WAC 60-12-010 Levy of assessment. (1) Pursuant to the National Beef Promotion and Research Program, 7 USC S 2901, et seq., RCW 16.67.120 and 16.67.122, the Washington state beef commission levies an assessment of one dollar per head on all Washington cattle sold in this state or elsewhere, provided that no assessment shall be collected with reference to the following:

(a) Sales by a person who purchased cattle solely for resale when such resale occurs within ten days from such person's purchase of the cattle and when any assessment due in connection with that original purchase has been paid. In order to qualify for this exception, such persons additionally must present a certification of their status under this section, a brand inspection certificate, a bill of sale or other documentation establishing the date of their purchase of the cattle. Such documentation must be presented at the time of sale to the person responsible for collecting the assessment.

(2) Assessments shall be paid by and shall be collected from the seller of the cattle. The term seller shall not include an agent or representative who is compensated in connection with the sale solely on a commission, handling fee or other service fee basis.

(3) Where a brand inspection is conducted in conjunction with a sale, brand inspectors employed by the state department of agriculture may collect the assessment from the seller of the cattle. Where no brand inspection is conducted in connection with the sale, the buyer of the cattle shall collect the assessment from the cattle seller at the time of the sale. All assessments so collected shall be transmitted directly to the Washington state beef commission by the fifteenth of the month after the month of collection.
