WAC 284-20-006 Washington Insurance Examining Bureau, Inc.—Audits to test adherence to rate filings. (1) In performing the duty of determining that lawful premiums are being charged, the commissioner finds that it is not reasonable or necessary, with regard to any kind of insurance, to

mandate that data relating to all policies issued be submitted for examination. The commissioner finds, however, as to all kinds of insurance falling within the scope of chapter 48.19 RCW, that occasions may arise where documents with respect to certain policies should be submitted for examination in order to determine that lawful rates are being charged. The required submission should be on a random audit basis or by designation of certain specific policies.

(2) Based on the preceding subsection and under RCW 48.19.410 every insurer authorized to write property or casualty insurance in the state of Washington:

(a) May submit to the Washington Insurance Examining Bureau, Inc., for examination, the following information that relates to property insurance as defined in RCW 48.11.040:

- (i) Any policies and the related daily reports;
- (ii) Binders;
- (iii) Renewal certificates;
- (iv) Endorsements; and
- (v) Other evidences of insurance or the cancellation of insurance.

(b) Shall make available to the bureau, the information listed in (a)(i) through (v) of this subsection:

(i) When directed to do so by the commissioner regarding a specifically identified policy; and

(ii) As may be required by the commissioner for purposes of random audits designed to test the companies' adherence to rate filings.

[Statutory Authority: RCW 48.02.060, 48.30.010, 48.01.030, 48.05.280, 48.15.100 and 48.15.170. 98-22-109 (Matter No. R 98-13), § 284-20-006, filed 11/4/98, effective 12/5/98. Statutory Authority: RCW 48.02.060, 82-02-024 (Order R 81-9), § 284-20-006, filed 12/30/81.]

WAC 284-20-010 Standard fire policies. (1) This regulation is promulgated pursuant to RCW 48.18.120(1) to define and effect reasonable uniformity in all basic contracts of fire insurance.

(2) All policies which include coverage against loss or damage by fire are hereby defined to be basic contracts of fire insurance unless they come within the scope of insurance code provisions, or regulations adopted by the commissioner, providing that they may be regarded as marine, inland marine, vehicle, or casualty policies.

(3) Except for the provisions of the next succeeding three paragraphs, no company shall issue any basic contract of fire insurance covering property or interest therein in this state other than on the form known as the 1943 New York Standard Fire Insurance Policy, herein referred to as the "standard fire policy": Provided, however, That such form shall be modified to conform to RCW 48.18.290 with respect to the number of days' notice of cancellation required. In addition, such form shall be modified as necessary to conform to WAC 284-20-020 with respect to inception and expiration times. Such modifications may be by endorsement.

(a) Insurers issuing a standard fire policy pursuant to this regulation are hereby authorized to affix thereto or include therein a written statement that the policy does not cover loss or damage caused by nuclear reaction or nuclear radiation or radioactive contamination, all whether directly or indirectly resulting from an insured peril under said policy: Provided, however, That nothing herein contained shall be construed to prohibit the attachment to any such policy of an endorsement or endorsements specifically assuming coverage for loss or damage caused by nuclear reaction or nuclear radiation or radioactive contamination provided such assumption clause has been filed with and approved by the commissioner in accordance with RCW 48.18.100.

(b) The pages of the standard fire policy issued pursuant to this regulation may be renumbered and the format rearranged for convenience in the preparation of individual contracts, and to provide space for the listing of rates and premiums for coverages insured thereunder or under endorsement attached to or printed thereon, and such other data as may be conveniently included for duplication on daily reports for office records.

(c) As an alternative form, a form written in clear, understandable language, which provides terms, conditions and coverages not less favorable to the insured than the "standard fire policy," may be used. Such alternative form may be incorporated in or integrated within a form providing other or additional coverages, as, for example, a homeowners policy or a special multiperil policy. The intent of this subsection is to permit understandable plain language policies and package policies without diminishing any rights an insured would have under the 1943 New York Standard Fire Insurance Policy.

(d) By use of such alternative form, an insurer certifies that it is not less favorable to the insured than the "standard fire policy." If, in the adjustment of claims, any provision of the "standard fire policy" applicable to such claims is found to be more favorable to the insured than the alternative form used, then provisions of the "standard fire policy" shall govern.

[Order R 77-2, § 284-20-010, filed 4/28/77; Rule 128, filed 3/14/61.]

WAC 284-20-020 Time of inception and expiration.

Every basic contract of fire insurance shall provide only 12:01 a.m. standard time as the time of inception and expiration. The contract, by endorsement or otherwise, shall also contain language in substance as follows: "To the extent that coverage contained in this policy replaces coverage in another policy terminating at a different hour on the effective date of this policy, this policy shall be effective at the same hour as the termination hour of the other policy."

[Statutory Authority: RCW 48.02.060, 48.30.010, 48.01.030, 48.05.280, 48.15.100 and 48.15.170. 98-22-109 (Matter No. R 98-13), § 284-20-020, filed 11/4/98, effective 12/5/98; Order R 77-2, § 284-20-020, filed 4/28/77.]

WAC 284-20-030 Purpose. (1) The purpose of this regulation, WAC 284-20-030 through 284-20-050, is to describe the kinds of risks and coverages that may be classified under the insurance code as marine, inland marine or transportation insurance. This regulation does not include all of the kinds of risks and coverages that may be written, classified or identified under marine, inland marine or transportation insuring

powers, nor shall it mean that the kinds of risks and coverages are solely marine, inland marine or transportation insurance in all instances.

(2) This regulation does not restrict or limit in any way the exercise of any insuring powers granted under charters and license.

[Statutory Authority: RCW 48.02.060, 48.30.010, 48.01.030, 48.05.280, 48.15.100 and 48.15.170. 98-22-109 (Matter No. R 98-13), § 284-20-030, filed 11/4/98, effective 12/5/98; Order R 77-3, § 284-20-030, filed 5/20/77; Rule made 7/31/53, filed 3/22/60.]

(a) Imports may be covered wherever the property may be and without restriction as to time, provided the coverage of the issuing companies includes hazards of transportation.

(b) An import, as a proper subject of marine or transportation insurance, is deemed to maintain its character as such, so long as the property remains segregated in such a way that it can be identified and has not become incorporated and mixed with the general mass of property in the United States, and is deemed to have been completed when the property has been:

(i) Sold and delivered by the importer, factor or consignee; or

(ii) Removed from place of storage and placed on sale as part of importer's stock in trade at a point of sale-distribution; or

(3) Domestic shipments.

(a) Domestic shipments on consignment, for sale, distribution, exhibit, trial, approval or auction, while in transit, while in the custody of others, and while being returned, provided that in no event shall the policy afford coverage on premises owned, leased or operated by the consignor.
