WAC 250-66-030 Nomination and selection of Washington state scholars. (1) Number of students to be nominated.

(a) Each principal of a public or private approved Washington high school is encouraged to nominate one percent of the senior class (twelfth grade) based on the October 1 enrollment count of the previous year.

(b) In the event that fewer than four nominations are anticipated in any one legislative district, the board shall seek additional nominations of students meeting eligibility criteria for that district from the high schools located in, and/or in legislative districts adjacent to, that legislative district.

(2) Selection committee.

(a) Following the receipt of the nomination forms, the higher education coordinating board shall convene a selection committee which shall have members representing public and private secondary and postsecondary education institutions, state agencies, and private sector associations. This selection committee shall review all nominations based upon selection criteria that shall include, but not be limited to, academic excellence, leadership ability, and community contributions.

(b) Conditioned upon when the anticipated nomination shortfall is recognized, as defined in subsection (1)(b) of this section, the additional nominations received may undergo review with the general nomination pool or, separately, as

soon thereafter as practicable and in a manner consistent with regular committee procedure and selection criteria.

(3) Selection. The Washington scholars selection committee shall designate three Washington scholars and one Washington scholars-alternate in each legislative district from among the population of graduating high school seniors nominated for the award.

Recipients shall be identified by a ranking of nominees within each legislative district in descending order according to the final, aggregate numeric scores assigned to each individual in the review process. The three individuals achieving the highest scores in each legislative district shall be named to the Washington scholars award, and the individual receiving the fourth highest score in each legislative district shall be named to the Washington scholars-alternate award.

(4) Notification. After the final selections have been made, the higher education coordinating board shall notify the students so designated, their high school principals, the legislators of their respective districts, and the governor.

(5) Certificates and awards ceremony.

(a) The board, in conjunction with the governor's office, shall prepare appropriate certificates of recognition to be presented to the Washington state scholars recipients and Washington scholars-alternate recipients.

(b) An awards ceremony on behalf of the three students named to the Washington state scholars award in each legislative district shall be planned annually, at an appropriate time and place, by the board in cooperation with the Washington association of secondary school principals.

(6) Receipt of award. Washington state scholars and Washington scholars-alternates shall be deemed to have received their awards effective the date of notification. This is in contrast to the receipt of award benefits which may accrue to Washington state scholars and Washington scholars-alternates recipients in the form of tuition and fee waivers and grants, and which shall be deemed to be received by the individual recipients on a term-by-term basis at the time the award benefit is used for undergraduate coursework.

WAC 250-66-040 Recipient eligibility. (1) Eligibility criteria. (a) Be a resident of the state of Washington.

(b) Have attended high school in the state of Washington.

(c) Be a designated and fully recognized recipient of the Washington state scholars award, or the Washington scholars-alternate award.

(d) Have entered a public institution of higher education or independent college or university in the state of Washington within the applicable time frame, as described herein:

(i) Washington state scholars named to the award prior to the year 2000 must enter a public institution of higher education or an independent college or university in the state of Washington within three years of high school graduation.

(ii) Washington scholars named to the award in or after the year 2000 must:

(A) Within the time frame and in the manner established by the board, acknowledge acceptance of the grant benefit and demonstrate the intent to enroll at a Washington public or independent college or university in the fall academic term immediately following high school graduation.

(B) Be enrolled at a Washington institution of higher education by the fall term immediately following high school graduation, and maintain continuous enrollment during the remainder of the regular academic year.

(iii) Washington scholar-alternates. Washington scholars-alternates initially receive a recognition certificate only. Alternates may receive the grant only if an originally named Washington state scholar in the same legislative district relinquishes, or is considered by the board to have forfeited, the grant award within one calendar year of initial award notification, and if funds are available for this purpose. The alternate also must meet all other eligibility criteria, as follows:

(A) Acknowledge acceptance of the grant benefit and demonstrate the intent to enroll at a Washington institution of higher education in the next available academic term, within the time frame and in the manner established by the board.

(B) Be enrolled, and maintain continuous enrollment, for the balance of the remaining regular academic year at a Washington institution of higher education.

(e) Be a student enrolled in undergraduate studies.

(f) Maintain a minimum cumulative grade point average of 3.30 on a 4.0 scale, or the equivalent, at a public institution of higher education or independent college or university.

If the student's cumulative grade point average falls below 3.30 during the first three quarters or two semesters, that student may petition the higher education coordinating board which shall have the authority to establish a probationary period until such time as the student's grade point average meets required standards. A student who has received probationary status from the higher education coordinating board shall remain eligible to receive a waiver or grant during such probationary period.

(g) Not be pursuing courses that include any religious worship or exercise, or any degree in religious, seminarian, or theological academic studies.

(2) Waiver of enrollment requirements. Washington state scholars named to the award in or after the year 2000, and Washington scholars-alternates who have accepted the remaining value of an award benefit relinquished by the original Washington scholar recipient, may petition the board, which shall have the authority to waive the enrollment requirements based on the exceptional mitigating circumstances of the individual grant recipients.

Those Washington scholars and Washington scholars-alternates who do not meet eligibility criteria as defined in subsection (1)(a) through (g) of this section, and for whom the enrollment requirements are not waived by the board, shall be deemed to have withdrawn from college, and the grant award for that scholar shall be considered relinquished and forfeit.

(3) Duration of eligibility. Subject to criteria set forth in subsection (1) of this section, individual recipients of the Washington state scholars award shall be eligible for award benefits not to exceed a cumulative maximum of eight semesters or twelve quarters total of waiver and/or grant benefits for undergraduate coursework.

Subject to criteria set forth in subsections (1) and (2) of this section, Washington scholar-alternates may be eligible to receive the values remaining in a grant benefit relinquished by a Washington scholar originally named to the award, not to exceed a cumulative maximum of eight semesters or twelve quarters total of undergraduate coursework.

(4) Transferability. Recipients of the Washington state scholars award and the Washington scholars-alternate award may transfer between public institutions of higher education and independent colleges and universities in the state of Washington provided that the cumulative terms of waivers of tuition and service and activities fees and/or grants received by any one recipient does not exceed eight semesters or twelve quarters.

WAC 250-66-045 Grant amounts and usage. (1) Grant amounts.

(a) Maximum grant award value. State grants to individual recipients shall not exceed, on an annual basis, the yearly, full-time, resident, undergraduate tuition and service and activities fees in effect at the state-funded research universities.

(b) Calculation of individual award amounts.

(i) The value of individual grants shall be calculated annually, as a prorated amount of the annual appropriation and based upon the number of eligible scholars attending participating institutions, the tuition costs at those institutions, and limited to the funds appropriated to the board for the program.

(ii) Individual recipients may receive state grants that do not exceed the cost of tuition and service and activities fees for which they are enrolled at the institution attended. Should funds be insufficient to cover all recipients at the full cost of tuition, subject to the maximum grant award value, the value of all award payments in the given payment term shall be reduced proportionally by the same percent to avoid overexpenditure of the appropriated funds.

(iii) Grants to recipients attending a Washington independent institution shall also be contingent upon the institution matching, on at least a dollar-for-dollar basis, either with actual institutional moneys or a waiver of tuition and fees, the grant amount the student receives from the state.

If the independent institution chooses to match the grant with actual cash rather than by waiver of tuition/fees, the institutional match shall consist of dollars derived from institutional grant aid funds.

(2) Priorities in funding grants. Grants shall be funded contingent upon appropriated funds available and subject to the following priorities:

(a) First priority in funding of grants shall be to Washington scholars attending eligible institutions during the regular academic year and who are identified to the board by the enrolling institution no later than the twentieth day of the fall term as having enrolled or who are planning to enroll in a subsequent term during the regular academic year.

(b) Second priority in funding of grants shall be to Washington scholars identified to the board by the enrolling institution after the twentieth day of the fall term as having enrolled or who are planning to enroll in a subsequent term during the regular academic year.

(c) Third priority in funding of grants shall be to Washington scholars enrolling in eligible institutions for the summer term.

(3) Washington scholars eligible for grants shall be responsible for payment of tuition and service and activity fees or make arrangement with the institution for payment of tuition and service and activity fees. The state grants may be used to pay for any valid educational expense, including, but not limited to, tuition and service and activity fees, books and supplies, transportation, room and board, and miscellaneous/personal costs.
