule work on a designated holiday, they shall receive their regular holiday pay on the same pro rata basis that their monthly schedule bears to a full time schedule, plus premium pay at time and one-half for all hours worked on such holiday. Compensatory time off may be granted by the institution in lieu of monetary payment.

(2) Classified employees occupying excepted work period positions normally do not qualify for holiday premium pay. [Order 62, § 251-09-035, filed 8/30/77, effective 10/1/77.]

WAC 251-09-040 Shift differential. (1) Shift differential for employees assigned to an afternoon shift in which the majority of time worked, daily or weekly, is between 5:00 p.m. and 12:00 midnight shall be:

(a) \$.18 per hour or \$31.00 per month;

(b) Registered nurses - \$.24 per hour or \$42.00 per month.

(2) Shift differential for employees assigned to a night shift in which the majority of time worked, daily or weekly, is between 12:00 midnight and 7:00 a.m. shall be:

(a) \$.22 per hour or \$38.00 per month;

(b) Registered nurses - \$.22 per hour or \$38.00 per month.

(3) Shift differential shall be paid for the entire daily or weekly shift which qualifies under subsection (1) or (2) above. Shift differential may also be computed and paid at the above monthly rate for employees permanently assigned to a qualifying afternoon or night shift.

(4) An employee assigned to a shift that qualifies for shift differential pay shall receive the shift differential for authorized periods of paid leave.

(5) When an employee is regularly assigned to an afternoon or evening shift that qualifies for shift differential, he/she shall continue to receive the shift differential during temporary assignment, not to exceed five working days, to a shift that does not qualify for shift differential.

(6) Shift differential shall not apply to police officers where salaries are correlated with a rotating shift in accordance with local prevailing rate practice. [Order 62, § 251-09-040, filed 8/30/77, effective 10/1/77.]

WAC 251-09-060 Call back pay. When a scheduled work period employee has left the institution grounds and is called to return to the work station outside of regularly scheduled hours to handle emergency situations which could not be anticipated, he/she shall receive two hours bonus pay plus time actually worked. The bonus pay shall be compensated at the regular rate; time worked shall be compensated at time and one-half. Such written request from the employee must be received within thirty calendar days of the action unless an extension in time is requested by the personnel officer.

WAC 251-14-005 Purpose. The general purpose of this chapter is to establish rules designed specifically to provide for a sound labor relations policy covering employer-employee relations in higher education institutions. Determination of exclusive representatives and union shop provisions shall be decided, to the maximum extent practical, by providing the fullest opportunity for each affected employee to participate through the election process. [Order 61, § 251-14-005, filed 8/30/77, effective 10/1/77; Order 42, § 251-14-005, filed 5/23/75; Order 25, § 251-14-005, filed 7/17/73.]

WAC 251-14-010 Employee rights. Classified employees shall have, and shall be protected in the exercise of the right to form, join, and/or assist any employee organization, or to refrain therefrom, (except as provided in WAC 251-14-058) and to do so freely and without fear of penalty or reprisal. [Order 61, § 251-14-010, filed 8/30/77, effective 10/1/77; Order 25, § 251-14-010, filed 7/17/73; Order 2, § 251-14-010, filed 3/12/70; Order 1, § 251-14-010, filed 9/15/69.]

WAC 251-14-020 Employee organization filing requirements. Any employee organization authorized to represent employees before the board or in collective bargaining with an appointing authority must first file with the director a notice of intent to represent employees. Such notice must set forth the name of the employee organization, the name of an agent authorized to speak on its behalf; a mailing address and telephone number; a general description of the types of employment falling within the intended area of representation and the number of classified higher education employees who are presently members of the employee organization; and a copy of a constitution, by-laws, or any other documents defining powers and authorizing representation. The director or designee shall, after verification of the documents submitted, notify the employee organization, each institution and related board of the authorized recognition. [Order 61, § 251-14-020, filed 8/30/77, effective 10/1/77; Order 42, § 251-14-020, filed 5/23/75; Order 2, § 251-14-020, filed 3/12/70; Order 1, § 251-14-020, filed 9/15/69.]

WAC 251-14-030 Determination of bargaining unit. (1) Determination, alteration, modification or combination of appropriate bargaining units shall be made by the board upon petition from the appointing authority, an employee organization or upon the board's own motion, after twenty calendar days' notice has been given to the

appointing authority and to affected employees and their representatives.

(2) In determining a bargaining unit, the board shall consider the following factors:

(a) Duties, skills and working conditions of the employees.

(b) History of collective bargaining by the employees and their bargaining representatives.

(c) Extent of organization among the employees.

(d) Desires of the employees.

(3) Any petition filed hereunder shall, in writing, set forth all pertinent facts and supporting reasons as comprehensively as possible, to aid the board in its determination.

(4) When the board combines existing bargaining units into one new unit and/or accretes additional classes and/or positions to a bargaining unit, such action shall effect an automatic decertification of any union shop representative provision in effect except in the following instances:

(a) Where the same employee organization is certified as the union shop representative in each of the existing bargaining units that are being combined into one new unit;

(b) Where results of the union shop election previously held still represent a majority vote in favor of the union shop provision in the new unit. Majority vote will be determined by adding the number of employees not previously covered by a union shop provision to the total number of employees eligible to vote in the previous election.

(5) After a hearing on a petition, the board shall enter an appropriate order containing findings of fact and conclusions of law.

(6) Bargaining units normally shall not include both supervisory and nonsupervisory employees. [Order 61, § 251-14-030, filed 8/30/77, effective 10/1/77; Order 52, § 251-14-030, filed 2/26/76; Order 2, § 251-14-030, filed 3/12/70.]

WAC 251-14-035 Election standards and procedures. The director or designee shall establish the standards and procedures for the conduct of elections. [Order 61, § 251-14-035, filed 8/30/77, effective 10/1/77; Order 42, § 251-14-035, filed 5/23/75; Order 25, § 251-14-035, filed 7/17/73.]

WAC 251-14-040 Election and certification of exclusive representative. (1) The director shall certify an employee organization as exclusive representative of the employees of a bargaining unit when such organization shows proof that it represents a majority of such employees at the close of the last preceding payroll period and such proof is not contested by the appointing authority, the director, or any other interested party. Prior to certification, the director shall give ten calendar days' notice that an employee representative has petitioned to be named the exclusive representative of a bargaining unit. Such notice shall inform all other interested parties that an election may be requested as herein provided and

that the proof of majority representation may be contested within ten calendar days. The director shall determine whether the proof of representation is satisfactory, and if it is not satisfactory shall require that an election be held.

The director will require that an election be held when not less than thirty percent of the employees in a bargaining unit petition for an election during the ten calendar day notice period: *Provided, however,* That unless another employee organization shows proof of at least thirty percent representation, such an election shall be limited to the issue as to whether or not the employees desire certification of the petitioning employee organization as exclusive representative.

(2) The director shall conduct a secret vote for selection of an exclusive representative of the employees of a bargaining unit upon request from an employee organization showing satisfactory proof of at least thirty percent representation of employees on the active payroll who were employed within the bargaining unit at the close of the payroll period immediately preceding the date of request. Upon granting a request for an election, the director shall give written notice thereof and allow ten calendar days for other employee organizations desiring their names placed on the ballot to show satisfactory proof of at least ten percent representation of employees on the active payroll who were employed within the bargaining unit at the close of the payroll period immediately preceding the date of notice of election.

(3) The director or designee, at a pre-election conference, shall review with interested employee organizations and the appointing authority or designee the standards and procedures for the conduct of the election, shall inform all affected employees of the conditions set forth therein, and shall distribute sample ballots. The ballot shall contain the name of the requesting employee organization and the name of any other employee organization showing satisfactory proof of at least ten percent representation within the unit, and shall provide a choice for any employee within the unit to designate that he/she does not desire to be represented by an exclusive representative. All employees on the active payroll and employed within the bargaining unit at the time of election are eligible to vote. Eligible employees unable to vote at the time of election may vote by absentee ballot. Absentee ballots may be requested prior to date of election, but will be counted only if received by the director or designee no later than two regular working days following the closing date of election. Where more than one organization is on the ballot and none receives a majority of all votes cast in such election, a run-off election shall be held. The run-off ballot shall contain the two choices which received the largest and second largest number of votes.

(4) Election signs and banners shall not be permitted in the area in which the balloting takes place, nor shall any person in the area discuss the advantages or disadvantages of representation by any organization whether

on the ballot or otherwise, nor shall any person in that area engage in any other form of electioneering.

(5) An employee organization receiving a majority of all votes cast in such an election, or run-off, shall be certified by the director as the exclusive representative of the employees in the bargaining unit.

(6) When an employee organization has been certified as the exclusive representative of the employees in a bargaining unit, it shall be entitled to act for, and to negotiate collective agreements covering all employees in the unit, and shall be responsible for representing the interests of all such employees. Individual grievances or group grievances of employees may, however, be presented by them to management and may be adjusted by management so long as the adjustment is not inconsistent with the collective agreement and the exclusive representative has had an opportunity to review such adjustments.

(7) Another exclusive representative election shall not be held concerning the same bargaining unit until the lapse of at least twelve months from the date of the last previous exclusive representative election. [Statutory Authority: RCW 28B.16.100. 78-07-072 (Order 69), § 251-14-040, filed 6/30/78, effective 8/1/78; Order 61, § 251-14-040, filed 8/30/77, effective 10/1/77; Order 44, § 251-14-040, filed 6/25/75; Order 25, § 251-14-040, filed 7/17/73; Order 2, § 251-14-040, filed 3/12/70.]

WAC 251-14-042 Disclaimer of interest petition--Decertification as exclusive representative. (1) If an employee organization with a current certification as an exclusive representative of the employees of a bargaining unit seeks to disclaim any interest in continuing to represent the affected employees as their exclusive representative, it does so by filing a disclaimer of interest petition with the director; provided that in the event there is a collective bargaining agreement in existence between the appointing authority and the exclusive representative, any disclaimer of interest petition shall be valid only if filed within ninety calendar days prior to the expiration date of such collective bargaining agreement.

(2) Such disclaimer of interest petition must specifically state the reason(s) a decertification as exclusive representative should be granted to an employee organization by the director.

(3) Prior to decertification, the director shall give ten calendar days notice to the affected employees. The notice shall be posted by the institution in the work areas of the employees affected. Such notice shall inform the employees that decertification by a disclaimer of interest petition may be contested within the ten calendar days and an election requested.

(4) The director shall order a disclaimer of interest election to be held upon petition from not less than thirty percent of the employees affected.

(5) The director will decertify an employee organization as the exclusive representative on the basis of a disclaimer of interest petition as follows:

(a) Decertification as a result of an employee organization filing a disclaimer of interest petition not contested by at least thirty percent of the employees affected;

(b) Decertification as a result of a disclaimer of interest election wherein a majority of all votes cast are in favor of decertification.

(6) Another disclaimer of interest petition shall not be filed by the same employee organization concerning the same bargaining unit for at least twelve months from the date of the last filing. [Order 61, § 251-14-042, filed 8/30/77, effective 10/1/77; Order 37, § 251-14-042, filed 10/15/74.]

WAC 251-14-050 Petition for decertification of exclusive representative. (1) Upon petition to the director by not less than thirty percent of the employees of a bargaining unit, decertification or a new certification shall be determined by a secret vote of the employees, providing twelve months have elapsed since the last certification and ninety calendar days or less remain before the termination of any existing collective bargaining agreement covering the employees of the unit. Such an election shall be conducted in accordance with WAC 251-14-040(2), (3), and (4). Another exclusive representative decertification election shall not be held concerning the same bargaining unit for at least twelve months from the date of the last previous exclusive representative decertification election.

(2) When the board, pursuant to WAC 251-14-030, combines existing bargaining units into one new unit, the combination shall effect an automatic decertification of the affected exclusive representatives except in those instances where the same employee organization is certified as the exclusive representative for all of the existing bargaining units that are being combined into one new unit. [Order 61, § 251-14-050, filed 8/30/77, effective 10/1/77; Order 52, § 251-14-050, filed 2/26/76; Order 25, § 251-14-050, filed 7/17/73; Order 2, § 251-14-050, filed 3/12/70.]

WAC 251-14-052 Union shop representative election. (1) The director shall order a union shop representative election to be held upon petition from an employee organization which has been certified per WAC 251-14-040 as the exclusive representative of the employees of a bargaining unit.

(2) The director shall, upon receipt of a petition for a union shop representative election, inform all affected employees of the union shop provisions contained in the state higher education personnel law, RCW 28B.16.100.

(3) The director or designee, at a pre-election conference, shall review with the employee organization and appointing authority or designee the standards and procedures for the conduct of the election and shall inform all affected employees of the conditions set forth therein.

(4) The election shall be held on state property during working hours unless otherwise agreed to by all parties during the pre-election conference.

(5) All employees on the active payroll and employed within the bargaining unit on the date of election will be

eligible to vote. Eligible employees unable to vote at the time of election may vote by absentee ballot.

(6) Absentee ballots may be requested prior to date of election but will be counted only if received by the director or designee no later than two regular working days following the closing date of election.

(7) Transportation to official places of voting shall be provided to the degree practicable as determined by pre-election conference.

(8) Election signs and banners shall not be permitted in the area in which the balloting takes place, nor shall any person in the area discuss the advantages or disadvantages of a union shop and mandatory membership in an employee organization.

(9) The director will certify the employee organization as the union shop representative if a majority of employees in the bargaining unit vote in favor of requiring membership in the employee organization to be a condition of employment.

(10) Another union shop representative election shall not be held concerning the same bargaining unit for at least twelve months from the date of the last previous union shop representative election. [Order 61, § 251-14-052, filed 8/30/77, effective 10/1/77; Order 25, § 251-14-052, filed 7/17/73.]

WAC 251-14-054 Union shop representative decertification election. (1) The director shall, upon petition of thirty percent of the members of a bargaining unit, order an election to determine if a majority of employees in such bargaining unit wish to rescind membership in the employee organization as a condition of employment, providing twelve months have lapsed since the original election which established the union shop representative. Such election shall be conducted in accordance with WAC 251-14-052(2), (3), (4), (5), (6), (7), and (8).

(2) Another union shop representative decertification election shall not be held concerning the same bargaining unit for at least twelve months from the date of the last previous union shop decertification election.

(3) The director will issue a notice of union shop representative decertification, which will nullify the requirement of membership in an employee organization or the payment of a representation fee as a condition of employment when a majority of the employees in the bargaining unit vote to rescind membership in an employee organization as a condition of employment. [Order 61, § 251-14-054, filed 8/30/77, effective 10/1/77; Order 25, § 251-14-054, filed 7/17/73.]

WAC 251-14-056 Employee listings. When elections are requested per the provisions of WAC 251-14-040, 251-14-050, 251-14-052 and 251-14-054, institutions shall, upon request from a petitioning party and/or an affected employee organization, provide copies of a current listing indicating names, mailing addresses, classes and work locations of all employees eligible to vote in the election. [Order 61, § 251-14-056, filed 8/30/77, effective 10/1/77; Order 42, § 251-14-056, filed 5/23/75; Order 25, § 251-14-056, filed 7/17/73.]

WAC 251-14-057 Election validity--Objections. (1) The director, an appointing authority or designee, any employee of the bargaining unit, and/or any employee organization whose name appeared on the ballot as a choice, may question the validity of an election by objecting to the administration of the election or to improper conduct which may have affected the results of the election conducted under the provisions of chapter 251-14 WAC.

(2) The objections must contain a specific statement of the reasons therefor and be filed in the office of the director by the close of business on the fifth working day following the tabulation of the ballots. The party filing objections is required to submit evidence in support thereof at the time the objections are filed or forthwith upon request from the director.

(3) The director or designee will investigate the objections. Where the investigation reveals that the objections have merit, the director may set aside the results of the election and order a new election. [Order 61, § 251-14-057, filed 8/30/77, effective 10/1/77; Order 44, § 251-14-057, filed 6/25/75.]

WAC 251-14-058 Union shop requirements. (1) When a majority of employees within a bargaining unit determine by election to require as a condition of employment membership in the employee organization designated as the exclusive bargaining representative, all employees included in that bargaining unit are required to become members of such employee organization within thirty calendar days of the beginning of their employment within the bargaining unit or within thirty calendar days of the date of the union shop representative election, whichever is later.

(2) Membership in the employee organization shall be satisfied by the payment of monthly or other periodic dues and shall not require payment of initiation, reinstatement, or any other fees or fines, and shall include full and complete membership rights.

(3) Employees who wish the right of nonassociation with an employee organization must base their reasons on bona fide religious tenets or teachings of a church or religious body of which they are members. Such requests must be presented to the personnel office on the campus of the concerned institution. The appointing authority or designee and the union shop representative must be in agreement that the requests are based on such bona fide reasons. If agreement cannot be reached within a reasonable time, either party may submit the issues in dispute to the director or designee. Should the request for nonassociation be denied by the appointing authority or designee, the employee may submit the issue to the director or designee. The decision of the director regarding nonassociation shall be final.

(4) Employees who are granted the nonassociation right must pay a union shop representation fee to the employee organization. Such fee is equivalent to the regular dues of the organization minus any monthly premiums for union sponsored insurance programs.

(5) When an employee has qualified for nonassociation with an employee organization on religious grounds,

the employee may designate which of the programs of the employee organization are in harmony with the employee's conscience and may then designate that the union shop representation fee shall go to such programs.

(6) The employee who qualifies for the nonassociation clause shall not be a member of the employee organization, but shall be entitled to the same representation rights as a member of the employee organization.

(7) A condition of employment for an employee employed in a bargaining unit where an employee organization is the exclusive union shop representative, is membership in that employee organization or the regular payment of a union shop representation fee to such organization. Failure of an employee to become a member of the employee organization or make payment of the union shop representation fee within thirty calendar days following the beginning of employment within the bargaining unit or thirty calendar days after the date of the union shop representative election, whichever is later, shall constitute cause for dismissal per the provisions of WAC 251-10-170.

(8) The union shop representative shall inform the appointing authority, in writing, of those employees who have not complied with WAC 251-14-058.

(9) The requirement to be a member of an employee organization or the payment of a union shop representation fee as a condition of employment will be nullified when the employee organization which is the union shop representative is decertified per WAC 251-14-050 or 251-14-054.

(10) The appointing authority or designee shall notify affected employees of existing union shop provisions prior to their hire or transfer into a bargaining unit where there is a requirement to be a member of a designated employee organization and/or to pay a union shop representation fee as a condition of employment.

(11) Payroll deductions for employee organization dues and/or union shop representation fees may be provided by the institution upon written authorization from the employee. [Order 61, § 251-14-058, filed 8/30/77, effective 10/1/77; Order 25, § 251-14-058, filed 7/17/73.]

(1) Written agreements may contain provisions covering all personnel matters over which the institution related board may lawfully exercise discretion.

(2) Written agreements shall include a grievance procedure for processing individual and group grievances within the bargaining unit and shall provide for mediation by the director or designee and for arbitration by the board. Mediation by the director or designee and arbitration by the board of a grievance dispute shall not apply in those instances where the same complaint has been filed for hearing either through the unfair labor practice or appeal procedures of the higher education personnel board rules.

(3) Written agreements may contain provisions for payroll deduction of employee organization dues and/or union shop representation fees upon written authorization from the employee. Any employee may cancel

his/her payroll deduction of employee organization dues by filing a written notice with the appointing authority or designee and the employee organization thirty calendar days prior to the effective date of such cancellation.

(4) Written agreements shall be for a minimum of one year in duration and shall not exceed three years. Automatic renewal or extension provisions may extend the term of a contract for only one year at a time.

(5) Where there are collective bargaining agreements in effect in bargaining units which are combined per WAC 251-14-030, the board shall determine the application of such bargaining agreements or terms thereof when there is an impasse between the exclusive representative and the institution.

(6) Institutions shall file signed written agreements with the director. Provisions of such agreements shall not prevail if in conflict with the higher education personnel board rules, the higher education personnel law or other applicable law. [Order 61, § 251-14-060, filed 8/30/77, effective 10/1/77; Order 52, § 251-14-060, filed 2/26/76; Order 42, § 251-14-060, filed 5/23/75; Order 25, § 251-14-060, filed 7/17/73; Order 2, § 251-14-060, filed 3/12/70.]

WAC 251-14-080 Unfair labor practices--Powers of board--Procedure. (1) The board, or its designee, whose final decision is appealable to the board, is empowered and directed to prevent any unfair labor practice and to issue appropriate remedial orders. This power shall not be affected or impaired by any means of adjustment, mediation or conciliation in labor disputes that have been or may hereafter be established by law.

(2) Unfair labor practice charges shall be filed on a form provided by the director or designee, and shall be filed in the office of the director within sixty calendar days after the parties become aware of the alleged unfair labor practice(s). The form shall be signed by the

WAC 251-18-010 Examination--Requirement--Definition. (1) Appointment to positions in the classified service shall be made according to merit and suitability ascertained for each class by an appropriate examination developed and approved by the director. Examinations shall be developed utilizing the class specifications and a detailed job analysis, to the degree possible, in a manner which will test fairly the capacity and fitness of the candidates to discharge efficiently the duties of the position.

(2) An examination is any formal, scored, quantified measure or assessment used as the basis for a personnel selection decision. It may include written, oral, physical or performance tests, evaluation of experience and training; or any combination of these. It may take into consideration such factors as education, experience, physical fitness, performance appraisal, and any other qualifications which in the judgment of the director properly enter into the determination of the relative fitness of applicants.

(3) Competitive examinations are not required for the establishment of eligible lists in the noncompetitive service. [Order 61, § 251-18-010, filed 8/30/77, effective 10/1/77; Order 46, § 251-18-010, filed 9/19/75; Order 33, § 251-18-010, filed 6/18/74; Order 3, § 251-18-010, filed 1/15/71.]

WAC 251-18-020 Examination notice--Publicity--Duration. (1) The personnel officer is responsible for determining when to open an eligible list and conduct examinations. Each personnel officer shall develop and maintain on file a procedure by which employees who have indicated an interest in promotion through the established procedure are made aware of promotional opportunities within the organizational unit.

(2) Public notice of examinations to establish eligible lists shall be made via recruitment bulletin for the duration of the announcement and such other publicity as the personnel officer deems warranted in the interest of attracting adequate numbers of qualified applicants. The minimum period for posting recruitment bulletins will be seven calendar days; for an open competitive posting the personnel officer may authorize a shorter minimum posting period. The personnel officer may extend the duration of a posting as required by giving public notice in the same manner as the original notice.

(3) Examination notices are of two types:

(a) Those having definite duration; and

(b) Those having indefinite duration during which application may be made. Prior to closing a notice published for an indefinite period, public notice of at least three calendar days shall be given. Such notice may take either of the following forms:

(i) Public notice given in the same manner as the original notice; or

(ii) A statement on the bulletin board posting that when sufficient applications are received, the application period may be closed upon three days prior notice.

[Statutory Authority: RCW 28B.16.100. 79-03-029 (Order 71), § 251-18-020, filed 2/27/79; Order 61, § 251-18-020, filed 8/30/77, effective 10/1/77; Order 46, § 251-18-020, filed 9/19/75; Order 35, § 251-18-020, filed 7/23/74; Order 3, § 251-18-020, filed 1/15/71.]

WAC 251-18-025 Examination notice--Exception--Training. Notwithstanding other provisions of these rules, employees meeting the conditions outlined in WAC 251-24-050(3), may be examined without posting an examination notice. [Order 61, § 251-18-025, filed 8/30/77, effective 10/1/77.]

WAC 251-18-030 Examination notice--Content. (1) Bulletin board postings except open-continuous shall specify as a minimum the title and salary range of the class for which the eligible list is open; the nature of the work to be performed; the experience and training required; the time, place and manner of making application; the minimum qualifications established for admission to the examination; and the type of examination required for the class.

(2) Bulletin board postings and examination announcements for open-continuous eligible lists shall specify the title and salary range of the class for which the eligible list is open, the manner of making application, and the location and procedure for obtaining information regarding minimum qualifications and examination requirements.

(3) When the personnel officer elects to establish a combined eligible list as provided in WAC 251-18-181 and 251-18-240(4), to limit the number of eligibles to be placed on a noncompetitive eligible list, or to limit the number of applicants to be admitted to the entire examination as provided in WAC 251-18-060(3), such information shall be included in the bulletin board posting.

[Statutory Authority: RCW 28B.16.100. 78-06-068 (Order 68), § 251-18-030, filed 5/25/78, effective 7/1/78; Order 61, § 251-18-030, filed 8/30/77, effective 10/1/77; Order 46, § 251-18-030, filed 9/19/75; Order 3, § 251-18-030, filed 1/15/71.]

WAC 251-18-050 Examination administration. (1) Examinations shall be held at such times and places as in the judgment of the personnel officer most nearly meet the convenience of applicants, practicability of administration, and needs of the service. Current employee applicants shall suffer no loss in regular salary as a result of participating in examinations which are conducted for their institution during their regularly scheduled working hours.

(2) Examinations shall be conducted by the personnel officer or designee and shall be administered in accordance with standards and procedures approved by the director. [Order 61, § 251-18-050, filed 8/30/77, effective 10/1/77; Order 46, § 251-18-050, filed 9/19/75; Order 33, § 251-18-050, filed 6/18/74; Order 3, § 251-18-050, filed 1/15/71.]

WAC 251-18-060 Examination--Eligibility. (1) Open-competitive examinations shall be open to all applicants, including probationary employees, who meet the minimum qualifications for the class.

(2) Promotional examinations shall be limited to permanent employees of the classified service at the institution. Promotional examinations may be opened on an organizational or institution-wide basis, whichever the personnel officer determines to be in the best interest of the service.

(3) When normal recruitment and examination of applicants is expected to result in an eligible list in excess of the institution's current needs, the personnel officer may declare in advance the number of persons to be:

(a) Placed on a noncompetitive eligible list; or

(b) Admitted to the entire examination. Following the screening of applications and/or the initial scoring of the examination for this purpose, the applicants receiving the highest scores will be admitted to the final phases of the examination.

Such limitations must be stated on the published bulletin board posting, and do not preclude the personnel officer from adding members of under-represented groups to the eligible list in accordance with the institution's corrective employment program as provided in WAC 251-18-390(2)(e), provided such persons meet the same criteria and achieve the same examination score required of the original applicant group. [Order 61, § 251-18-060, filed 8/30/77, effective 10/1/77; Order 46, § 251-18-060, filed 9/19/75; Order 38, § 251-18-060, filed 11/18/74; Order 3, § 251-18-060, filed 1/15/71.]

WAC 251-18-080 Application--Acceptance. To be accepted for review, applications must be completed and signed by the applicant and delivered to the personnel office by the closing date specified on the bulletin board posting; or must be postmarked before midnight of the closing date and received at the personnel office within three working days or longer as indicated on the bulletin board posting. The personnel officer may require proof of age, education, experience, veteran's preference, and/or other claims relevant to the qualifications of the applicant. [Order 61, § 251-18-080, filed 8/30/77, effective 10/1/77; Order 21, § 251-18-080, filed 5/24/73; Order 3, § 251-18-080, filed 1/15/71.]

WAC 251-18-100 Application--Admission to examination. Applicants who submit properly completed applications on or before the last date for filing as provided in WAC 251-18-080 and who meet the requirements for the class shall be notified of the date, time and place of the examination. Any applicant who, for good cause, is unable to appear as notified, may be given the examination at an alternate date only if he/she advised the institution personnel officer in advance of the inability to appear as scheduled. [Order 61, § 251-18-100, filed 8/30/77, effective 10/1/77; Order 46, § 251-18-100, filed 9/19/75; Order 3, § 251-18-100, filed 1/15/71.]

WAC 251-18-110 Application--Disqualification--Rejection. The personnel officer may reject an application or an applicant for good and sufficient reason. Whenever the personnel officer rejects an application or an applicant under the provisions of these rules, he/she shall furnish a written statement of the specific reasons therefor and advise the applicant of the right of appeal per WAC 251-18-115, except in those instances in which he/she was present at the time of notification of rejection or disqualification. [Statutory Authority: RCW 28B.16.100. 78-02-094 (Order 65), § 251-18-110, filed 1/30/78; Order 61, § 251-18-110, filed 8/30/77, effective 10/1/77; Order 38, § 251-18-110, filed 11/18/74; Order 4, § 251-18-110, filed 2/19/71.]

(2) Such appeal must be in writing and be filed in the office of the director within thirty calendar days after the effective date of the action appealed. The director shall forward the written notice of appeal to the board

which shall determine that one of the following actions be taken:

(a) The case may be handled in the same manner as appeals from demotion, suspension, layoff, reduction or dismissal, as provided in WAC 251-12-080 through 251-12-260; or

(b) The director may investigate the case and based upon that investigation issue a determination.

(i) When the appellant is a classified employee of the institution, within thirty calendar days of the date of service either party may file written exceptions with the board detailing the specific items of the determination to which exception is taken. A hearing on the exceptions will be scheduled before the board which may limit argument to the exceptions or may rehear the case in its entirety.

(ii) When the appellant is not a classified employee of the institution, the director's determination shall be final and binding; or

(c) Both parties to the appeal may be requested to submit evidence upon which the board may take action without a hearing. [Statutory Authority: RCW 28B.16.100. 79-12-088 (Order 81), § 251-18-115, filed 12/3/79; 78-02-094 (Order 65), § 251-18-115, filed 1/30/78; Order 61, § 251-18-115, filed 8/30/77, effective 10/1/77.]

On approval, the personnel officer shall initiate recruiting at the reduced minimum qualifications.

(2) In order to make a reasonable accommodation for a handicapped person as defined in WAC 251-04-020, the personnel officer may request that the director waive the minimum qualifications for the purpose of admitting the employee or applicant to the examination.

When two or more candidates on the same eligible list have the same rating, their position on the list, for record keeping purposes, will be determined by lot. When, in the process of certification, a tie score group is reached which, if all eligibles with the same score were certified would result in a certification of more than the number of eligibles permitted by these rules, the official responsible for certification may exercise either of the following options:

(1) Complete the certification by certifying the necessary number of eligibles according to their position on the list as drawn by lot for record keeping purposes; or

(2) Complete the certification by determining, on the basis of the description of the particular vacancy for which certification is being made, which eligible(s) from the tie score group will be referred. Such decision shall be based on the appropriateness of the eligible's experience and training to the particular job vacancy. [Order 61, § 251-18-185, filed 8/30/77, effective 10/1/77; Order 21, § 251-18-185, filed 5/24/73.]

(2) The personnel officer may extend the duration of an entire eligible list for one additional year if it is determined to be in the best interest of the service.

(3) The personnel officer shall cancel the entire eligible list when the class or examination has been changed to the degree that the list would be invalid. All affected eligibles shall be notified of the cancellation. [Order 61, § 251-18-190, filed 8/30/77, effective 10/1/77; Order 32, § 251-18-190, filed 3/19/74; Order 21, § 251-18-190, filed 5/24/73; Order 4, § 251-18-190, filed 2/19/71.]

Whenever any person's name is removed from an eligible list he/she shall be notified of the specific reasons for such removal and advised of the right to request a review by the personnel officer per subsection (2) of this section; except in instances where the eligible:

(a) Has requested removal from the list in writing;

(c) Has failed to notify the personnel office of changes of address; or

(d) Is an open competitive candidate and has been removed from an eligible list due to expiration of eligibility.

(2) Such person may, within five working days of notification, make a written request to the personnel officer for restoration to such eligible list for the duration of eligibility. WAC 251-18-230 Certification--Request for. When a vacancy in the classified service is to be filled, the employing official shall submit a personnel requisition to the personnel officer. If the position meets the HEPB definitions of administrative, executive or professional employees and the employing official wishes to request that the personnel officer consider utilizing a

combined eligible list, or if special or outstanding qualifications are desirable for the position under consideration, these requests shall be noted on the requisition. [Statutory Authority: RCW 28B.16.100. 78-02-094 (Order 65), § 251-18-230, filed 1/30/78; Order 61, § 251-18-230, filed 8/30/77, effective 10/1/77; Order 3, § 251-18-230, filed 1/15/71.]

Certification from eligible lists will be made in the manner and in the strict order of priority provided in subsections (3) and (4) of this section.

(2) In the case of certification made from an institution-wide layoff list, the personnel officer shall certify the eligible with the greatest layoff seniority. If there are no eligibles on the institution-wide layoff list for the class, the personnel officer shall certify to the employing official two more names than there are vacancies to be filled by the certification in strict order of standing on the eligible list(s); except that if there are no existing promotional eligible lists at the time of certification, and there are eligibles on the special employment program layoff lists, the certification will be limited to the senior eligible on the list.

(3) When it is necessary to use more than one eligible list to complete a certification, each eligible list must be exhausted before progressing to the next eligible list. Except as provided in subsection (4) of this section eligible lists shall be used for filling classified vacancies in the strict order of priority listed below:

- (a) Institution-wide Layoff List
- (b) Organizational Unit Promotion List
- (c) Institution-wide Promotion List

- (e) State-wide Layoff List
- (f) Open Competitive or Noncompetitive List.

(4) If the position for which certification is being made meets the HEPB definitions of administrative, executive, or professional employees and there are no eligibles on the institution-wide layoff list for the class, the personnel officer may elect to combine eligible lists provided in subsection (3)(b) through (f) of this section per the provisions of WAC 251-18-181. Certification from this combined eligible list shall be on the basis of two more names than there are vacancies to be filled by the certification, even if the lists contain persons from the special employment program layoff list. [Statutory Authority: RCW 28B.16.100. 78-02-094 (Order 65), § 251-18-240, filed 1/30/78; Order 61, § 251-18-240, filed 8/30/77, effective 10/1/77; Order 57, § 251-18-240, filed 3/18/77, effective 4/18/77; Order 44, § 251-18-240, filed 6/25/75; Order 41, § 251-18-240, filed 3/17/75; Order 39, § 251-18-240, filed 12/24/74; Order 32, § 251-18-240, filed 3/19/74; Order 21, § 251-18-240, filed 5/24/73; Order 14, § 251-18-240, filed 6/18/72; Order 4, § 251-18-240, filed 2/19/71.]

(2) Recruiting bulletins issued to establish lists of eligibles from which selective certification may be made must include the special qualifications and/or indicate that selective certification in accord with corrective employment program regulations may be utilized.

(3) The eligibles selectively certified shall be in strict order of their standing on the appropriate lists from among those meeting the approved selective criteria. When selective certification for corrective employment purposes as provided in subsection (1)(b) of this section does not result in a complete certification of two more names than there are vacancies to be filled, the personnel officer may complete the certification by adding the necessary number of names from the top of the appropriate eligible list as provided in WAC 251-18-240(3).

(4) The appointment of employees hired or promoted through selective certification will be reported monthly to the director. [Statutory Authority: RCW 28B.16.100. 80-08-073 (Order 84), § 251-18-250, filed 7/2/80; Order 63, § 251-18-250, filed 11/22/77; Order 61, § 251-18-250, filed 8/30/77, effective 10/1/77; Order 19, § 251-18-250, filed 12/20/72; Order 3, § 251-18-250, filed 1/15/71.]

WAC 251-18-270 Certification--Interview of candidates. The employing official shall interview each candidate certified prior to making an appointment, except when the eligible waives the interview. [Order 61, § 251-18-270, filed 8/30/77, effective 10/1/77; Order 38, § 251-18-270, filed 11/18/74; Order 3, § 251-18-270, filed 1/15/71.]

[Order 61, § 251-18-280, filed 8/30/77, effective 10/1/77; Order 21, § 251-18-280, filed 5/24/73; Order 4, § 251-18-280, filed 2/19/71.]

In the event an employee is on leave without pay for more than ten work days during the probationary period, the completion date of the probationary period shall be extended by an amount of time equal to the period of leave without pay.

(c) If the former position to which the employee has preemptive rights has been abolished and a vacant position in the class is not available, or if there is no class to which the reverted employee has preemptive rights, the affected employee shall be accorded such bumping rights and placement on layoff lists as would be provided in layoff from his/her former class.

(3) Reversion from trial service is not appealable to the Board when prior to the reversion the employee was provided written notice detailing the deficiencies in performance and specific changes required, and was given an opportunity to overcome the deficiencies. If it is determined that the employee cannot perform, as documented by a written performance review, the employee shall be placed on the appropriate layoff list or provided other transfer options as available. The director shall be notified on a monthly basis of the new positions in which the alternate appointment rule is used.

(3) Upon appointment via the provisions of this rule, the following shall apply:

(a) For voluntary demotion, the salary shall be determined by the personnel officer and the periodic increment date shall remain unchanged.

(b) For transfer within class or lateral movement, the salary and periodic increment date shall remain unchanged. [Order 61, § 251-18-346, filed 8/30/77, effective 10/1/77.]

WAC 251-18-380 Appointment--Instructional year. (1) Positions established for periods coinciding with the instructional year of the institution are to be filled in accord with chapter 251-18 WAC.

(2) Employees occupying such positions may be placed on leave of absence without pay by the appointing authority for the scheduled vacation periods coinciding with the instructional year. Such leave of absence does not constitute a break in service and shall not be deducted from the employees' length of service in granting periodic increments except as provided in WAC 251-08-100(3)(f), nor in computing the employee's annual leave accrual rate.

(3) The personnel officer will maintain position rosters indicating all extended instructional year positions within the layoff unit which will become available to instructional year employees during the scheduled vacation period, and will maintain a seniority listing of eligible employees. The personnel officer will post the rosters by April 1 of each year. Eligible employees will have fifteen calendar days after the posting to indicate their availability for the positions.

(4) Within the layoff unit, extended instructional year positions filled during the scheduled vacation period will

be filled by instructional year employees having the greatest institutional seniority.

(5) Transfers for instructional year employees will be handled in accord with the institution's transfer procedure as provided in WAC 251-18-346. [Statutory Authority: RCW 28B.16.100. 79-03-029 (Order 71), § 251-18-380, filed 2/27/79; Order 61, § 251-18-380, filed 8/30/77, effective 10/1/77; Order 21, § 251-18-380, filed 5/24/73; Order 12, § 251-18-380, filed 5/23/72, effective 6/25/72.]

WAC 251-18-390 Corrective employment programs.

(1) Upon approval of the director of the Higher Education Personnel Board and the executive secretary of the Human Rights Commission, corrective employment programs to increase the number of minorities, women and handicapped employees may be utilized by higher education institutions when the employer determines that employees of a particular group are under-utilized because of present or past practices or other conditions which resulted in limited employment opportunities.

(2) Corrective employment programs for classified personnel shall include the following:

(a) The inclusion within an affirmative action program established by each higher education institution for each year of goals and timetables for the employment and promotion of members of under-utilized groups. Written programs, goals and reports shall comply with state and federal regulations, following guidelines which affect the employer as a federal contractor;

(b) Provisions for ascertaining the race, national origin, age, handicap or sex of applicants for employment and promotion;

(c) Selective certification of minorities, women and handicapped persons from all eligible lists, except layoff (subject to the provisions of WAC 251-18-240);

(d) Provision for special training and development programs and selective appointment of female, minority and handicapped employees into the programs;

(e) Provision, when affirmative action goals are not achieved through normal recruiting means, to supplement the eligible list for a class as follows: When it is determined by the personnel officer that an eligible list for a class does not contain sufficient numbers of women, minorities or handicapped persons, applicants who are members of such groups and who meet the minimum qualifications for the class may be admitted to the examination at any time. Those who obtain a passing score will be placed on the appropriate eligible list provided they meet the same criteria and achieve the same required examination score as the original applicant group;

(f) Provision for women, minorities and handicapped persons to enter the employment or promotion process but not to exclude others from it. The rate of entry or promotion through selective certification of women, minorities and handicapped persons should not exceed a ratio of one out of three positions filled;

(g) Provision for suspending the use of selective certification of women, minorities, and handicapped persons whenever the condition of under-utilization has been

corrected for a job group within an institution's affirmative action plan; and provisions for reinstating selective certification when needed. [Statutory Authority: RCW 28B.16.100. 80-08-073 (Order 84), § 251-18-390, filed 7/2/80; Order 61, § 251-18-390, filed 8/30/77, effective 10/1/77; Order 57, § 251-18-390, filed 3/18/77, effective 4/18/77; Order 40, § 251-18-390, filed 1/23/75; Order 39, § 251-18-390, filed 12/24/74; Order 37, § 251-18-390, filed 10/15/74; Order 35, § 251-18-390, filed 7/23/74; Order 19, § 251-18-390, filed 12/20/72.]

WAC 251-18-400 Apprenticeship programs. (1) Apprentices shall be employed and compensated under conditions appropriate for the particular apprenticeable class which have been recommended by the joint apprenticeship committee as approved by the state apprenticeship council and the higher education personnel board. Each apprentice shall enter into a training contract with the joint apprenticeship committee and shall abide by its term and conditions.

(2) When an apprenticeship agreement is cancelled, the employee shall have the same reversionary employment rights he/she had available at the time of entering the apprenticeship program.

(3) When an employee moves into an apprenticeship program and he/she has a higher salary than is provided by the apprenticeship program, his/her salary shall be continued at the existing level until the employee has been in the apprenticeship program long enough to move onto the apprenticeship salary schedule without a reduction in salary.

(4) Incremental salary step increases shall be in accordance with the appropriate salary schedule but are not solely dependent upon time in grade. Objective evaluation of performance in on-the-job and related training may be justification to delay an incremental salary increase until training requirements for that step have been fulfilled. Conversely, objective evaluation of performance may be justification to advance incremental salary steps to the level equal to ability and training.

(5) Graduates from the apprenticeship program will be assigned to the mid-step of the journey scale and will remain until twelve months elapse before moving to the top step. Movement from the apprenticeship program into the journey class does not require competition and a trial service appointment is not required. [Order 61, § 251-18-400, filed 8/30/77, effective 10/1/77; Order 41, § 251-18-400, filed 3/17/75.]

WAC 251-18-410 Special employment programs. (1) Special employment programs are those programs designated by the director which are designed and implemented to reduce unemployment and/or provide training opportunities to enable persons to become more employable. Special employment programs are funded in total, or in part, from sources other than the normal sources available to the institutions.

(2) Positions created for special employment programs are included in the regular classified service of an institution. Participants have the rights and benefits of

classified employees, except as precluded by WAC 251-10-035 or higher statutory authority. The primary distinction is that each institution shall establish a separate layoff unit to include all special employment programs. When special employment program positions are abolished or when an incumbent must be separated due to the salary or longevity mandates of Public Law 95-524, layoffs will occur as provided in WAC 251-10-035. [Statutory Authority: RCW 18B.16.100 [28B.16.100]. 79-07-096 (Order 76), § 251-18-410, filed 6/29/79, effective 8/1/79; Order 61, § 251-18-410, filed 8/30/77, effective 10/1/77; Order 44, § 251-18-410, filed 6/25/75.]

WAC 251-18-420 Appointment--Conversion of exempt position. (1) Incumbents of positions which are converted from exempt to classified service for the following reasons may be placed within the classified service as provided in subsections (2) through (9) of this section:

(a) When it has been determined that the exempt position does not meet the criteria for exemption per WAC 251-04-040(1), (3), (4) or (5) and thus is inappropriately exempt;

(b) When an organizational realignment has caused the exempt position to become inappropriately exempt by no longer meeting the criteria for exemption per WAC 251-04-040(1), (3), (4) or (5); or

(c) When an institution elects to convert a position which has been exempt per the provisions of WAC 251-04-040(5).

(2) An incumbent whose position is converted as indicated in subsection (1)(c) of this section must have served a minimum of one year in the position being converted in order to be subject to the provisions of this section.

(3) The incumbent shall not be required to pass a qualifying examination or meet the minimum qualifications for entry into the class.

(4) The incumbent shall enter the classified position with permanent status unless he/she has been employed less than six months in the exempt position being converted, in which case he/she shall hold probationary status until a total of six months has been served.

(5) The incumbent shall be placed at the first step within the salary range or range extension which is not less than the current exempt salary.

(6) The periodic increment date shall be established based on the date of conversion to the classified service or the date of last salary increase, whichever is sooner. Those employees at or above the top step of the new range shall not be assigned a P.I.D.

(7) The incumbent shall be credited with unused accrued sick leave on the books at the time of conversion and shall continue to accrue at the rate of one day per month as provided in WAC 251-22-100.

(8) The incumbent shall be credited with unused accrued annual leave on the books at the time of conversion and shall accrue at the same rate as for classified employees as provided in WAC 251-22-060.

(9) Layoff seniority for the incumbent shall be established based upon unbroken service at the institution. [Statutory Authority: RCW 28B.16.100. 79-03-029 (Order 71), § 251-18-420, filed 2/27/79; Order 64, § 251-18-420, filed 12/23/77.]
