#### **WAC 132X-60-130 Readmission after suspension.**

If the student has been suspended for an indefinite period, or feels that circumstances warrant reconsideration of the temporary suspension prior to its expiration, the student may be readmitted following approval of a written petition submitted to the dean of students. Such petitions must state reasons which support a reconsideration of the matter.

[Statutory Authority: RCW 28B.50.140. 88-21-071 (Order 88-1), § 132X-60-130, filed 10/18/88.]

#### **WAC 132X-60-140 Summary suspension procedures.**

(1) Initiation of summary suspension procedures. The dean of students, or designee, may suspend any student of the college for not more than ten academic calendar days pending investigation, action or prosecution on charges of alleged violation or violations of college policy, if the dean of students has reason to believe the student's physical or emotional safety and well-being, or the safety and well-being of other college community members, or the safety and well-being of the college property requires such suspension.

(2) Permission to enter or remain on campus. During the period of summary suspension, the suspended student shall not enter the campus of the college or any facility under the operation of the college other than to meet with the dean of students or to attend the hearing. However, the dean of students may grant the student special permission to enter a campus for the express purpose of meeting with faculty, staff, or students in preparation for the hearing.

(3) Notice of summary suspension proceedings.

(a) If the dean of students or designee finds it necessary to exercise the authority to summarily suspend a student, he/she shall give the student notice, orally or in writing, stating: The time, date, place, and nature of the alleged misconduct; the evidence in support of the charge(s); the corrective action or punishment which may be imposed against the student; that anything the student says to the dean may be used against the student; and that the student may either accept the disciplinary action or, within forty-eight hours or two work days following receipt of this notification, file at the office of the dean of students, a written request for a hearing by the student judicial board. If the request is not filed within the prescribed time, it will be deemed as waived.

(b) Appeal and hearing. If oral notice is given, it shall be followed by written notice within forty-eight hours or

two working days. The hearing shall be accomplished according to the procedures set forth in WAC 132X-60-100. Failure by the student to appear at the hearing with the student judicial board shall result in the dean of students or designee suspending the student from the college.

(c) Nothing herein shall prevent faculty members from taking reasonable summary action as may be reasonably necessary to maintain order when they have reason to believe that such action is necessary for the physical safety and well-being of the student, or the safety and protection of other students or of college property or where the student's conduct materially and substantially disrupts the educational process.

Such summary action in the form of removal from the classroom shall be effective for a period not to exceed two scheduled classroom days. Any summary action may be appealed to the dean of students for an informal hearing.

[Statutory Authority: RCW 28B.50.140. 88-21-071 (Order 88-1), § 132X-60-140, filed 10/18/88.]

**WAC 132X-60-150 Emergency procedures.** In the event of activities which interfere with the orderly operation of the college, the dean of students or the president, or their designees shall determine the course of action which appears to offer the best possibility for resolution of the problem. The emergency procedures outlined below will be followed if deemed essential:

(1) Inform those involved in such activities that they are in violation of college and/or civil regulations.

(2) Inform them that they should cease and desist. Indicate an area on campus where they are able to conduct their activities without interfering with the operation of the college, if such an area is available.

(3) If they do not respond within a reasonable time, call the civil authorities.
