**WAC 478-136-010 Use of university facilities-- General policy.** The University of Washington is an educational institution provided and maintained by the people of the state in order to carry out its broad mission of teaching, research and public service. The purpose of this policy is to assure that all facilities operated by the university are reserved primarily for educational, cultural or recreational activities related to that mission. Further, the use of each facility may be maximized, so long as the basic function the facility was intended to serve is protected (e.g., instruction, research, public assembly, student activities, recreation, etc.). [Statutory Authority: RCW 28B.20.130(1). 82-16-001 (Order 82-2), § 478-136-010, filed 7/22/82, effective 10/1/82; Order 73-2, § 478-136-010, filed 1/10/73.]

**WAC 478-136-012 Definitions.** (1) "Facilities" includes all structures, grounds, parking lots, waterfront, and airspace.

(2) "Use of facilities" includes the holding of events, the posting and removal of signs, all forms of advertising, commercial activities, and charitable solicitation.

(3) "Approved event" means a use of university facilities which is sponsored by an academic or administrative unit and which has been determined to be appropriate by the committee on the use of university facilities. [Statutory Authority: RCW 28B.20.130(1). 82-16-001 (Order 82-2), § 478-136-012, filed 7/22/82, effective 10/1/82.]

**WAC 478-136-015 Administrative responsibilities.** (1) The board of regents delegates to the president of the university the authority to regulate the use of university facilities.

(2) Under this authority, the president has appointed the committee on the use of university facilities to provide for proper review of the use of university facilities; to establish within the framework of this policy, guidelines and procedures governing such use; and to establish policies regarding fees and rental schedules where appropriate. Inquiries concerning the use of university facilities may be directed to the secretary of the committee, 400 Administration Building (AI-10), 543-2560.

(3) Sponsorship of an event by an academic or administrative unit of the university implies that professional judgment has been applied to the content of the program, the qualifications of the individuals conducting the event, the manner of presentation, and that the event is consistent with the teaching, research, and/or public service mission of the university.

(4) Approval of a facilities use request by the committee on the use of university facilities implies the proposed event has been reviewed with regard to the general

facilities policy; the direct and indirect costs to the institution; environmental, health and safety concerns; wear and tear on the facilities; appropriateness of the event to the specific facility; and the impact of the event on the campus community, surrounding neighborhoods and the general public.

(5) Individuals who violate the university's use of facilities regulations will be advised of the specific nature of the violation and, if they persist, will be requested to leave university property. Failure to comply with such a request will subject such individuals to arrest under provisions of RCW 9A.08.080 (Criminal trespass—Penalty—Defense), City of Seattle 12A.08.040 (Criminal trespass), or other applicable laws. [Statutory Authority: RCW 28B.20.130(1). 82-16-001 (Order 82-2), § 478-136-015, filed 7/22/82, effective 10/1/82.]

**WAC 478-136-020 Repealed.** See Disposition Table at beginning of this chapter.

**WAC 478-136-025 Users.** (1) Faculty, staff, registered or official student organizations may use university facilities to hold events for faculty, staff and students provided such uses comply with the general policy on the use of university facilities. They do not, however, require either academic or administrative unit sponsorship or approval by the committee on the use of university facilities.

(2) Faculty, staff, registered or official student organizations may use university facilities to hold events to which the general public is invited when the event has academic or administrative unit sponsorship and the approval of the committee on the use of university facilities.

(3) Nonuniversity organizations may use university facilities to hold events which are sponsored by a university academic or administrative unit and approved by the committee on the use of university facilities. The general public may be invited to such events.

(4) Use of facilities by groups for religious purposes is permitted on the same basis as for nonreligious purposes as long as the use by groups for religious purposes does not dominate access to facilities. [Statutory Authority: RCW 28B.20.130(1). 82-16-001 (Order 82-2), § 478-136-025, filed 7/22/82, effective 10/1/82.]

**WAC 478-136-030 Limitations on use.** (1) University facilities may not be used in ways which obstruct or disrupt university operations, the freedom of movement, or any other lawful activities.

(2) Faculty, staff, registered or official student organizations may use university facilities to present educational forums regarding ballot propositions and/or candidates who have filed for public office as long as the audience is limited to university faculty, staff and students. However, state law (RCW 42.17.130) prohibits "the use of any of the facilities of a public office or agency, directly or indirectly, for the purpose of assisting a campaign for election of any person to any office or for the promotion of or opposition to any ballot proposition."

(3) University facilities may not be used for private or commercial purposes such as sales, advertising, or promotional activities unless such activities serve an educational purpose, as determined by the committee on the use of university facilities.

(4) The distribution of handbills, pamphlets and similar materials is not permitted in those areas of campus to which access by the public is restricted or where such distribution would significantly impinge upon the primary business being carried on. Handbills and similar printed materials may not be left in the *Daily* distribution boxes or left for distribution anywhere else on campus.

(5) Charitable solicitation is not permitted in those areas of the campus to which access by the public is restricted or where such solicitation would significantly impinge upon the primary business being carried on.

(6) Electronic amplification on the grounds of the campus is prohibited with the following exceptions:

(a) The lawn area immediately west of the student union building will be available for open-air speaking events using directional and volume-controlled speech amplification equipment provided by the university. Use of the student union building lawn site will be available to registered or official student organizations and faculty or staff groups on a first-come, first-served basis. The amplification system will be issued upon presentation of a currently valid student, faculty or staff identification card at the Student Union Reservation Office, 104C Student Union Building.

(b) The committee on the use of university facilities may grant permission, under special circumstances, for the use of other amplification equipment on the lawn site west of the student union building or in other outdoor locations. Permission should be requested through the Secretary to the Committee, 400 Administration Building (AI-10), 543-2560, sufficiently in advance of the program to allow timely consideration. [Statutory Authority: RCW 28B.20.130(1). 82-16-001 (Order 82-2), § 478-136-030, filed 7/22/82, effective 10/1/82; Order 73-2, § 478-136-030, filed 1/10/73.]

**WAC 478-136-040 Reservation and approval procedures.** (1) To reserve a university facility when neither sponsorship or committee approval is needed (WAC 478-136-025 (1)), contact the office responsible for scheduling the particular facility desired and reserve it for the time and date needed. (There are different scheduling offices for academic classrooms, Kane Hall, the Student Union Building, Hec Edmundson Pavilion, Meany Hall, Lake Wilderness, the residence halls, etc.)

(2) For an event utilizing university facilities where academic or administrative unit sponsorship and the approval of the committee on the use of university facilities is required (see WAC 478-136-030(2) and (3)), the following procedures are applicable. Individuals wishing to reserve a room should:

(a) Contact the office responsible for scheduling the particular facility desired to reserve space tentatively for the time and date needed. The scheduling office will provide a "Request for use of university facilities" form.

(b) Contact either an academic or an administrative unit of the university which would be willing to sponsor the event. The department chair, director, or head of the sponsoring unit is required to sign the use of university facilities form.

(c) Return the signed form to the scheduling office. The scheduler must complete the form and forward it to the secretary of the committee on the use of university facilities.

(d) The request will be reviewed by members of the committee or its representative and either approved or disapproved. The applicant will be sent a copy of the use of facilities form, usually within ten days indicating disposition of the request. [Statutory Authority: RCW 28B.20.130(1). 82-16-001 (Order 82-2), § 478-136-040, filed 7/22/82, effective 10/1/82; Order 73-2, § 478-136-040, filed 1/10/73.]

**WAC 478-136-050 Repealed.** See Disposition Table at beginning of this chapter.

**WAC 478-136-060 Safety and liability.** (1) It is the responsibility of any person or organization requesting the use of university facilities to ensure that the proposed use will be carried out in a manner that assures the safety of all persons concerned. Compliance with applicable fire, health and safety regulations is required.

(2) Permission to a nonuniversity organization or to a registered or official student organization for the use of university facilities is granted with the express understanding and condition that such organization assumes full responsibility for any loss, damage or claims arising out of such use.

When the event involves physical activity, or otherwise will increase the risk of bodily injury above the level inherent in the facilities to be used, proof of appropriate liability insurance coverage with limits of at least \$1,000,000 per occurrence must be provided to the university's office of risk management before approval for the requested use will be granted. [Statutory Authority: RCW 28B.20.130(1). 82-16-001 (Order 82-2), § 478-136-060, filed 7/22/82, effective 10/1/82.]

Incorporated cities outside federal urban areas shall, in preparing and implementing their urban arterial programs, follow the design standard "collector arterial" found in the design standards for urban arterials in the state of Washington dated July 30, 1981.

**WAC 479-16-070 Standards for functional classification of urban arterials.** All roads and streets of each county and city lying within or having within its boundaries a federal urban area shall be divided by the county or city into arterial roads or streets and access roads or streets. Arterial roads or streets shall be established and subdivided into three functional classes to be known as principal arterials, minor arterials, and collector arterials in accordance with uniform standards established by the urban arterial board in compliance with the federal classification system. Incorporated cities lying outside federal designated urban areas are not required to divide their roads and streets by functional class.

All new roads or streets within federal urban areas that are under construction, have right of way acquired, or are definitely programmed for funding and construction shall be evaluated and functionally classified. New roads or streets planned for in regional comprehensive land use studies, and which represent the participation and joint planning efforts of all levels of government, shall be considered to approach a committed status and may be functionally classified. Projected routes to meet future transportation requirements may be designated and functionally classified when:

(1) Such routes are included in the transportation study relating to the comprehensive land use studies in regions where such plans exist;

(2) such routes are included in the comprehensive plan of the local agency of jurisdiction, have been reviewed by adjacent or other affected agencies, and are integrated with routes contained in the comprehensive plans of adjacent agencies.

All roads or streets within federal urban areas not classified as principal arterials, minor arterials, or collector arterials shall be identified as access roads or streets.
