(2) **Members.** The authority consists of the governor; the lieutenant governor; the insurance commissioner; the chairman of the Washington state hospital commission; and one public member appointed by the governor on

the basis of his or her interest or expertise in health care delivery, and confirmed by the senate for a term of four years. If the public office of any of the first four mentioned members is abolished, the resulting vacancy on the authority shall be filled by the officer who shall succeed substantially to the powers and duties thereof.

(3) **Officers.** The officers of the authority shall be a chairman, who shall be the governor, and a secretary. The secretary shall hold office for two years, or until his or her successor is later elected, and shall be elected by a majority vote of the members from among themselves. Whenever a vacancy occurs in the office of secretary, the members of the authority shall elect a successor who shall serve out the remaining term.

(4) **Authority staff:** The staff of the authority shall consist of an executive director and such other employees as are determined by the authority as necessary to fulfill its responsibilities and duties. The executive director shall be the chief administrative officer of the authority and subject to its direction. All other staff shall be under his or her supervision and direction. The executive director shall keep a record of the proceedings of the authority and, when required by the authority, shall sign notes, contracts and other instruments. The executive director shall have custody of and be responsible for all moneys and securities of the authority and shall deposit all such moneys forthwith in such banks as the authority may designate from time to time.

(5) **Administrative office:** The administrative office of the authority shall be located at 504 E. 14th, Suite 130 Olympia, Washington 98504, which office shall be open each day for the transaction of business from 8:00 a.m. to 5:00 p.m. (Saturdays, Sundays and legal holidays excepted, and except for business relating to public records, which is governed by WAC 247-12-050).

The authority reserves the right to make whatever determination is fair and equitable should any question not covered by its rules come before the authority, said determination to be in accordance with the spirit and intent of the law.

(2) Authority meetings: The meetings of the authority shall all be "special meetings" as that designation is applied in chapter 42.30 RCW. They may be called at any time and place by the chairman or a majority of the members of the authority. At least ten days' notice of all special meetings shall be given by delivering personally or by mail to each member a written notice specifying the time and place of the meeting and a copy of the agenda prepared by the executive director in consultation with the chairman, and by giving such notice to the public as may be required by law. If an emergency is deemed to exist, the chairman may shorten the notice period to not less than twenty-four hours. An executive session may be called by the chairman or by a majority of all members of the authority to consider the appointment, employment or dismissal of an officer or employee, and such other matters as are permitted by RCW 42.30.110.

(3) Quorum: Three members shall constitute a quorum, and the act of a majority of the members present at any meeting, if there is a quorum, shall be deemed the act of the authority except as specified hereafter in WAC 247-02-050(7).

Such resolutions shall be adopted upon the affirmative vote of a majority of the members of the authority and shall be signed by a majority of the members of the authority. (c) The proposed project and the issuance of bonds by the authority for such project are economically feasible and can be undertaken on terms economically satisfactory to the authority;

(d) The proposed health care facility, if completed as described in the application, will carry out the purposes and policies of the act;

(e) The applicant has satisfied the authority that substantially all of the savings realized by the applicant from the availability of financing through tax-exempt bonds, as contrasted to financing through taxable debt, will be passed on by the applicant to its patients;

(f) The applicant has reasonably satisfied the requirements of the act and these regulations; and

(g) Other criteria that the authority has determined are appropriate factors in its decision-making process have been met.

(3) The authority may approve an application and a bond resolution on a conditional basis where the criteria of WAC 247-16-070(2) have been met and pending satisfaction of such other conditions or requirements as the authority shall determine to be reasonable and necessary in order to carry out the purposes, policies and requirements of the act and these regulations. The applicant shall be notified in writing of such conditions or

requirements, which may include, but need not be limited to, the amendment of an application or proposed bond resolution in order to meet the availability of funds, changes in costs, or other purposes or circumstances which may enhance the ability of the authority or the applicant to complete the project or better serve the purposes and policies of the act. Upon the satisfaction of such additional conditions or requirements, the application shall be deemed approved pursuant to WAC 247-16-070(2).

(4) The authority may also deny an application; in such event, it shall notify the applicant of such action, specifying in writing the reasons for its denial. (1) The applicants may select an investment banking firm as senior managing underwriter for its proposed financing, subject to review and approval by the authority. In every instance, the senior manager selected must be able to demonstrate a familiarity, competence and experience in the structuring and sale of health care facility bonds. The applicant shall notify the authority in writing of its proposed senior manager selection fifteen days prior to the date it intends to enter into a formal contractual agreement. The authority will notify the applicant of its acceptance or rejection of the applicant's senior manager selection no later than ten days after receipt of the applicant's notification. If rejected, the authority will set forth the reasons for rejection, and the applicant will then propose another senior manager, subject to authority approval in the same manner.

(2) To provide balanced management knowledge and sale distribution and to assure the most realistic bond terms and interest, the authority reserves the right to name investment banking firms as co-managers of any authority bond issue(s). The authority will not name an investment banking firm or firms as a co-managing underwriter or co-managing underwriters on bond issues of less than \$10 million unless the authority determines that special circumstances so require. On issues of more than \$10 million the authority will name a co-manager or co-managers for each issue. The authority will also review the division of the management fee in each instance where a co-manager is named. While the authority will actually select the co-managers, it will consider recommendations from the applicant as to the selection of any co-manager or co-managers.

In each instance, the applicant will be given a written notification fifteen days prior to the authority's actual designation of an investment banking firm or firms as a

co-manager on a particular bond issue. [Statutory Authority: RCW 73.37.050 [70.37.050]. 81-24-038 (Order 9, Resolution 81-1), § 247-16-090, filed 11/25/81.]

WAC 247-16-100 Selection of a feasibility consultant. The authority shall maintain a list of management and accounting firms which it deems qualified to conduct feasibility studies for the applicants. The applicant's selection of a firm from the approved list shall constitute authority approval. In the event an applicant wishes to select a firm not on the approved list, the authority will review the proposed firm's qualifications on a case-by-case basis, based on its familiarity, competence, and experience in health care management and accounting. The applicant shall not enter into any contractual agreement with a management or accounting firm not on the approved list until written approval has been granted by the authority. [Statutory Authority: RCW 73.37.050 [70.37.050]. 81-24-038 (Order 9, Resolution 81-1), § 247-16-100, filed 11/25/81.]
