All delayed payments shall be brought up to date immediately upon the director's confirmation and continue to be paid on each originally scheduled payment date thereafter.

(11) If any prize is payable for the life of the claimant, only a natural person may claim such a prize and, if claiming on behalf of a group, corporation or the like, the life of such natural person claiming the prize shall be the measuring life.

(12) The director's decisions and judgments in respect to the determination of a winning ticket or of any other dispute arising from the payment or awarding of prizes shall be final and binding upon all participants in the lottery.

(13) Each lottery retailer shall pay all prizes authorized to be paid by the lottery retailer by these rules during its normal business hours at the location designated on its license.

A statement signed by the lottery retailer which details the circumstances under which the identification card was lost, mutilated, or destroyed and certifies that such identification card was, in fact, lost, mutilated or destroyed, shall accompany such application. WAC 315-10-030 Instant games criteria. (1) The price of an instant game ticket shall not be less than \$1.00 and not more than \$5.00.

(2) Winners of an instant game are determined by the matching or specified alignment of the play numbers on the tickets. The ticket bearer must notify the lottery of the win and submit the winning ticket to the lottery as specified by the director. The winning ticket must be validated by the lottery through use of the validation number and/or any other means as specified by the director.

(3) The total of all prizes available to be won in an instant game shall not be less than forty-five percent of the instant game's projected revenue.

(4) The instant game shall pay out both lower tier prizes and higher tier prizes. Lower tier prizes are of less than \$25.00. Higher tier prizes are of \$25.00 or more. The director shall determine the number of lower and higher tier prizes.

(5) The start date and closing date of the instant game shall be publicly announced. Lottery retailers shall not sell any tickets prior to the start date of a game unless expressly authorized by the director. Lottery retailers may continue to sell tickets for each instant game for up to fourteen days after the official end of game as authorized by WAC 315-10-060.

(6) There is no required frequency of drawing or method of selection of a winner in an instant game.

(7) At the director's discretion, an instant game may include a grand prize drawing(s). The criteria for the grand prize drawing shall be as follows:

(a) Finalists for a grand prize drawing shall be selected in an elimination drawing(s) from redeemed tickets meeting the criteria stated in specific game rules as determined by the director. Participation in the elimination drawing(s) shall be limited to such tickets which are actually received and validated by the director on or before a date to be announced by the director. The director may reserve the right to place any semi-finalist whose entry was not entered in the elimination drawing(s) and who is subsequently determined to have been entitled to such entry into an elimination drawing of a subsequent instant game, and the determination of the director shall be final.

(b) The number of prizes and the amount of each prize in the grand prize drawing(s) shall be determined by the director to correspond with the size and length of the instant game and to comply with subsection (3) of this section.

(c) The dates and times as well as the procedures for conducting the elimination drawing and grand prize drawing shall be determined by the director.

(8) Procedures for claiming instant game prizes are as follows:

(a) To claim an instant game prize of less than \$25.00, the claimant shall present the apparent winning ticket to the lottery retailer from whom the ticket was purchased. The lottery retailer shall verify the claim and, if acceptable, make payment of the amount due the claimant. In the event the lottery retailer cannot verify the claim, the claimant shall fill out a claim form, as provided in WAC 315-06-120, which shall be obtained from the lottery retailer and present the completed form, together with the disputed ticket to the director. If the claim is validated by the director, a check shall be forwarded to the claimant in payment of the amount due. In the event that the claim is not validated by the director, the claim shall be denied and the claimant shall be promptly notified.

(b) To claim an instant prize of \$25.00 or more, the claimant shall complete a claim form, as provided in WAC 315-06-120, which is obtained from the lottery retailer or the director and mail the completed form together with the winning ticket to the director. Upon validation by the director, a check shall be forwarded to the claimant in payment of the amount due, less any applicable federal income tax withholding. In the event that the claim is not validated by the director, the claim shall be denied and the claimant shall be promptly notified.

(c) To claim an instant prize pursuant to WAC 315-10-070(2), the claimant shall notify the lottery of the claim and request reconstruction of the ticket not later than one hundred eighty days after the official end of that instant game. If the director authorizes reconstruction, the ticket shall not be validated nor the prize paid prior to the one hundred eighty-first day following the official end of that instant game. A ticket(s) validated pursuant to WAC 315-10-070(2) shall not entitle the claimant entry into the grand prize drawing, if any, for that or any subsequent instant game.

(d) Any ticket not passing all the validation checks specified by the director is invalid and ineligible for any prize and shall not be paid. However, the director may, solely at his or her option, replace an invalid ticket with an unplayed ticket (or tickets of equivalent sales price from any other current game). In the event a defective ticket is purchased, the only responsibility or liability of the director shall be the replacement of the defective ticket with another unplayed ticket (or tickets of equivalent sale price from any other current game). [Statutory Authority: RCW 67.70.040. 85-22-057 (Order 81), § 315-10-030, filed 11/5/85; 85-16-031 (Order 77), § 315-10-030, filed 7/30/85; 85-09-004 (Order 72), §

WAC 315-10-040 Confidentiality of tickets. No lottery retailer or its employees or agents shall attempt to ascertain the numbers or symbols appearing in the designated areas under the removable latex coverings or otherwise attempt to identify winning tickets. [Statutory Authority: RCW 67.70.040. 86-01-060 (Order 83), § 315-10-040, filed 12/16/85. Statutory Authority: 1982 2nd ex.s. c 7. 82-21-038 (Order 3), § 315-10-040, filed 10/15/82.]

WAC 315-10-060 Official end of game. (1) The director shall announce the official end of each instant game. A player may submit a low-tier winning ticket to the lottery retailer from whom the ticket was purchased or the lottery and a high-tier winning ticket to the lottery for prize payment up to one hundred and eighty days after the official end of game. In order to participate in a grand prize drawing a player must redeem a ticket which qualifies for entry into that grand prize drawing within the time limits set forth in chapter 315-11 WAC governing the conduct of that specific game.

(2) A lottery retailer may continue to sell tickets for each instant game up to fourteen days after the official end of that game.

(3) A lottery retailer must return to the lottery unsold lottery tickets for each game within thirty days of the official end of that game in order to receive credit from the lottery as provided for in director's instructions to lottery retailers or the interlocal cooperative agreement between the lottery and the state liquor control board. The lottery has no obligation to grant credit for tickets returned more than thirty days after the official end of game. [Statutory Authority: RCW 67.70.040. 86-01-060 (Order 83), § 315-10-060, filed 12/16/85; 85-09-004 (Order 72), § 315-10-060, filed 4/5/85; 84-05-008 (Order 51), § 315-10-060, filed 2/7/84; 84-01-004 (Order 42), § 315-10-060, filed 12/8/83.]

WAC 315-10-070 Ticket validation requirements. (1) To be a valid Washington state lottery instant game ticket, a ticket must meet all of the following validation requirements.

(a) The ticket must have been issued by the director in an authorized manner.

(b) The ticket must not be altered, unreadable, or tampered with in any manner.

(c) The ticket must not be counterfeit in whole or in part.

(d) The ticket must not be stolen nor appear on any list of omitted tickets on file with the lottery.

(e) The ticket must be complete and not blank or partially blank, miscut, misregistered, defective, or printed or produced in error.

(f) The ticket must have exactly one play symbol and exactly one caption under each of the rub-off spots, exactly one pack-ticket number, exactly one agent verification code, and exactly one validation number. They must be present in their entirety, legible, right-side up, and not reversed in any manner.

(g) The validation number of an apparent winning ticket shall appear on the lottery's official list of validation numbers of winning tickets; and a ticket with that validation number shall not have been previously paid.

(h) The ticket must pass all additional confidential validation requirements established by the director.

(2) The director may authorize reconstruction of an alleged winning ticket which was not received and/or cannot be located by the lottery. Provided, the person requesting reconstruction submits to the lottery sufficient evidence to enable reconstruction and that they have submitted a claim for the prize, if any, for that ticket. If the reconstructed ticket is a winning ticket and meets the validation requirements contained in subsection (1) of this section and the specific validation requirements contained in the rules for its specific game, the director may authorize payment of the prize. Provided, the ticket shall not be validated nor the prize paid prior to the one hundred eighty-first day following the official end of that instant game. A ticket(s) validated pursuant to this subsection shall not entitle the claimant entry into the grand prize drawing, if any, for that or any subsequent instant game.

(3) Any ticket not passing all the validation requirements in subsection (1) of this section and the specific validation requirements contained in the rules for its specific game is invalid and ineligible for any prize.

(4) The director may replace any invalid ticket with an unplayed ticket of equivalent sales price from any current instant game. In the event a defective ticket is purchased, the only responsibility or liability of the lottery shall be the replacement of the defective ticket with an unplayed ticket of equivalent sales price from any current instant game, or issue a refund of the sales price. However, if the ticket is partially mutilated or if the ticket is not intact but it still can be validated by other validation tests, the director may pay the prize for that ticket.
