WAC 415-104-111 How is my LEOFF Plan 2 retirement allowance affected if I return to work after retirement? This rule applies to you if you are a LEOFF 2 retiree who returns to work in an eligible LEOFF, public employees' retirement system (PERS), public safety employees' retirement system (PSERS), school employees' retirement system (SERS), or teachers' retirement system (TRS) position.

(1) **If you return to employment in a LEOFF eligible position, you must reenter membership and your retirement allowance will stop.** When you separate from service, the department will calculate your retirement allowance according to this subsection.

(a) If you previously retired before age fifty-three, the department will:

(i) Calculate your retirement allowance pursuant to RCW 41.26.420 using:

(A) Your total years of career service, including service earned prior to your initial retirement and service earned after reentering membership; and

(B) Any increase in your final average salary resulting from your reentry into membership; and

(ii) Actuarially reduce your retirement allowance:

(A) Based on the present value of the retirement allowance payments you received during your initial retirement;

(B) To reflect the difference in the number of years between your current age and the attainment of age fifty-three, if you are not yet fifty-three; and

(C) To offset the cost of your benefit option if it includes a survivor feature. See WAC 415-104-215.

(b) If you previously retired at or after age fifty-three, the department will:

(i) Calculate your retirement allowance pursuant to RCW 41.26.420 using:

(A) Your total years of career service, including service earned prior to your initial retirement and service earned after reentering membership; and

(B) Any increase in your final average salary resulting from your reentry into membership; and

(ii) Actuarially reduce your retirement allowance to offset the cost of your benefit option if it includes a survivor feature. See WAC 415-104-215.

(c) Under no circumstances will you receive a retirement allowance creditable to a month during which you earned service credit.

(2) **If you enter employment in a PERS, PSERS, SERS, or TRS eligible position,** you have two options:

(a) You may decline membership in the PERS, PSERS, SERS, or TRS retirement system. Under this option, you will continue to receive your monthly LEOFF Plan 2 retirement allowance; or

(b) You may choose to become a member of the PERS, PSERS, SERS, or TRS retirement system. Under this option, your LEOFF Plan 2 retirement allowance will be suspended while you earn a retirement benefit in the other system. When you terminate employment in the PERS, PSERS, SERS, or TRS eligible position, you will resume receiving your LEOFF Plan 2 retirement allowance, along with a retroactive payment of your LEOFF Plan 2 retirement allowance for the time you were employed.

(i) Your **ongoing LEOFF Plan 2 retirement allowance** will include any cost of living adjustments (COLAs) that you would have received if your LEOFF allowance had not been suspended during the period of non-LEOFF employment.

(ii) Your **retroactive payment** will equal the sum of your suspended LEOFF Plan 2 retirement allowances, including COLAs, during the period of non-LEOFF employment. You may choose to receive your retroactive payment in either of the following forms:

(A) A lump sum; or

(B) An increase in your ongoing LEOFF Plan 2 retirement allowance on an actuarial basis. The amount of the increase is calculated by taking the lump sum amount and multiplying it by an actuarial factor that is determined by your age at the time your retirement allowance is resumed. See the table in WAC 415-02-340 for the actuarial factors.

WAC 415-104-112 Interim retirement allowance—Employer final compensation report—Final computation of retirement allowance—Adjustment of retirement allowance for errors. (1) At the time of a member's application for retirement, the department does not have all information necessary to make a final computation of the member's retirement allowance. The department shall compute an interim retirement allowance that shall be paid to the member until the department's final computation of the member's retirement allowance. The interim retirement allowance is an initial, estimated computation of the retiree's retirement allowance subject to adjustment by the department based upon subsequent review of information provided by the member's employer.

(2) In computing the interim retirement allowance, the department may, subject to later correction, consider only the amount of the member's salary actually reported by the employer up to the date of the interim computation, but may impute the member's earned service credit for the same period.

(3) Every employer of a member who applies for retirement shall provide the department with a final compensation report for that member. The report shall be completed on a form provided or approved by the department.

(4) Following the department's computation of the interim benefit and receipt of the employer final compensation report, earnings history, and any additional information requested by the department, the department will complete a final computation of the member's retirement allowance. The department's final computation may increase, decrease, or leave unchanged the amount of the interim retirement allowance computed pursuant to subsection (1) of this section.

(5) Pursuant to RCW 41.50.130, either before or after the department's final computation of the member's retirement allowance as provided in subsection (4) of this section, the department may adjust a member's retirement allowance to correct any error in retirement system records. For purposes of this subsection, errors in retirement system records include, but are not limited to, the following:

- (a) Applying an incorrect retirement allowance formula in computing the retirement allowance;
- (b) Including service that is not creditable to the member;
- (c) Including payments that do not constitute basic salary to a member in the member's retirement allowance computation, or excluding basic salary not reported by an employer;
- (d) Benefit overpayments and underpayments;
- (e) Including an individual in the membership of the retirement system or plan who is not entitled to such membership;
- (f) Excluding an individual from membership in the retirement system or plan who is entitled to such membership.

WAC 415-104-175 Comparison of disability retirement allowance and service retirement allowance. In comparing the disability retirement allowance and the service retirement allowance as required by RCW 41.26.130(3), the department must:

(1) Compute the service retirement allowance using a final average salary calculated as follows:

(a) The department shall first calculate the greatest basic salaries that were or would have been payable to such member during any consecutive twenty-four month period within such member's last ten years of service for which service credit is allowed;

(b) The department shall then divide the total basic salaries during the selected twenty-four month period by twenty-four to compute the final average salary.

(2) Compute the service retirement allowance. The service retirement allowance does not include any cost-of-living increases that would have been granted if the service retirement allowance had been in effect during the period of disability retirement.

(3) Compare the service retirement allowance to the monthly disability retirement allowance that the member was receiving on the date that the disability ceased.

BENEFIT OPTIONS

WAC 415-104-202 Survivor benefit options—LEOFF Plan 1. (1) **To whom does this section apply?** This section applies to you if you are a retiree of LEOFF Plan 1.

(2) **What are flexible survivor benefit options?** RCW 41.26.164 allows a retiree to provide a survivor option for a spouse who is not eligible for survivor benefits under RCW 41.26.160 or 41.26.161. The survivor option will provide a lifetime benefit for the spouse after the retiree's death.

(3) **How will my monthly retirement allowance be affected by selecting a flexible survivor option?** Your monthly retirement allowance will be actuarially reduced beginning the first month following the month in which the department receives the completed form.

(4) **What are the flexible survivor option choices?**

(a) **Joint and whole allowance option.** The department will pay you a reduced monthly retirement allowance throughout your lifetime. After your death, the department will pay your surviving spouse a monthly allowance equal to the gross monthly retirement allowance you were receiving.

(b) **Joint and one-half allowance option.** The department will pay you a reduced monthly retirement allowance

throughout your lifetime. After your death, the department will pay your surviving spouse a monthly allowance equal to one-half of the gross monthly retirement allowance you were receiving.

(c) **Joint and two-thirds allowance option.** The department will pay you a reduced monthly retirement allowance throughout your lifetime. After your death, the department will pay your surviving spouse a monthly allowance equal to two-thirds (66.667%) of the gross monthly retirement allowance you were receiving.

(5) **Do I qualify to add a flexible survivor option?** You may select a flexible survivor option if:

(a) Your current spouse is not eligible for survivor benefits under RCW 41.26.160 or 41.26.161;

(b) Some portion of your monthly retirement allowance is payable to you, after any reduction pursuant to a property division obligation under RCW 41.50.670;

(c) You have not previously selected a flexible survivor option; and

(d) You meet the deadline and application requirements in subsection (6) of this section.

(6) **How do I add a flexible survivor option?** You may select a flexible survivor option and name your current spouse as your survivor beneficiary, provided that:

(a) The selection is made:

(i) During a one-year window, on or after the date of the first anniversary and before the second anniversary of the marriage; or

(ii) No later than June 30, 2006, if you cannot comply with (a)(i) of this subsection because you were married prior to July 1, 2005;

(b) You provide a copy of your certified marriage certificate to the department;

(c) You provide proof, satisfactory to the department, of your current spouse's birth date; and

(d) You file the properly completed forms with the department in a timely manner.

(7) **May I remove the flexible survivor option in the future?** Your choice of a flexible survivor option is irrevocable with the following exceptions:

(a) Your spouse dies before you; or

(b) You and your spouse divorce.

See subsection (8) of this section.

(8) **What happens if my spouse dies before me, or if we divorce?** If your spouse dies before you, or if you divorce, your monthly retirement allowance will increase, effective the first day of the following month. Your increased monthly allowance will be the amount you would have received had you not chosen a flexible survivor option plus any cost-of-living adjustments (COLA) you received prior to your spouse's death.

(9) **What happens to my eligible surviving children's share if I select a flexible survivor option?** There is *no* impact to the benefit provided under RCW 41.26.160 or 41.26.161 to surviving children if you select a flexible survivor option.

(10) **Actuarial information.** See chapter 415-02 WAC starting with WAC 415-02-300 for the tables, schedules, and factors the department uses for calculating retirement allowances.

Terms used in this section:

- (a) Child or children - RCW 41.26.030(7).

WAC 415-104-211 Married LEOFF Plan 2 member's benefit selection—Spousal consent required. (1) A LEOFF Plan 2 member, if married, must provide the spouse's written consent to the option selected under WAC 415-104-215. If a married LEOFF Plan 2 member does not provide spousal consent, the department will pay the retired member a joint and one-half survivor benefit allowance and record the member's spouse as the survivor, in compliance with RCW 41.26.460(2).

(2) Spousal consent is not needed to enforce a marital dissolution order requiring the department to pay an ex-spouse under RCW 41.50.790.

(3) "Spousal consent" means that the married member's spouse consents to the retirement option selected by the member. The spouse's notarized signature on a completed retirement application filed with the department constitutes spousal consent.

[Statutory Authority: RCW 41.50.050(5) and 41.26.460, 03-12-014, § 415-104-211, filed 5/27/03, effective 7/1/03. WAC 415-104-215 What are my retirement benefit options—LEOFF Plan 2? If you retire for service under RCW 41.26.430 or nonduty disability under RCW 41.26.470, or if you choose to receive a monthly allowance for duty disability under RCW 41.26.470, you must choose to have your monthly retirement allowance paid to you by one of the options described in this section.

(1) **Which option will pay my beneficiary a monthly allowance after my death?** Options described in subsection (2)(b) through (d) of this section include a survivor feature. The person you name at the time of retirement to receive a monthly allowance after your death is referred to as your "survivor beneficiary." Upon your death your survivor beneficiary will be entitled to receive a monthly allowance for the duration of his or her life. Your monthly retirement allowance will be actuarially reduced to offset the cost of the survivor feature. The factors used to determine the amount of the reduction are in WAC 415-02-380.

(2) What are my benefit options?

(a) **Option one: Standard allowance (no survivor feature).** The department will pay you a monthly retirement allowance throughout your lifetime. Your monthly allowance will cease upon your death.

(b) **Option two: Joint and whole allowance.** The department will pay you a reduced monthly retirement allow-

ance throughout your lifetime. After your death, the department will pay your survivor beneficiary a monthly allowance equal to the gross monthly retirement allowance you were receiving.

(c) **Option three: Joint and one-half allowance.** The department will pay you a reduced monthly retirement allowance throughout your lifetime. After your death, the department will pay your survivor beneficiary a monthly allowance equal to one-half of the gross monthly retirement allowance you were receiving.

(d) **Option four: Joint and two-thirds allowance.** The department will pay you a reduced monthly retirement allowance throughout your lifetime. After your death, the department will pay your survivor beneficiary a monthly allowance equal to two-thirds (66.667%) of the gross monthly retirement allowance you were receiving.

(3) **Do I need my spouse's consent on the option I choose?** If you are married, you must provide your spouse's notarized signature indicating consent to the retirement option you select. If you do not provide spousal consent, the department will pay you a monthly retirement allowance based on option three (joint and one-half allowance) and record your spouse as the survivor beneficiary as required by RCW 41.26.460(2). If your survivor beneficiary has been designated by a dissolution order according to subsection (4) of this section, which was filed with the department at least thirty days before your retirement date, spousal consent is not required.

(4) **Can a dissolution order require that a former spouse be designated as a survivor beneficiary?** Yes. A dissolution order may require that a former spouse be designated as a survivor beneficiary. The department is required to pay survivor benefits to a former spouse pursuant to a dissolution order that complies with RCW 41.50.790.

(5) **What happens if I choose a benefit option with a survivor feature and my survivor beneficiary dies before I do?** Your monthly retirement allowance will increase, provided you submit proof of your survivor beneficiary's death to the department. The increase will begin accruing the first day of the month following the death.

(a) **Members who retire on or after January 1, 1996.** Your increased monthly allowance will be:

- (i) The amount you would have received had you chosen the standard allowance option at the time of retirement; plus
 (ii) Any cost-of-living adjustments (COLAs) you received prior to your survivor beneficiary's death based on your original option selection.

Example:

Agnes retires in 1996. She chooses a benefit option with a survivor feature and names Beatrice, her daughter, as her survivor beneficiary. As a result, Agnes' monthly allowance is reduced from \$2,000 (standard allowance) to \$1,750. Beatrice dies in January 2001. Agnes' monthly allowance will increase to \$2,191.05, which equals the amount she would have received had she chosen the standard allowance option, plus the COLAs she has received (based on her prior monthly allowance).

Year	Standard Allowance	Survivor Option plus COLAs	COLA incr. (3% max)	\$ Increase
1996	2,000.00	1,750.00		0.00

Year	Standard Allowance	Survivor Option plus COLAs	COLA incr. (3% max)	\$ Increase
1997		1,750.00	.02	35.00
1998		1,785.00	.03	53.55
1999		1,838.55	.025	45.96
2000		1,884.51	.03	56.54
2001	2,000.00	1,941.05	—	—
Total COLAs				191.05
Original Option One Monthly Allowance \$2000		+ Total COLAs	= New Monthly Allowance	
		+ \$191.05	= \$2,191.05*	

* In the future, Agnes' COLA will be based on her increased monthly allowance.

(b) **Members who retired before January 1, 1996.** Your monthly retirement allowance will be adjusted according to the provisions of RCW 41.26.460(3).

(6) **May I change my benefit option after retirement?** Your choice of a benefit option is irrevocable with the following three exceptions:

(a) **Return to membership.** If you retire and then return to membership, you may choose a different retirement option upon your subsequent retirement.

(b) **Postretirement marriage option.** If you select the standard allowance option at the time of retirement and marry after retirement, you may select a benefit option with a survivor feature and name your current spouse as survivor beneficiary, provided that:

(i) Your benefit is not subject to a property division obligation pursuant to a dissolution order. See WAC 415-02-500;

(ii) The selection is made during a one-year window, on or after the date of the first anniversary and before the second anniversary of your postretirement marriage;

(iii) You provide a copy of your certified marriage certificate to the department;

(iv) You provide proof of your current spouse's birth date; and

(v) You exercise this option one time only.

(c) **Removal of a nonspouse survivor option.** If you select a benefit option with a survivor feature and name a nonspouse as survivor beneficiary at the time of retirement, you may remove that survivor beneficiary designation and have your benefit adjusted to a standard allowance. You may exercise this option one time only.

(7) **Who will receive the balance of my accumulated contributions, if any, after my death?**

(a) If you do not have a survivor beneficiary at the time of your death, and you die before the total of the retirement allowance paid equals the amount of your accumulated contributions at the time of retirement, the balance will be paid:

(i) To the person or entity (i.e., trust, organization, or estate) you have nominated by written designation, executed and filed with the department.

(ii) If you have not designated a beneficiary, or if the designated beneficiary is no longer living or in existence, then to your surviving spouse.

(iii) If not paid according to (a)(i) or (ii) of this subsection, then to your estate.

(b) If you have a survivor beneficiary at the time of your death, and your survivor beneficiary dies before the total of the retirement allowance paid equals the amount of your

accumulated contributions at the time of retirement, the balance will be paid:

(i) To the person or entity (i.e., trust, organization, or estate) your survivor beneficiary has nominated by written designation, executed and filed with the department.

(ii) If your survivor beneficiary has not designated a beneficiary, or if the designated beneficiary is no longer living or in existence, then to your survivor beneficiary's spouse.

(iii) If not paid according to (b)(i) or (ii) of this subsection, then to your survivor beneficiary's estate.

(b) Your employer is responsible for having you examined by a physician or surgeon appointed by the local disabil-

ity board and for paying the cost of your examination. Your employer will send a copy of your examination report to the department along with a certification letter of whether you have met the standards.

(4) **If you are denied Plan 1 membership because you did not meet minimum medical and health standards, you will enter membership in Plan 2.**

(a) The department will review your examination report and if you meet the minimum medical and health standards you will be reported in membership in Plan 1.

(b) If you do not meet the standards, your employer must stop reporting you to the department in Plan 1 and report you in Plan 2. The department will transfer your membership from Plan 1 to Plan 2 retroactively to the beginning of your term of employment.

(5) **Defined terms used.** Definitions for the following terms used in this section may be found in the sections listed.

BASIC SALARY

WAC 415-104-298 Purpose and scope of basic salary rules. WAC 415-104-299 through 415-104-405 codify the department's existing interpretation of statutes and existing administrative practice regarding classification of payments as basic salary in LEOFF Plan I and LEOFF Plan II. The department has applied and will apply these rules to determine the proper characterization of payments occurring prior to the effective dates of these sections.

[Statutory Authority: RCW 41.50.050 and 41.50.055, 97-01-016, § 415-104-298, filed 12/6/96, effective 1/6/97.]

WAC 415-104-299 Basic salary table. The following table will help you determine whether certain types of payments are basic salary under LEOFF Plan 1 or 2. Be sure to read the referenced rule to ensure that you have correctly identified the payment in question. The department determines basic salary based upon the nature of the payment, not the name applied to it. See WAC 415-104-311 (Plan 1) and WAC 415-104-360 (Plan 2).

WAC 415-104-301 What is basic salary? (1) Basic salary is the compensation used to determine LEOFF contributions and LEOFF retirement allowances. A payment from an employer to a member does not qualify as basic salary unless it meets the statutory definition of basic salary in RCW 41.26.030(13) which is explained in greater detail in WAC 415-104-311 through 415-104-405.

(2) The definition of basic salary is different for Plan I and Plan II. WAC 415-104-311 through 415-104-350 define basic salary for Plan I. WAC 415-104-360 through 415-104-405 define basic salary for Plan II.

[Statutory Authority: RCW 41.50.050 and 41.50.055. 97-01-016, § 415-104-301, filed 12/6/96, effective 1/6/97.]

LEOFF PLAN I

WAC 415-104-305 Definitions. As used in WAC 415-104-299 through 415-104-405:

(1) "Salary or wages" means payments for services rendered by a law enforcement officer or firefighter to an employer. Payments which are not for services rendered to an employer are not a salary or wage and do not qualify as basic salary.

(2) "Longevity pay" means a payment in addition to the basic monthly rate of pay that is:

(a) Based solely upon the length of employment with the employer; and

(b) Paid to all law enforcement officers or firefighters who have served for the same length of time with the employer.

(3) "Position" means the employment held at any particular time. The employment held is defined by the duties required of the employee as a condition of employment.

Example: An employer employs two police officers, one who has a high school diploma and one who has a college degree. Although both officers have the same duties, the employer designates the first officer as an "officer 1" and the second officer as an "officer 2." The distinction between the two levels is conditioned upon different levels of education. The second officer is paid at a higher rate. For purposes of determining basic salary, both officers occupy the same position because both have the same duties. The difference in their two rates of pay is an education premium which does not qualify as basic salary, see WAC 415-104-3302.

(4) "Attached to a position" means a payment conditioned on specific duties required of the person holding the position.

[Statutory Authority: RCW 41.50.050 and 41.50.055. 97-01-016, § 415-104-305, filed 12/6/96, effective 1/6/97.]

WAC 415-104-311 How is basic salary for LEOFF Plan I determined? (1) A payment is LEOFF Plan I basic salary if it is part of the basic monthly rate of salary or wages attached to the position or longevity pay. Special salary or wages are not part of the basic monthly rate and do not qualify as basic salary.

[Ch. 415-104 WAC—p. 12]

(2) Basic salary is earned when the service is rendered, rather than when payment is made.

Example: If a member works during July but does not receive payment for the work until August, the basic salary was earned during July and must be reported to the department as July earnings.

(3) Salary characterizations are based upon the nature of the payment. A payment is basic salary if it meets the criteria of subsection (1) of this section. The name given to the payment is not controlling in determining whether the payment is basic salary. The department determines whether a payment is basic salary by considering:

(a) What the payment is for; and

(b) Whether the reason for the payment brings it within the statutory definition of basic salary.

Example: A payment based upon educational attainment is not basic salary for LEOFF Plan I. Describing the payment as a "longevity" payment does not change the fact that the payment is for educational attainment. The payment will not be counted as basic salary despite being identified by the employer as a longevity payment.

(c) See the following sections for a discussion and examples of the following types of payments:

(i) "Salary or wages" - WAC 415-104-3200 through 415-104-3205;

(ii) "Special salary and wages" - WAC 415-104-330 through 415-104-3305;

(iii) "Payments excluded from basic salary because they are not a salary or wage" - WAC 415-104-340 through 415-104-3406.

[Statutory Authority: RCW 41.50.050 and 41.50.055. 97-01-016, § 415-104-311, filed 12/6/96, effective 1/6/97.]

WAC 415-104-3200 Basic monthly rate is LEOFF Plan I basic salary. The basic monthly rate of compensation paid by an employer to a member for services rendered is basic salary in Plan I. "Basic monthly rate" means the rate of salary or wages attached to a position excluding overtime or special salary or wages.

[Statutory Authority: RCW 41.50.050 and 41.50.055. 97-01-016, § 415-104-3200, filed 12/6/96, effective 1/6/97.]

WAC 415-104-3201 Deferred payments. (1) Deferred payments attached to a position are basic salary. If an employee defers a portion of his or her basic monthly rate of pay it is still basic salary. Deferred payments may include, but are not limited to: Member contributions to LEOFF; salaries or wages deferred pursuant to sections 401(k), 403(b), 414(h), 457, or other similar sections of the United States Internal Revenue Code.

(2) Deferred wages that are not attached to a position are special salary or wages excluded from LEOFF Plan I basic salary.

(a) Employer matching payments are not basic salary. If a member acquires an additional payment that is conditioned upon taking some action in addition to providing services, the payment is based upon the additional action. It is not a salary

(8/10/09)

or wage earned for services rendered. The payment is not basic salary.

Example: An employer offers to make a contribution to a deferred compensation plan only if the member elects to defer a portion of his or her salary. Because the member does not have an absolute right to receive the additional contribution for performing the duties required of his or her position, the payment is special salary or wages and is not basic salary.

(b) Additional deferred compensation offered to an individual is not basic salary. If an employer pays deferred compensation to a member in addition to the member's basic rate of pay, the payment is special salary or wages and does not qualify as basic salary.

[Statutory Authority: RCW 41.50.050 and 41.50.055. 97-01-016, § 415-104-3201, filed 12/6/96, effective 1/6/97.]

WAC 415-104-3202 Retroactive basic salary increases attached to a position are LEOFF Plan I basic salary. If a payment is part of the basic monthly rate of salary or wages attached to a position or is a longevity payment, it is basic salary even if the payment is retroactive. Payments upon reinstatement or in lieu of reinstatement are not considered retroactive basic salary increases. For treatment of those payments see WAC 415-104-3203(3).

[Statutory Authority: RCW 41.50.050 and 41.50.055. 97-01-016, § 415-104-3202, filed 12/6/96, effective 1/6/97.]

WAC 415-104-3203 Paid leave is LEOFF Plan I basic salary. Payments from an employer for authorized paid absences from work are basic salary.

(1) **Leave payments earned for services rendered:** Most LEOFF members earn a certain number of leave hours per month, such as sick leave. The leave hours are earned by rendering service during the month the leave was accumulated. The payment a member receives when he or she uses an earned leave day is a deferred salary or wage for services previously rendered. It is basic salary.

Example: Assume a member accrues eight hours sick leave per month. The accrued leave in the member's sick leave balance is earned for personal services rendered during a payroll period. When the member is absent from work and uses the sick leave, the sick leave payment is basic salary.

Leave payments earned for services rendered are basic salary only to the extent that they are equivalent to the basic salary a member would have earned had the member been working. The portion of any leave payment that exceeds that amount is not basic salary.

(2) **Leave payments not earned for services rendered:** If an employer authorizes a period of paid leave but does not require the use of leave previously earned for services rendered, the payment is not a salary or wage for services rendered. However, RCW 41.26.197 authorizes service credit for all periods of paid leave. Because the periods are credit-

able, the pay received is considered basic salary to the extent that it is equal to the basic salary the member would have earned had he or she been working. The portion of a leave payment that exceeds that amount is not basic salary.

Example: An officer is placed on administrative leave with pay pending an investigation. Although the officer is not rendering services, the period is creditable as an authorized paid leave period under RCW 41.26.197.

(3) **Payments upon reinstatement or in lieu of reinstatement are paid leave and therefore qualify as basic salary.** The payment will count as basic salary for the payroll periods when the person would have earned the payment had he or she been working.

(a) In order for a payment in lieu of reinstatement to qualify as paid leave the person's termination date must occur after the payroll period(s) when the payment would have been earned.

(b) Payments under WAC 391-45-410 are basic salary for the period(s) covered by the reinstatement.

(c) Payments upon reinstatement or in lieu of reinstatement are basic salary only to the extent that they equal the basic salary a member would have earned had the member been working.

(4) **Union leave.** Periods of authorized leave to serve as an elected official of a labor organization which meet the requirements of RCW 41.26.197 qualify for service credit. The salary payments provided by the employer subject to reimbursement from the union qualify as basic salary for LEOFF Plan I to the extent that the payments do not exceed the basic salary for the highest paid job class covered by the collective bargaining agreement negotiated between the labor organization and the employer. The portion of any payment identified as paid leave in excess of that amount is not basic salary.

[Statutory Authority: RCW 41.50.050 and 41.50.055. 97-01-016, § 415-104-3203, filed 12/6/96, effective 1/6/97.]

WAC 415-104-3204 Shift differential is LEOFF Plan I basic salary. Additional payments to a member for working swing shift or night shift are attached to the duties of the position, e.g., working a nonstandard shift. Those payments are basic salary for LEOFF Plan I.

[Statutory Authority: RCW 41.50.050 and 41.50.055. 97-01-016, § 415-104-3204, filed 12/6/96, effective 1/6/97.]

WAC 415-104-3205 Additional duty pay is LEOFF Plan I basic salary. Salary or wages that a member receives for additional duty assignments are a part of the basic salary attached to the member's position. Those payments are basic salary for LEOFF Plan I.

Example: A police officer is assigned to the bomb squad and receives an additional monthly payment for the hazardous duty assignment. The additional payment is for duties required by the employer as part of the member's position. It is attached to the position and is basic salary for LEOFF Plan I.

[Statutory Authority: RCW 41.50.050 and 41.50.055. 97-01-016, § 415-104-3205, filed 12/6/96, effective 1/6/97.]

WAC 415-104-330 What are special salary or wages?

(1) Special salary or wages for services rendered are payments that do not qualify as basic salary because the payment is based upon the attributes of the individual instead of being attached to the position. A payment is not attached to a position if it is not tied to specific duties required of all persons holding the position. Payments that are not attached to a position include but are not limited to the payments described in WAC 415-104-3302 and 415-104-3303.

(2) Longevity pay is not attached to a position because it is based upon the attributes of an individual. It is, however, specifically included as part of basic salary under RCW 41.26.030.

[Statutory Authority: RCW 41.50.050 and 41.50.055. 97-01-016, § 415-104-330, filed 12/6/96, effective 1/6/97.]

WAC 415-104-3301 Educational premium payments are not LEOFF Plan I basic salary. (1) If an employer provides additional salary based upon the member's level of education that payment is based upon the attributes of the individual and is not attached to the position. It is a special salary or wage and is not basic salary.

Example: An employer employs two different law enforcement officers in the position of sergeant. Although their duties are the same, one sergeant receives 3% more in salary than the other because she has a bachelor's degree which the other lacks. The additional 3% is not attached to the position because it is not attached to any additional duties. It is not basic salary for LEOFF Plan I.

(2) Payments conditioned upon acquiring and maintaining a designated certification such as emergency medical technician are a form of educational premium pay. The payment is based upon the attributes of the individual and is not attached to the position. It is a special salary or wage and is not basic salary.

[Statutory Authority: RCW 41.50.050 and 41.50.055. 97-01-016, § 415-104-3301, filed 12/6/96, effective 1/6/97.]

WAC 415-104-3302 Performance bonuses are not LEOFF Plan I basic salary. Payments to a member for meeting or exceeding performance goals set by the employer are not attached to a position and are not basic salary.

Example: An employer offers an annual bonus to members who do not have an accident for a year. The bonus is not part of the basic monthly rate of salary and is not basic salary for LEOFF Plan I.

[Statutory Authority: RCW 41.50.050 and 41.50.055. 97-01-016, § 415-104-3302, filed 12/6/96, effective 1/6/97.]

WAC 415-104-3303 Cafeteria plans are not LEOFF Plan I basic salary. Compensation paid under the provisions of a "cafeteria plan," "flexible benefits plan," or similar arrangement pursuant to section 125 of the United States Internal Revenue Code which give the member an absolute

[Ch. 415-104 WAC—p. 14]

right to receive cash in lieu of the fringe benefits offered is a special salary or wage. Such compensation is not basic salary. If there is no cash option, the value of the fringe benefit is not a salary or wage and is not basic salary. See WAC 415-104-3402.

[Statutory Authority: RCW 41.50.050 and 41.50.055. 97-01-016, § 415-104-3303, filed 12/6/96, effective 1/6/97.]

WAC 415-104-3304 Leave cash outs or other severance pay are not LEOFF Plan I basic salary. (1) A cash out for unused accrued leave is a deferred salary or wage for services previously rendered. A payment in lieu of an accrual of leave qualifies as a leave cash out. The payment is not basic salary in LEOFF Plan I because it is a special salary or wage in addition to the basic monthly rate of salary or wages.

(2) Any other form of severance payment based upon termination is special salary or wages and is not included as basic salary in LEOFF Plan I.

[Statutory Authority: RCW 41.50.050 and 41.50.055. 97-01-016, § 415-104-3304, filed 12/6/96, effective 1/6/97.]

WAC 415-104-3305 Overtime is not LEOFF Plan I basic salary. Overtime, which is additional pay earned for working time in excess of regularly scheduled shift(s), is specifically excluded from basic salary for LEOFF Plan I by RCW 41.26.030 (13)(a). Overtime includes, but is not limited to:

(1) **Additional pay for working on a holiday.** If a member receives an extra payment because he or she worked on a scheduled holiday, the payment is overtime. The employer may make the additional payment when the holiday occurs or in a lump sum at some other time. In either case, the payment is not basic salary for LEOFF Plan I;

Example: A firefighter works on Christmas day. In compensation for working a holiday, she is given the option of taking some other day off with pay or of receiving an extra day's pay in addition to her basic monthly rate of pay. If she opts for the extra day of pay, this payment is overtime and is not LEOFF Plan I basic salary. If she opts to take a day off, this is paid leave and qualifies as LEOFF Plan I basic salary.

(2) **Callback pay**, which is a special rate of pay some employers offer for being called back to work after the end of the member's regular shift;

(3) **Court pay**, which is an additional payment for appearing in court or performing other duties outside of a member's regularly scheduled shift.

[Statutory Authority: RCW 41.50.050 and 41.50.055. 97-01-016, § 415-104-3305, filed 12/6/96, effective 1/6/97.]

WAC 415-104-3306 Deferred wages that are not attached to a position are not LEOFF Plan I basic salary. See WAC 415-104-3201.

[Statutory Authority: RCW 41.50.050 and 41.50.055. 97-01-016, § 415-104-3306, filed 12/6/96, effective 1/6/97.]

WAC 415-104-340 Disability payments are not LEOFF Plan I basic salary. (1) Payments from an employer

(8/10/09)

during periods of disability leave for a duty disability (RCW 41.26.120) or a nonduty disability (RCW 41.26.125) are not a payment from the employer for services rendered. The payment is not basic salary for LEOFF Plan I.

(2) Any payment from a third party such as an insurance company for a period of excused absence from work because of an injury or other disability is not a payment from an employer for services rendered. The payment is not basic salary for LEOFF Plan I.

[Statutory Authority: RCW 41.50.050 and 41.50.055. 97-01-016, § 415-104-340, filed 12/6/96, effective 1/6/97.]

WAC 415-104-3401 Employer taxes and contributions are not LEOFF Plan I basic salary. (1) Any employer payment of the employer or member portion of taxes imposed by the Federal Insurance Contribution Act (FICA) is not a salary or wage to a member and does not qualify as basic salary for LEOFF Plan I.

(2) Employer contributions to LEOFF are not a salary or wage and are not basic salary for LEOFF Plan I.

[Statutory Authority: RCW 41.50.050 and 41.50.055. 97-01-016, § 415-104-3401, filed 12/6/96, effective 1/6/97.]

WAC 415-104-3402 Fringe benefits are not LEOFF Plan I basic salary. Fringe benefits provided by an employer are not a salary or wage, and therefore do not qualify as basic salary for LEOFF Plan I. Fringe benefits include but are not limited to:

(1) Employer retirement contributions;

(2) Any type of insurance such as medical, dental, or life insurance; and any employer contribution to meet the premium or charge for the insurance; or

(3) Any payments by the employer into a private fund to provide health or welfare benefits for members and/or their dependents.

[Statutory Authority: RCW 41.50.050(5) and chapter 41.26 RCW. 03-06-042, § 415-104-3402, filed 2/27/03, effective 4/1/03. Statutory Authority: RCW 41.50.050 and 41.50.055. 97-01-016, § 415-104-3402, filed 12/6/96, effective 1/6/97.]

WAC 415-104-3403 Illegal payments are not LEOFF Plan I basic salary. If an employer makes a payment without legal authority, that payment does not qualify as basic salary for LEOFF Plan I.

[Statutory Authority: RCW 41.50.050 and 41.50.055. 97-01-016, § 415-104-3403, filed 12/6/96, effective 1/6/97.]

WAC 415-104-3404 Reimbursements or allowances in lieu of a reimbursement are not LEOFF Plan I basic salary. (1) **Reimbursements.** If an employer reimburses a member for expenses incurred in providing services for the employer, the purpose of the payment is to pay the member back for out-of-pocket expenses. The payment is not compensation. It is not a salary or wage and is not basic salary for LEOFF Plan I.

(2) **Allowances.** An allowance paid in lieu of a specific reimbursement for expenses a member is expected to incur in providing services for the employer is characterized the same as a specific reimbursement. The purpose of the payment is to reimburse the member for anticipated out-of-pocket expenses. The payment is not compensation. It is not a salary

(8/10/09)

or wage and does not qualify as basic salary for LEOFF Plan I.

Example: An employer provides an annual stipend for the purchase of a uniform or other clothing required for the performance of a member's duties. The payment is a reimbursement for expenses incurred or expected to be incurred and is not basic salary for LEOFF Plan I.

(3) **Payments based on additional certification or qualifications.** If a member receives payments based upon personal expenses incurred in maintaining a certification or qualification, the payment is reimbursement, not compensation. It is not a salary or wage and is not LEOFF Plan I basic salary.

[Statutory Authority: RCW 41.50.050 and 41.50.055. 97-01-016, § 415-104-3404, filed 12/6/96, effective 1/6/97.]

WAC 415-104-3405 Standby pay is not LEOFF Plan I basic salary. Payments to a member for time not actually worked when the member must be available to work if the need arises, are not a salary or wage for services rendered. Any such payment does not qualify as basic salary for LEOFF Plan I.

Example: Some employers provide payments to a member at less than the member's regular hourly rate in exchange for the member being available to come into work after his or her shift if called, although the member may not be called. Such payments, often referred to as "standby pay," are not basic salary for LEOFF Plan I.

[Statutory Authority: RCW 41.50.050 and 41.50.055. 97-01-016, § 415-104-3405, filed 12/6/96, effective 1/6/97.]

WAC 415-104-3406 Retirement or termination bonuses are not LEOFF Plan I basic salary. (1) **Payments based on notification of intent to retire.** An additional payment based fully or partially on notification of a member's intent to terminate or retire is in consideration for the notification. The payment is not a salary or wage for services rendered and is not basic salary for LEOFF Plan I.

(2) **Payments based on retirement eligibility.** Payments based fully or partially on retirement eligibility are specific to the member and are not attached to the position. These payments are not LEOFF Plan I basic salary.

[Statutory Authority: RCW 41.50.050 and 41.50.055. 97-01-016, § 415-104-3406, filed 12/6/96, effective 1/6/97.]

WAC 415-104-350 Payments in lieu. A payment or any other transfer in lieu of an item that does not qualify as basic salary is not basic salary for LEOFF Plan I.

[Statutory Authority: RCW 41.50.050 and 41.50.055. 97-01-016, § 415-104-350, filed 12/6/96, effective 1/6/97.]

LEOFF PLAN 2

WAC 415-104-360 How is basic salary for LEOFF Plan II determined? (1) What payments are included in LEOFF Plan II basic salary? Other than the specific exclu-

sions listed in WAC 415-104-397 and 415-104-401, a payment that is a salary or wage earned during a calendar month for personal services rendered by a member to an employer qualifies as LEOFF Plan II basic salary.

(a) Certain payments that are not for personal services rendered also qualify if there is a specific statutory provision identifying those payments as LEOFF Plan II basic salary. See WAC 415-104-373.

(b) Specific types of payments that qualify as LEOFF Plan II basic salary include, but are not limited to, the payments described in WAC 415-104-363(1) and 415-104-365 through 415-104-379.

(c) Other payments not specifically listed qualify as basic salary for LEOFF Plan II only if those payments are a salary or wage for services rendered.

(2) **Basic salary is earned when the service is rendered, rather than when payment is made.**

(3) **Salary characterizations are based upon the nature of the payment.** Whether a payment is basic salary depends upon whether the payment is earned as a salary or wage for services rendered. The name given to the payment is not controlling. The department determines whether a payment is basic salary by considering:

(a) What the payment is for; and

(b) Whether the reason for the payment brings it within the statutory definition of basic salary.

[Statutory Authority: RCW 41.50.050 and 41.50.055. 97-01-016, § 415-104-360, filed 12/6/96, effective 1/6/97.]

WAC 415-104-363 Deferred wages. (1) If earned for services rendered, deferred wages are basic salary. If a member earns salary or wages for services rendered during a payroll period but defers receipt of payment, those earnings are basic salary for LEOFF Plan II. Deferred wages include, but are not limited to:

(a) Member contributions to LEOFF;

(b) Salaries or wages deferred pursuant to sections 401(k), 403(b), 414(h), 457, or other similar sections of the United States Internal Revenue Code.

(2) **Deferred wages that a member does not have an absolute right to in exchange for rendering service to an employer are not basic salary.** If an employer offers additional payment that is conditioned on taking some action in addition to providing services, the payment is based upon the additional action and is not earned for services rendered. The payment does not qualify as basic salary for LEOFF Plan II.

Example: An employer offers to make a contribution to a deferred compensation plan on a member's behalf only if the member elects to defer a portion of his or her salary. Because the member does not have an absolute right to receive the contribution based solely on rendering service, the payment is not basic salary for LEOFF Plan II.

[Statutory Authority: RCW 41.50.050 and 41.50.055. 97-01-016, § 415-104-363, filed 12/6/96, effective 1/6/97.]

WAC 415-104-365 Retroactive basic salary increases are LEOFF Plan II basic salary. A retroactive salary increase received for a pay period that a member worked is a

salary or wage for services rendered and is basic salary for LEOFF Plan II.

[Statutory Authority: RCW 41.50.050 and 41.50.055. 97-01-016, § 415-104-365, filed 12/6/96, effective 1/6/97.]

WAC 415-104-367 Cafeteria plans. Compensation received in any form under the provisions of a "cafeteria plan," "flexible benefits plan," or similar arrangement pursuant to section 125 of the United States Internal Revenue Code is basic salary for LEOFF Plan II if the member has an absolute right to receive cash or deferred payments in lieu of the fringe benefits offered. In such an instance, the fringe benefits are being provided in lieu of cash and are considered basic salary, just as the cash would be. If there is no cash option, the value of the fringe benefit is not a salary or wage and is not basic salary for LEOFF Plan II. See WAC 415-104-385.

[Statutory Authority: RCW 41.50.050 and 41.50.055. 97-01-016, § 415-104-367, filed 12/6/96, effective 1/6/97.]

WAC 415-104-370 Overtime is LEOFF Plan II basic salary. Overtime, additional pay earned for working time in excess of regularly scheduled shift(s), is a salary or wage for services rendered. Overtime payments are basic salary for LEOFF Plan II. Overtime includes, but is not limited to:

(1) **Additional pay for working on a holiday.** If a member receives an extra payment because he or she worked on a scheduled holiday, the payment is overtime. The employer may make the additional payment when the holiday occurs or in a lump sum at some other time. In either case, the payment is basic salary for LEOFF Plan II;

Example: A firefighter works on Christmas day. As compensation for working a holiday, she is given the option of taking some other day off with pay or of receiving an extra day's pay. If she opts for the extra day of pay, this payment is overtime and is LEOFF Plan II basic salary. If she opts to take a day off, this is paid leave and qualifies as LEOFF Plan II basic salary.

(2) **Callback pay,** which is a special rate of pay some employers provide members for being called back to work after the end of the member's regular shift;

(3) **Court pay,** which is an additional payment for appearing in court or performing other duties outside of a member's regularly scheduled shift.

[Statutory Authority: RCW 41.50.050 and 41.50.055. 97-01-016, § 415-104-370, filed 12/6/96, effective 1/6/97.]

WAC 415-104-373 Paid leave is LEOFF Plan II basic salary. Payments received from an employer for authorized paid absences from work are basic salary for LEOFF Plan II. These payments may or may not be for services rendered. Paid leave is basic salary only to the extent that it is the equivalent of the basic salary a member would have earned had the member been working. The portion of any payment identified as paid leave that exceeds that amount is not basic salary.

(1) **Leave payments earned for services rendered.** Most LEOFF members earn a certain number of leave hours per month, such as sick leave. The leave hours are earned by

rendering service during the month the leave was accumulated. The payment a member receives when he or she uses an earned leave day is a deferred salary or wage for services previously rendered. It is basic salary to the extent that it is equal to the basic salary the member would have earned had he or she been working.

Example: Assume a member accrues eight hours sick leave per month. The accrued leave in the member's sick leave balance is earned for personal services rendered during a payroll period. When the member is absent from work and uses the sick leave, the sick leave payment is basic salary.

(2) **Leave payments not earned for services rendered.** If an employer authorizes a period of paid leave but does not require the use of leave previously earned for services rendered, the payment is not a salary or wage for services rendered. However, RCW 41.26.520 authorizes service credit for all periods of paid leave. Because the periods are creditable, the pay received is considered basic salary to the extent that it is equal to the basic salary the member would have earned had he or she been working.

(3) **Payments upon reinstatement or in lieu of reinstatement are paid leave and therefore qualify as basic salary.** The payment will count as basic salary for the payroll periods when the person would have earned the payment had he or she been working. In order for a payment in lieu of reinstatement to qualify as paid leave, the person's termination date must occur after the payroll period when the payment would have been earned. Because the periods are creditable, the pay received is considered basic salary to the extent that it is equal to the basic salary the member would have earned had he or she been working.

(4) **Union leave.** Periods of authorized leave to serve as an elected official of a labor organization which meet the requirements of RCW 41.26.520 qualify for service credit. The salary payments provided by the employer subject to reimbursement from the union qualify as basic salary for LEOFF Plan II to the extent that they do not exceed the highest paid job class covered by the collective bargaining agreement negotiated between the labor organization and the employer. The portion of any payment identified as paid leave in excess of that amount is not basic salary.

[Statutory Authority: RCW 41.50.050 and 41.50.055. 97-01-016, § 415-104-373, filed 12/6/96, effective 1/6/97.]

WAC 415-104-374 LEOFF Plan 2 part-time leave of absence. (1) What are the LEOFF Plan 2 part-time leave rules for law enforcement officers?

(a) You must be a current LEOFF Plan 2 *law enforcement* member;

(b) Your employer must authorize you to work part time and go on an unpaid part-time leave of absence;

(c) While in part-time work/part-time leave status, you cannot do any other work for pay for your employer; and

(d) When you return to full-time employment, the employment must be with the same employer who granted you the part-time leave.

(2) **May I purchase service credit for periods of part-time leave?** See WAC 415-02-175 for information about

(8/10/09)

purchasing service credit for an unpaid authorized leave of absence.

[Statutory Authority: RCW 41.50.050(5). 04-20-005, § 415-104-374, filed 9/23/04, effective 10/24/04. Statutory Authority: RCW 41.50.050(5) and 41.26.520. 02-18-047, § 415-104-374, filed 8/28/02, effective 9/1/02.]

WAC 415-104-375 Salary or wages not attached to a position are LEOFF Plan II basic salary. A salary or wage for services rendered to an employer is basic salary for LEOFF Plan II regardless of whether the services are attached to a position.

Example: If an employee receives additional salary based upon his or her education, that additional salary is basic salary for LEOFF Plan II even if his or her position does not require that level of education. The payment of a higher salary based upon educational attainment is part of the total compensation for the services provided by the employee.

[Statutory Authority: RCW 41.50.050 and 41.50.055. 97-01-016, § 415-104-375, filed 12/6/96, effective 1/6/97.]

WAC 415-104-377 Performance bonuses are LEOFF Plan II basic salary. Payments you earn for meeting or exceeding performance goals set by your employer are a salary or wage for services rendered and qualify as basic salary for LEOFF Plan II. In order to qualify as basic salary, a performance bonus must be documented in an employer policy or specific agreement between the employer and member prior to earning the bonus.

Example: An employer offers an annual bonus to a member if he or she meets a certain performance goal, i.e., stays accident free for a year. If the member meets the goal and is paid the bonus, the bonus would be considered basic salary.

[Statutory Authority: RCW 41.50.050 and 41.50.055. 97-01-016, § 415-104-377, filed 12/6/96, effective 1/6/97.]

WAC 415-104-379 Shift differential is LEOFF Plan II basic salary. Additional payments to a member for working swing shift or night shift are a salary or wage for services rendered. Those payments are basic salary for LEOFF Plan II.

[Statutory Authority: RCW 41.50.050 and 41.50.055. 97-01-016, § 415-104-379, filed 12/6/96, effective 1/6/97.]

WAC 415-104-380 Disability payments. (1) Disability leave supplement. Under certain circumstances, LEOFF II members are entitled to a disability leave supplement for periods of disability leave. See RCW 41.04.500 through 41.04.550.

(a) Employer contributions to the disability leave supplement under RCW 41.04.510(3) are not a salary or wage for services rendered and do not qualify as basic salary. Although the payments are paid leave, they are specifically excluded from basic salary by RCW 41.04.525.

(b) The member paid portion of the disability leave supplement is funded through use of the member's accumulated sick or vacation leave. This portion of the disability leave

supplement is, therefore, basic salary, see WAC 415-104-373. The member will receive only partial service credit for the accumulated leave portion of the disability leave supplement.

(c) A member may apply to receive full service credit for some periods of duty disability under RCW 41.26.470(3).

(2) **Workers' compensation.** Payments made to a member under Title 51 RCW are neither a salary or wage for services rendered nor paid leave. The payments are not basic salary for LEOFF II. This is true whether the payments come from the workers' compensation trust fund or from an employers' self-insurance program authorized under Title 51 RCW.

(3) **Private insurance.** Some employers provide additional disability insurance as a supplement to workers' compensation. Any payment from a third party insurance company is neither paid leave nor payment for services rendered. It does not qualify as basic salary for LEOFF Plan II.

(4) **Disability leave banks.** If an employer maintains a disability leave bank which may be used to make salary replacement payments for members during periods of disability, such payments are paid leave and qualify as basic salary subject to the provisions of WAC 415-104-373: Provided, however, That if the leave provided to an employee is based upon leave earned by another employee then it is a form of shared leave and does not qualify as basic salary.

[Statutory Authority: RCW 41.50.050 and 41.50.055. 97-01-016, § 415-104-380, filed 12/6/96, effective 1/6/97.]

WAC 415-104-383 Employer taxes and contributions are not LEOFF Plan II basic salary. (1) Any payment by a member's employer of the employer portion of taxes imposed by the Federal Insurance Contribution Act is not a salary or wage and does not qualify as basic salary for LEOFF Plan II.

(2) Employer contributions to LEOFF Plan II are not a salary or wage paid to the member and do not qualify as basic salary.

[Statutory Authority: RCW 41.50.050 and 41.50.055. 97-01-016, § 415-104-383, filed 12/6/96, effective 1/6/97.]

WAC 415-104-385 Fringe benefits are not LEOFF Plan 2 basic salary. Fringe benefits provided by an employer are not a salary or wage and therefore do not qualify as basic salary for LEOFF Plan 2. Fringe benefits include, but are not limited to:

(1) Employer retirement contributions;

(2) Any type of insurance such as medical, dental or life insurance; and any employer contribution to meet the premium or charge for the insurance; or

(3) Any employer payments into a private fund to provide health or welfare benefits for the member (or the member and the member's dependents), with the exception of compensation paid pursuant to a bona fide cafeteria plan, flexible benefit plan or similar arrangement as described in WAC 415-104-367.

[Statutory Authority: RCW 41.50.050(5) and chapter 41.26 RCW. 03-06-042, § 415-104-385, filed 2/27/03, effective 4/1/03. Statutory Authority: RCW 41.50.050 and 41.50.055. 97-01-016, § 415-104-385, filed 12/6/96, effective 1/6/97.]

WAC 415-104-387 Illegal payments are not LEOFF Plan II basic salary. If an employer disburses a payment that the employer does not have legal authority to make, that payment does not qualify as basic salary for LEOFF Plan II.

[Statutory Authority: RCW 41.50.050 and 41.50.055. 97-01-016, § 415-104-387, filed 12/6/96, effective 1/6/97.]

WAC 415-104-390 Reimbursements or allowances in lieu of a reimbursement are not LEOFF Plan II basic salary. (1) **Reimbursement.** If an employer reimburses a member for expenses incurred in providing services for the employer, the purpose of the payment is to pay the member back for out-of-pocket expenses. The payment is not compensation. It is not a salary or wage and is not basic salary for LEOFF Plan II.

(2) **Allowance.** An allowance paid in lieu of a specific reimbursement for expenses a member is expected to incur in providing services for the employer is characterized the same as a specific reimbursement. The purpose of the payment is to reimburse the member for out-of-pocket expenses. The payment is not compensation. It is not a salary or wage and does not qualify as basic salary for LEOFF Plan II.

Example: An employer provides an annual stipend for the purchase of a uniform or other clothing required for the performance of a members' duties. The payment is a reimbursement for expenses incurred or expected to be incurred and is not basic salary for LEOFF Plan II.

[Statutory Authority: RCW 41.50.050 and 41.50.055. 97-01-016, § 415-104-390, filed 12/6/96, effective 1/6/97.]

WAC 415-104-393 Standby pay is not LEOFF Plan II basic salary. Payments to a member for time not actually worked when the member must be available to work if the need arises, are not a salary or wage for services rendered. Any such payment does not qualify as basic salary for LEOFF Plan II.

Example: Some employers provide payments to a member at less than the member's regular hourly rate in exchange for the member being available to come into work after his or her shift if called, although the member may not be called. Such payments, often referred to as "standby pay," are not basic salary for LEOFF Plan II.

[Statutory Authority: RCW 41.50.050 and 41.50.055. 97-01-016, § 415-104-393, filed 12/6/96, effective 1/6/97.]

WAC 415-104-395 Termination or retirement bonuses are not LEOFF Plan II basic salary. An additional payment based on notification of a member's intent to terminate or retire is in consideration for the notification of intent to retire or terminate. The payment is not a salary or wage for services rendered and is not basic salary for LEOFF Plan II.

[Statutory Authority: RCW 41.50.050 and 41.50.055. 97-01-016, § 415-104-395, filed 12/6/96, effective 1/6/97.]

WAC 415-104-397 Statutorily excluded payments are not LEOFF Plan II basic salary. Payments authorized by a statute that excludes the payment from the calculation of a public retirement allowance do not qualify as basic salary.

[Statutory Authority: RCW 41.50.050 and 41.50.055. 97-01-016, § 415-104-397, filed 12/6/96, effective 1/6/97.]

WAC 415-104-401 Cash outs of accrued leave or other forms of severance pay are not LEOFF Plan II basic salary. (1) A cash out from an employer for unused accrued leave, is a deferred salary or wage for services previously rendered. However, the payment is not basic salary because it is specifically excluded from the definition of basic salary in RCW 41.26.030 (13)(b).

(2) **Other forms of severance pay are not basic salary.** Any form of severance payment received from an employer upon termination, is not included as basic salary in LEOFF Plan II because it is excluded from the statutory definition of basic salary.

[Statutory Authority: RCW 41.50.050 and 41.50.055. 97-01-016, § 415-104-401, filed 12/6/96, effective 1/6/97.]

WAC 415-104-405 Payments in lieu. A payment or any other transfer in lieu of an item that does not qualify as basic salary, is not basic salary. The only exception is compensation paid pursuant to bona fide cafeteria plan, flexible benefit plan or similar arrangement as described in WAC 415-104-3302.

[Statutory Authority: RCW 41.50.050 and 41.50.055. 97-01-016, § 415-104-405, filed 12/6/96, effective 1/6/97.]

WAC 415-104-450 How do I designate a beneficiary, and who will receive a distribution if I die before retirement? This section applies to Plan 2 members.

(1) You may designate or change a beneficiary by submitting a *beneficiary designation form* to the department. Your designation will become effective upon the department's receipt of the form, only if it is completed properly and signed by you and a witness.

(2) You may name one or more of the following as a beneficiary or beneficiaries:

(a) An organization or person, including unborn or later adopted children. However, unborn or later adopted children must be specifically designated as beneficiaries on the form. You must indicate the date of birth for any living person you name as a beneficiary.

(b) Your estate.

(c) An existing trust, or a trust to be established at a later date or under your last will. If you designate a trust that is not in existence at the time of your death, or is not created under your last will, the designation will be invalid. Before making distribution to any trust the department must receive:

(i) A copy of the entire trust document;

(ii) The name, address, telephone number of the current trustee; and

(iii) The tax identification number.

(3) You may name contingent beneficiaries in addition to primary beneficiaries.

(4) You may change your beneficiary designation at any time.

(8/10/09)

(5) A change in marital status may invalidate your prior designation.

(6) Your named beneficiary may not necessarily receive a distribution if you die prior to retirement. (See example three.) Distribution is governed by RCW 41.26.510.

(7) If your surviving spouse is eligible to receive a benefit under RCW 41.26.510(2), but your spouse dies before requesting a distribution, your minor children and your spouse's minor children may elect to receive either:

(a) Your accumulated contributions; or

(b) A monthly benefit, share and share alike, until each child reaches the age of majority. See example four.

Examples:

EXAMPLE ONE.

Facts

John, a member, completes a beneficiary designation form.

In the place on the form reserved for persons, he names his daughter Ann. He checks the box to indicate that Ann is a primary beneficiary.

In the place on the form reserved for trust/organizational beneficiaries, he lists the "Barbara Trust." His daughter Barbara is the trust beneficiary. He checks the box to indicate that the trust is a primary beneficiary.

Result

At John's death, Ann and the Barbara Trust are the primary beneficiaries. The department will require the name of the trustee, the tax identification number, a copy of the entire trust and other information specified in this rule before distribution to the trust. Distribution is governed by RCW 41.26.510.

EXAMPLE TWO.

Facts

John, a member, completes a beneficiary designation form.

In the place on the form reserved for persons, he names his daughter Ann. He checks the box to indicate that Ann is a primary beneficiary.

In the place on the form reserved for trust/organizational beneficiaries, he lists his daughter Barbara personally; i.e., no trust name is provided. John checks the corresponding box to indicate a primary beneficiary designation. At John's death, the department learns that John has created no trusts.

Result

Because John has created no trust, the designation of the Barbara Trust is void. Barbara, personally, will not be a beneficiary.

EXAMPLE THREE.

Facts

When she became a LEOFF Plan 2 member, Joan named her mother as her beneficiary. Joan later married, but did not file a new beneficiary form before she died with eleven years of service.

Result

Unless required to do otherwise by court order, the department will comply with RCW 41.26.510(2) and pay Joan's surviving spouse either a retirement allowance or lump sum. In this case, Joan's mother will not receive a distribution.

EXAMPLE FOUR.**Facts**

John is a LEOFF 2 member with eleven years of service. He and his wife Mary have a total of three minor children. They have one child together, and each has one child from a previous marriage.

John and Mary were in a skydiving accident. John died instantly making Mary eligible for a benefit under RCW 41.26.510(2). However, Mary died the following week before requesting a distribution from the department.

Result

Since Mary died before requesting a distribution of John's account, John and Mary's three minor children are eligible and opt to receive a monthly benefit, share and share alike until each child reaches the age of majority.

WAC 415-104-455 Are my spouse and dependent children eligible to have their health care insurance premiums paid for? If you are a Plan 2 member and you die in the line of duty, your surviving spouse and/or dependent children may be eligible for PEBB health care insurance and to have their monthly premiums paid for.

(1) Who can have their health care insurance premiums paid for? To have PEBB health care insurance premiums paid for, your beneficiary must:

- (a) Be a surviving spouse or surviving dependent child, as defined in RCW 41.26.030, of a Plan 2 member who dies in the line of duty, as determined by L&I;
- (b) Receive a death benefit; and
- (c) Be approved for PEBB health care insurance.

(2) Who makes this determination? L&I, DRS, and HCA each play a role in determining your spouse or children's eligibility to have their PEBB health care insurance premiums paid for. L&I will determine whether you died in the line of duty and will notify DRS of their determination. DRS will identify your eligible spouse and dependent children and will notify the PEBB program within HCA. The PEBB program will then determine eligibility for enrollment in PEBB health care insurance.

(3) What do my spouse or dependent children need to do to receive these payments? Once DRS is notified of your death in the line of duty, we will send your spouse or dependent children information about enrolling in PEBB health care insurance. If your spouse or dependent children want PEBB health care insurance, they must complete an enrollment application and send it to the PEBB program. DRS or the PEBB program may contact them for more information.

(4) How will the monthly premiums be paid for?

Upon enrollment in PEBB health care insurance, DRS will make direct payment of your spouse or dependent children's monthly premiums to HCA. They do not need to send any money to DRS or HCA.

(5) How long can my spouse or dependent children remain enrolled in PEBB health care insurance? Your spouse or dependent children can remain enrolled in PEBB health care insurance so long as they are eligible under HCA rules (see chapters 182-08 and 182-12 WAC). As long as they are eligible for PEBB health care insurance, their monthly premiums will be paid for by DRS.

(6) Definitions:

- (a) DRS - Department of retirement systems.
- (b) HCA - Health care authority.
- (c) L&I - Department of labor and industries.
- (d) PEBB - Public employees benefits board.

WAC 415-104-475 How does a firefighter who provides emergency medical services transfer PERS service credit to LEOFF Plan 2? (1) Who may use this section?

You may use this section if you are:

(a) A member of PERS Plan 1 or Plan 2 eligible for membership in LEOFF Plan 2 as an EMT under RCW 41.26.030;

(b) Currently a LEOFF Plan 2 member who chose LEOFF membership after separating from service as an EMT in a PERS Plan 1 or Plan 2 eligible position; or

(c) Currently a LEOFF Plan 2 member and were formerly employed providing emergency medical services in a PERS Plan 1 or Plan 2 eligible position which was relocated by your employer to a fire department.

(2) How do I know if my job providing emergency medical services was "relocated" to a fire department? To be considered "relocated":

(a) The duties of the position must have required providing emergency medical services and the position must have been covered under PERS Plan 1 or Plan 2;

(b) The employer must have been a city, town, county, or district that transferred the position to a fire department; and

(c) The fire department must have determined the transferred position was eligible for LEOFF Plan 2.

(3) Who determines whether or not my job providing emergency medical services was "relocated" to a fire department? DRS will determine whether or not your job was relocated based on the criteria described in subsection (2) of this section. To do so, DRS will contact your former employer where you provided emergency medical services in a PERS eligible position and verify:

(a) That your position was relocated to a fire department; and

(b) The number of months you worked in that position.

(4) I formerly worked as an EMT for a PERS employer that relocated the job to a fire department. I was not working in the job at the time it was relocated. I am now in a LEOFF Plan 2 eligible position. Can I transfer my PERS Plan 1 or Plan 2 EMT service to LEOFF Plan 2? Yes, whether or not you were working in the job at the time it was relocated, you can transfer your PERS Plan 1

or Plan 2 EMT service as long as you are employed as a firefighter in a LEOFF Plan 2 eligible position at the time you request the transfer.

(5) What do I need to do if I have PERS Plan 1 or Plan 2 EMT service that can be transferred to LEOFF Plan 2? If you have PERS Plan 1 or Plan 2 EMT service that you want to transfer to LEOFF Plan 2, then you must do the following:

(a) Contact the LEOFF unit at DRS. Once DRS verifies you meet the criteria to transfer as described in subsection (1) of this section, DRS will provide you an *EMT Transfer Packet* that includes an "EMT transfer cost estimate" and an "EMT Request for Transfer" form. You may also request a benefit comparison. You must complete, sign, and return the form to the LEOFF unit to choose to transfer the service credit.

(b) You must pay the difference in the member contribution rates between the PERS rate and the LEOFF rate, plus interest, for each month of EMT service that you transfer. This bill must be paid in full within five years of your election to transfer your EMT service.

(6) Do I have to pay the bill in a lump sum? No, you do not have to pay the bill in a lump sum, you may make installment payments. Interest on the unpaid balance will accrue monthly, at a rate of eight percent annually.

(7) Is there a deadline for requesting to transfer? Yes, you must submit a completed "EMT Request to Transfer" form to the department no later than June 30, 2013.

(8) When will the EMT service be transferred into my LEOFF Plan 2 account? The EMT service will be transferred after:

(a) The bill is paid in full and five years have passed after DRS receives your request to transfer; or

(b) You meet one of the conditions described in subsection (15) of this section.

(9) What if I choose not to transfer my PERS EMT service into LEOFF Plan 2? If you do not choose to transfer your PERS Plan 1 or Plan 2 EMT service, it will remain in PERS. You may either withdraw it or begin receiving a PERS retirement benefit when you are eligible. If you do not withdraw or retire from PERS, you will be a dual member of PERS and LEOFF Plan 2 under the provisions of chapter 41.54 RCW.

(10) Can I retire before the transfer of my PERS EMT service is completed? Yes, you may retire from LEOFF Plan 2 once you are eligible, but your retirement benefit will be calculated using only your LEOFF Plan 2 service.

Once the conditions described in subsection (8) of this section have been met, the PERS Plan 1 or Plan 2 EMT service will be transferred into your LEOFF Plan 2 account and your retirement benefit will be recalculated and increased to include the transferred service. The increase will be prospective only from the day following the five-year waiting period.

For example, if you requested the transfer on September 15, 2006, made the required payment, and you retired on August 1, 2007, your retirement benefit would be increased on September 16, 2011.

(11) What if I request to transfer my PERS Plan 1 or Plan 2 EMT service but change my mind before the transfer is completed? If you decide not to transfer your PERS Plan 1 or Plan 2 EMT service into LEOFF Plan 2, you must

notify the LEOFF unit at DRS within five years from the date you requested the transfer. LEOFF staff will cancel your request and refund any money you have paid on the transfer bill.

(12) Can I transfer non-EMT PERS service into LEOFF Plan 2? No, you may not transfer non-EMT PERS service into LEOFF Plan 2. Only the PERS Plan 1 or Plan 2 service credit you earned working as an EMT can be transferred into LEOFF Plan 2.

(13) Can I transfer my PERS Plan 1 or Plan 2 EMT service into LEOFF Plan 2 and withdraw my non-EMT PERS service? Yes, you may transfer your PERS Plan 1 or Plan 2 EMT service into LEOFF Plan 2 and withdraw your non-EMT PERS service. You can withdraw your non-EMT PERS service as soon as the PERS EMT service is fully transferred to LEOFF Plan 2. To be fully transferred, the conditions described in subsection (8) of this section must be met.

(14) Can I transfer my PERS EMT service into LEOFF Plan 1? No, you may not transfer your PERS EMT service into LEOFF Plan 1. If you reentered LEOFF Plan 1 membership after your position was relocated to a fire department, you may choose to remain in PERS or return to LEOFF Plan 1 membership, but you may not transfer the PERS EMT service into LEOFF Plan 1.

(15) What happens if I die or retire for disability before the PERS EMT service is transferred into my LEOFF Plan 2 account? If you elect to transfer your PERS Plan 1 or Plan 2 EMT service to LEOFF Plan 2 but die or retire for disability before the transfer is complete, then one of the following will occur:

(a) If your EMT bill is paid in full but the five-year waiting period has not expired, and you are approved for disability or you die, then DRS will transfer your applicable service credit, accumulated contributions, and interest to your LEOFF Plan 2 account immediately. The transferred service credit, accumulated contributions, and interest will be used to calculate your benefit or, in the case of your death, the benefit your spouse or minor children will receive.

(b) If your EMT bill is not paid in full and you retire for disability, DRS will transfer your applicable service credit, accumulated contributions, and interest into your LEOFF Plan 2 account and use them to calculate your benefit. You will then have the following options:

(i) Pay the bill in full;

(ii) Choose to have your monthly benefit actuarially reduced to reflect the unpaid amount of the bill; or

(iii) Continue to make payments against the remaining amount of the bill. You must pay the bill in full no later than five years from your original election date.

(c) If the EMT bill is not paid in full and you die, DRS will transfer your applicable service credit, accumulated contributions, and interest into your LEOFF Plan 2 account and use them to calculate the benefit for your spouse or minor children. Your spouse or minor children will have the following options:

(i) Pay the bill in full;

(ii) Choose to have their monthly benefit actuarially reduced to reflect the unpaid amount of the bill; or

(iii) Continue to make payments against the remaining amount of the bill. Your spouse or minor children must pay

the bill in full no later than five years from **your** original election date.

Note: If the EMT bill is not paid in full within the five-year period, the monthly benefit will be actuarially reduced to reflect the unpaid amount of the bill.

- (b) EMT - Emergency medical technician or paramedic who provides emergency medical services.

WAC 415-104-480 LEOFF Plan 2 duty disability benefits. This section applies to you if you are a LEOFF Plan 2 member who incurs a disability in the line of duty per RCW 41.26.470 (6) and (7) and this section.

(1) Who is entitled to duty disability benefits? Any member of LEOFF Plan 2 who the department determines has:

- (a) Incurred a physical or mental disability in the line of duty;
- (b) Become totally incapacitated for continued employment in a LEOFF eligible position; and
- (c) Separated from a LEOFF eligible position due to the disability.

(2) How is "line of duty" defined? Line of duty means any action or activity occurring in conjunction with your employment or your status as a law enforcement officer or firefighter and required or authorized by law, rule, regulations, or condition of employment or service.

(3) When are the duty disability provisions effective? The duty disability provisions under RCW 41.26.470 (6) and (7) are effective June 10, 2004.

(4) How do I apply for duty disability benefits? The department must receive:

- (a) A completed three-part disability retirement application on the form provided by the department.
 - (i) Part 1: Disability retirement application. You must complete and sign the application. If you are married, your spouse must sign consenting to the retirement payment option you choose. Your signature(s) must be notarized.
 - (ii) Part 2: Employer's statement and report. Your employer must complete, sign and return it directly to the department.
 - (iii) Part 3: Medical report. You must complete Section 1. The remainder must be completed and signed by a person licensed according to Washington state law to practice medicine and surgery, osteopathic medicine and surgery, chiropractic, clinical psychology, podiatry, dentistry, or optometry;
- (b) Additional information requested by the department; and
- (c) Any other material you want the department to consider.

(5) What evidence will the department use to determine whether I am entitled to benefits under this section? The department will consider any relevant information sub-

mitted by you or your employer, or otherwise available to the department, including:

- (a) Information and determinations by the department of labor and industries (L&I) or a self-insurer;
- (b) Medical, vocational, and other information about your disability;
- (c) Your job description;
- (d) Your membership records, maintained by the department; and
- (e) Any other relevant evidence.

(6) What would disqualify me for duty disability benefits? You are not eligible for duty disability benefits if any of the following apply:

- (a) Your application does not provide adequate proof that you are totally incapacitated for continued employment in a LEOFF-eligible position;
- (b) Your application does not provide adequate proof that your disability was incurred in the line of duty;
- (c) The disability occurred as a result of intentional misconduct including but not limited to:
 - (i) An action you took intentionally to bring about your own disability;
 - (ii) Gross negligence on your part; or
 - (iii) Your voluntary intoxication. As used in this section, "intoxication" means a disturbance of mental or physical faculties resulting from the introduction of:
 - (A) Alcohol into the body as evidenced by:
 - (I) A blood alcohol level of .20 per centum or greater; or
 - (II) A blood alcohol level of at least .10 per centum but less than .20 per centum unless the department receives convincing evidence that the officer or firefighter was not acting in an intoxicated manner immediately prior to the injury; or
 - (B) Drugs or other substances in the body.

(7) Who decides if I meet the requirements for benefits under this section? The LEOFF plan administrator.

(8) May I petition a decision made by the LEOFF plan administrator? Yes. If the LEOFF plan administrator denies your request for a disability benefit under this section, you may petition for review under chapter 415-04 WAC.

(9) What are the duty disability retirement benefits? As a duty disability retiree, you may choose between:

- (a) A nontaxable, one-time lump sum payment equal to one hundred fifty percent of your retirement contributions; except that, any payments made to restore service credit after the five-year deadline will be paid at one hundred percent; or
- (b) A monthly allowance equal to:
 - (i) Ten percent of your final average salary (FAS), which is nontaxable; and
 - (ii) Two percent of your FAS for each year of service beyond five years.

Your monthly allowance will not be adjusted for early retirement. However, if you choose a benefit option with a survivor feature as described in WAC 415-104-215, your monthly allowance will be actuarially reduced to offset the cost. The factors used to determine the amount of the reduction are in WAC 415-02-380.

Example: Tom incurs a duty disability at age 42 after twenty years of service. His final average salary is \$5000 per month. Tom's wife is also age 42. He chooses Benefit Option Two so that, after his death, his wife will receive a monthly allow-

ance equal to the gross monthly allowance he was receiving. See WAC 415-104-215 (2)(b).

Tom's minimum duty disability allowance, calculated at 10 percent of his final average salary (FAS) is:

Allowance	$\$5000 \times 10\% =$	\$500
Allowance after the actuarial reduction for Option Two (survivor feature)	$\$500 \times 0.87 =$	\$435 (nontaxable)

In addition, Tom will receive:

Allowance	$15 \text{ years} \times 2\% \times \text{FAS} (\$5000) =$	\$1500
Allowance after the actuarial reduction for Option Two (survivor feature)	$\$1500 \times 0.87 =$	\$1305

Tom will receive \$435 (nontaxable) plus \$1305 (taxable), for a total monthly allowance of \$1740.

(10) **Are my duty disability benefits taxable?** The department reports disability benefits to the Internal Revenue Service as required by federal law. Based on current federal law, part of your benefit may be taxable. You should consult with your own tax advisor regarding all questions of federal or state income, payroll, personal property or other tax consequences regarding any payments you receive from the department.

The department does not:

- Guarantee that payments are exempt from federal income tax;
- Guarantee that it was correct in withholding or not withholding taxes from benefit payments to you;
- Represent or guarantee that any particular federal or state income, payroll, personal property or other tax consequence will occur because of its determination; or
- Assume any liability for your compliance with the Internal Revenue Code.

(11) **If I previously withdrew my contributions, may I apply for duty disability benefits?** If you separated from employment due to a disability and withdrew your contributions, you may apply for duty disability benefits according to the provisions of subsection (4) of this section.

(12) **If I previously withdrew my contributions and am approved for duty disability benefits, what will I receive as a benefit?** If the LEOFF plan administrator determines you are entitled to duty disability benefits, the department will amend Internal Revenue Service reporting to designate your previous withdrawal as nontaxable. In addition, you may choose either of the following:

- If you previously withdrew 100% of your contributions, you may choose to receive an additional lump sum payment equal to 50% of the contributions you withdrew. The payment will be nontaxable; or
- If you previously withdrew 100% or 150% of your contributions, you may choose to receive a monthly allowance according to subsection (9) of this section. You must repay the amount you withdrew, either in a lump sum payment or by having your monthly allowance permanently

actuarially reduced to offset the amount of your previous withdrawal.

Example: John was injured on the job and separated from his LEOFF position in March 2002. At the time he separated, he was 43 years old, had 10 years of service, and his final average salary was \$5,000.00 per month. At that time, John chose to withdraw \$75,000, which equaled 150 percent of his retirement contributions. John subsequently applied under the provisions of RCW 41.26.470 (6) and (7) and was deemed eligible for duty disability benefits. The department calculated John's benefit according to the methods in subsection (9) of this section. John determined it was to his advantage to take a monthly allowance.

If John **repays the entire amount he withdrew in a lump sum**, his monthly allowance will be calculated according to the formula in subsection (9)(b) of this section:

Minimum monthly allowance	$10\% \times \text{FAS} (\$5000) =$	\$500 (nontaxable)
	Plus:	
Monthly allowance	$5 \text{ years} \times 2\% \times \text{FAS} (\$5000) =$	\$500
John's total monthly allowance will be \$1,000 ¹ .		

If John **repays the withdrawn amount through a permanent actuarial reduction**, his monthly allowance will be reduced as follows:

Monthly allowance (calculated above)	=	\$1000
Reduction to repay the withdrawn amount (\$75,000)	$\$75,000 \times .0049904$ (annuity factor, which is based on the retiree's age) =	-\$374.28
Monthly allowance		\$625.72 ²

¹ Annuity factors are provided in WAC 415-02-340.

² If John chooses a benefit option with a survivor feature, as described in WAC 415-104-215, his monthly allowance will be actuarially reduced to offset the cost. Survivor option factors are provided in WAC 415-02-380.

(13) **When does a duty disability retirement benefit end?** The department may require comprehensive medical examinations to reevaluate your eligibility for continued disability benefits according to the provisions of RCW 41.26.470(2). Your duty disability benefit will cease if:

- You return to work in a LEOFF-eligible position; or
- Medical examination reveals that you are no longer totally incapacitated for employment in a LEOFF eligible position and you are no longer entitled to workers' compensation benefits under Title 51 RCW.

(14) **If I retire for a duty disability and die, will my survivor beneficiary receive a monthly allowance?** If you choose a benefit option with a survivor feature under WAC 415-104-215(2) at the time of retirement, your survivor beneficiary will receive a monthly allowance after your death.

(15) **What happens if I return to a LEOFF-eligible position?** If you return to a LEOFF-eligible position, your monthly allowance will stop.

(16) **If I return to a LEOFF-eligible position, how will my future retirement benefit be affected?** When you rere-tire, your monthly allowance will be calculated pursuant to RCW 41.26.500 and WAC 415-104-111.

WAC 415-104-482 What is the LEOFF Plan 2 catastrophic disability allowance? Under RCW 41.26.470, two types of disability retirement are available to members of LEOFF Plan 2 who become disabled in the line of duty: Duty disability retirement benefits as described in WAC 415-104-480 and catastrophic disability retirement benefits as described in this section. If you are not eligible for a catastrophic disability allowance under this section, you may still be eligible for duty disability benefits.

(1) **Am I eligible for a catastrophic disability allowance?** You are eligible for a catastrophic disability allowance if the department determines all of the following are true:

(a) You incurred a physical or mental disability in the line of duty, as defined in subsection (13) of this section;

(b) You separated from LEOFF-eligible employment due to your disability;

(c) Your disability is so severe that you are unable to do your previous LEOFF eligible work, and considering your education, transferable skills, and work experience, you cannot engage in any other kind of substantial gainful activity in the labor market;

(d) Your condition has lasted or is expected to last at least twelve months, or your condition is expected to result in death; and

(e) Your disability is not the result of your criminal conduct committed after April 21, 1997. See RCW 41.26.061.

(2) **If I am receiving a retirement allowance for service, can I qualify for a catastrophic disability allowance?** You are eligible for a catastrophic disability allowance in lieu of your service retirement allowance if the department determines you separated from LEOFF-eligible service due to a duty disability and you otherwise meet the eligibility requirements in subsection (1) of this section.

(3) **How do I request a catastrophic disability allowance?** To request a catastrophic disability allowance, please contact the LEOFF unit at the department of retirement systems. You, your physician, and your employer will be required to provide information regarding your catastrophic disability.

(4) **What information will the department use to determine whether I am entitled to an allowance under this section?** The department will consider information submitted by you, your physician, and your employer, and information otherwise available to the department, including:

(a) Medical and vocational information;

(b) Information from and determinations made by the department of labor and industries, the Social Security Administration, or a self-insurer;

(c) Your job description at the time you separated from LEOFF Plan 2 service;

(d) Financial records;

(e) Your membership records, maintained by the department; and

(f) Any other relevant information.

(5) **Who determines my eligibility?** The LEOFF plan administrator determines your eligibility for a catastrophic disability benefit. The plan administrator will rely substantially on determinations that have been made by the Social Security Administration unless there is information available that would produce a different determination.

(6) **What are my options if my request is denied?** If your request is denied, you have the following options:

(a) You may apply for duty disability benefits under WAC 415-104-480; and/or

(b) You may petition for review under chapter 415-04 WAC.

(7) **If my request is approved, when will my monthly allowance begin to be paid?** If your request is approved, you will begin to receive a catastrophic disability allowance in the month following the approval. Your first payment will include a retroactive payment of benefits that have accrued, but not yet been paid. The date your allowance for catastrophic disability accrues is determined as follows:

(a) If you separated from LEOFF Plan 2 employment due to a catastrophic disability, your allowance will accrue from the first of the month following your separation date.

(b) If you are receiving a duty disability allowance or a service retirement allowance, and you are subsequently approved for a catastrophic disability, your allowance will accrue from:

(i) The first of the month following the month in which a specific, one-time event, verified by medical records, occurred that clearly caused your duty disability to become a catastrophic disability; or

(ii) If the department determines there is not a one-time event that caused your disability to become catastrophic, the first of the month following the month in which the department receives your request for a catastrophic disability allowance.

Example: John has been receiving a duty-disability allowance under WAC 415-104-480 since June 1, 2005, when he separated service as a firefighter due to a back injury he incurred in the line of duty.

Example of (b)(i) of this subsection: A one-time event. On January 15, 2007, John accidentally twisted his back causing a catastrophic disability. Because John's catastrophic disability was clearly the result of a specific one-time event, his catastrophic disability allowance will accrue from February 1, 2007, the first of the month following the month in which the event occurred.

Example of (b)(ii) of this subsection: No specific event. John's back gradually worsened until his disability qualified as a catastrophic disability. On May 15, 2007, John applied for a catastrophic disability allowance. His allowance will accrue from June 1, 2007, the first of the month following the month the department received his application.

(8) How much is a catastrophic disability allowance?

The base catastrophic disability allowance is equal to seventy percent of your final average salary (FAS).

(a) Your allowance combined with other disability benefits, such as Title 51 RCW benefits or Social Security disability benefits, may not exceed one hundred percent of your FAS. If necessary, your catastrophic disability allowance will be reduced so that your combined allowance does not exceed one hundred percent of your FAS. Your catastrophic disability allowance will not be reduced below your accrued retirement allowance as defined in subsection (13) of this section.

(b) If you choose a benefit option with a survivor feature as described in WAC 415-104-215, the allowance calculated in (a) of this subsection will be actuarially reduced to cover the cost of providing benefits over two lifetimes.

(c) If you have been retired for at least one year by July 1st of each year, you will receive a cost-of-living adjustment each July 1 based on the percentage change, if any, in the consumer price index.

Example: Michael separates from service on June 1, 2005, and is approved for a catastrophic disability allowance. Since his FAS is \$5,800, Michael's catastrophic disability allowance from the department is \$4,060 per month ($\$5,800 \times 70\% = \$4,060$). Michael is also approved for a Social Security benefit in the amount of \$1,800 per month. Michael's combined benefit equals \$5,860 ($\$4,060 + \$1,800$). This is \$60 over 100% of his FAS ($\$5,860 - \$5,800$), so Michael's catastrophic disability benefit will be reduced by that amount; his new monthly benefit from the department is \$4,000 ($\$4,060 - \60). In January 2006, Michael received a 4.1% COLA for his Social Security benefit. The department will recalculate his benefit as follows:

January 2006 Social Security benefit, with COLA	$\$1,800 \times 4.1\% = \$73.80 + \$1,800$	= \$1,873.80
Total combined benefit	$\$4,060 + \$1,873.80$	= \$5,933.80
Amount over 100% of FAS	$\$5,933.80 - \$5,800$	= \$133.80

Since Michael's combined benefit is \$133.80 over 100% of his FAS, his catastrophic disability benefit will be reduced by that amount. His new monthly benefit from the department is \$3,926.20 ($\$4,060 - \133.80). Michael's benefit cannot be reduced more than the amount of his accrued retirement allowance. To determine his accrued retirement allowance, the department multiplies Michael's FAS, \$5,800, by his years of service credit, 30, by 2% ($\$5,800 \times 30 \times 2\%$). Michael's accrued retirement allowance is \$3,480. Since his benefit does not fall below his retirement allowance, Michael will receive \$3,926.20 from the department per month.

In July 2006, Michael received a 3% COLA for his catastrophic disability benefit. The

department will recalculate his benefit as follows:

July 2006 catastrophic disability benefit, with COLA	$\$5,800 \times 3\% = \$174 + \$5,800 = \$5,974 \times 70\%$	= \$4,181.80
Total combined benefits	$\$4,181.80 + \$1,873.80$	= \$6,055.60
Amount over 100% of FAS	$\$6,055.60 - \$5,974$	= \$81.60

Since Michael's combined benefit is \$81.60 over 100% of his FAS, his catastrophic disability benefit will be reduced by that amount. His new monthly benefit from the department is \$4,100.20 ($\$4,181.80 - \81.60). This is compared to his accrued retirement allowance, \$3,584.40 ($\$5,974 \times 30 \times 2\%$); since his benefit does not fall below his retirement allowance, Michael will receive \$4,100.20 from the department per month.

(9) Is my catastrophic disability allowance taxable?

You should consult with your tax advisor regarding all payments you receive from the department. The department does not:

- (a) Guarantee that payments are exempt from federal income tax;
- (b) Guarantee that it was correct in withholding or not withholding taxes from disability payments;
- (c) Represent or guarantee that any particular federal or state income, payroll, personal property or other tax consequence will occur because of its determination; or
- (d) Assume any liability for your compliance with the Internal Revenue Code.

(10) If I withdrew my contributions prior to December 2, 2004, and am approved for a catastrophic disability allowance, what will I receive? You may apply for a catastrophic disability allowance even if you withdrew your accumulated contributions prior to December 2, 2004. If you are approved for a catastrophic disability allowance, your monthly allowance will be calculated as follows:

- (a) If you repay the entire amount you withdrew in a lump sum payment, you will receive a monthly allowance calculated according to subsection (8) of this section.
- (b) If you do not repay the entire amount you withdrew, your monthly allowance will be actuarially reduced to offset the amount of your previous withdrawal.

(11) Can my catastrophic disability allowance be discontinued? Your catastrophic disability allowance will be discontinued if:

- (a) Medical/vocational examination reveals that your disability no longer prevents you from performing substantial gainful activity; or
- (b) Your earnings exceed the threshold for substantial gainful activity.

The department may require comprehensive medical/vocational examinations and/or submission of earnings information to evaluate your eligibility for continued benefits according to the provisions of RCW 41.26.470. You are required to contact the department if your medical/vocational or financial situation changes.

(12) **If my catastrophic disability allowance terminates, may I qualify for duty disability benefits?** If you are no longer eligible for a catastrophic disability allowance, but have a disability that prevents you from returning to a LEOFF-eligible position, the department will determine if you qualify for duty disability benefits under WAC 415-104-480.

(a) The department may request additional information from you, your physician, or others upon which to base the determination.

(b) If the department determines you are eligible, you will begin receiving a duty disability allowance under WAC 415-104-480 in lieu of your catastrophic disability allowance.

(13) **Definitions.** As used in this section:

(a) **Accrued retirement allowance** means a duty disability monthly allowance under WAC 415-104-480.

(b) **Earnings** are any income or wages received, which are reportable as wages or self-employment income on IRS form 1040.

(c) **Labor market** is the geographic area within reasonable commuting distance of where you were last gainfully employed or where you currently live, whichever provides the greatest opportunity for gainful employment.

(d) **Line of duty** means any action or activity performed in the service of your employer that is required or authorized by law, rule, regulations, or condition of employment or service.

(e) **Substantial gainful activity** means any activity that produces average earnings, as defined in (b) of this subsection, in excess of eight hundred sixty dollars a month in 2006, adjusted annually as determined by the department based on federal Social Security disability standards. Wages count toward earnings when they are earned, not when you receive them. Self-employment income counts when you receive it, not when you earn it.

(f) **Transferable skills** are any combination of learned or demonstrated behavior, education, training, work traits, and skills that you can readily apply. They are skills that are interchangeable among different jobs and workplaces.

[Statutory Authority: RCW 41.50.050(5) and 41.26.470. 09-17-035, § 415-104-482, filed 8/10/09, effective 9/10/09.]

WAC 415-104-485 LEOFF nonduty disability benefits. This section applies to you if you are a LEOFF Plan 2 member who incurs a disability not in the line of duty. If your disability or injury was incurred in the line of duty, see WAC 415-104-480.

(1) **Who is entitled to nonduty disability benefits?** Any member of LEOFF Plan 2 who the department determines has:

(a) Incurred a physical or mental disability while not in the line of duty;

(b) Become totally incapacitated for continued employment in a LEOFF eligible position; and

(c) Separated from a LEOFF-eligible position due to the disability.

(2) **How is "line of duty" defined?** Line of duty means any action or activity occurring in conjunction with your employment or your status as a law enforcement officer or

firefighter and required or authorized by law, rule, regulations, or condition of employment or service.

(3) **How do I apply for nonduty disability benefits?** The department must receive:

(a) A completed three-part disability retirement application on the form provided by the department.

(i) Part 1: Disability retirement application. You, or a person with legal authority to apply on your behalf, must complete and sign the application. If you are married, your spouse must sign consenting to the retirement payment option you choose. Your signature(s) must be notarized.

(ii) Part 2: Employer's statement and report. Your employer must complete, sign and return it directly to the department.

(iii) Part 3: Medical report. You must complete Section 1. The remainder must be completed and signed by a person licensed according to Washington state law to practice medicine and surgery, osteopathic medicine and surgery, chiropractic, clinical psychology, podiatry, dentistry, or optometry;

(b) Additional information requested by the department; and

(c) Any other material you want the department to consider.

(4) **Is there a time limit for filing an application for nonduty disability benefits?** No. There is no time limit for applying for benefits. However, if you have separated from employment, your application must be based on your condition at the time of separation.

(5) **What evidence will the department use to determine whether I am entitled to benefits under this section?** The department will consider any relevant information submitted by you or your employer, or otherwise available to the department, including:

(a) Information and determinations by the department of labor and industries (L&I) or a self-insurer;

(b) Medical, vocational, and other information about your disability;

(c) Your job description;

(d) Your membership records, maintained by the department; and

(e) Any other relevant evidence.

(6) **What would disqualify me for nonduty disability benefits?** You are not eligible for nonduty disability benefits if any of the following apply:

(a) Your application does not provide adequate proof that you are totally incapacitated for continued employment in a LEOFF-eligible position;

(b) Your disability is the result of your criminal conduct committed after April 21, 1997. See RCW 41.26.061.

(7) **Who decides if I meet the requirements for benefits under this section?** The LEOFF plan administrator.

(8) **May I petition a decision made by the LEOFF plan administrator?** Yes. If the LEOFF plan administrator denies your request for a disability benefit under this section, you may petition for review under chapter 415-04 WAC.

(9) **What are the nonduty disability retirement benefits?** As a nonduty disability retiree, your retirement benefit is a monthly allowance equal to:

(a) Two percent times your final average salary times your service credit years. This allowance will be actuarially

reduced to reflect the difference in age at the time of disability retirement and age 53. If you qualify for alternative early retirement per RCW 41.26.430(3), your reduction will be three percent per year before age 53.

(b) If you choose a benefit option with a survivor feature as described in WAC 415-104-215, your monthly allowance will be actuarially reduced to offset the cost. The factors used to determine the amount of reduction are in WAC 415-104-380.

Example: Tom incurs a nonduty disability at age 42 after twenty years of service. His final average salary is \$5,000 per month. Tom's wife is also age 42. He chooses Benefit Option Two so that, after his death, his wife will receive a monthly allowance equal to the gross monthly allowance he was receiving. See WAC 415-104-215 (2)(b).

Tom's nonduty disability allowance is:

Nonduty disability allowance $\$5,000 \times 2\% \times 20 \text{ years} = \$2,000$

Allowance after the actuarial reduction for early retirement $\$2,000 \times 0.39 = \780

Allowance after the actuarial reduction for Option Two (survivor feature) $\$780 \times .87 = \679

(10) **Are my nonduty disability benefits taxable?** The department reports disability benefits to the Internal Revenue Service as required by federal law. Based on current federal law, your benefit may be taxable. You should consult with your own tax advisor regarding all questions of federal or state income, payroll, personal property or other tax consequences regarding any payments you receive from the department.

The department does not:

(a) Guarantee that payments are exempt from federal income tax;

(b) Guarantee that it was correct in withholding or not withholding taxes from benefit payments to you;

(c) Represent or guarantee that any particular federal or state income, payroll, personal property or other tax consequence will occur because of its determination; or

(d) Assume any liability for your compliance with the Internal Revenue Code.

(11) **If I previously retired for service under the alternative early retirement provisions of RCW 41.26.430(3), but I qualified for a disability retirement, can I apply for duty or nonduty disability benefits?** Yes. If you retired under the alternative early retirement provisions of RCW 41.26.430(3) on or before January 1, 2001, you can apply to retire under the disability provisions of RCW 41.26.470. Your benefit will be reduced by three percent per year before age 53 instead of actuarially reduced by the early retirement factors in WAC 415-02-320.

(12) **If I previously retired for disability but was otherwise qualified for a service retirement under the alternative early retirement provisions of RCW 41.26.430(3), can I have my benefit recalculated to reflect a three percent reduction instead of being actuarially reduced by the early retirement reduction factors in WAC 415-102-320?** Yes. If you retired on or after January 1, 2001, and met the requirements of RCW 41.26.430(3), you can have your disability benefit recalculated under those provisions.

(8/10/09)

(13) **When does a nonduty disability retirement benefit end?** The department may require comprehensive medical examinations to reevaluate your eligibility for continued disability benefits according to the provisions of RCW 41.26.470(2). Your nonduty disability benefit will cease if:

(a) You return to work in a LEOFF-eligible position; or

(b) Medical examination reveals that you are no longer totally incapacitated for employment in a LEOFF-eligible position and you are no longer entitled to workers' compensation benefits under Title 51 RCW.

(14) **If I retire for a nonduty disability and die, will my survivor beneficiary receive a monthly allowance?** If you choose a benefit option with a survivor feature under WAC 415-104-215(2) at the time of retirement, your survivor beneficiary will receive a monthly allowance after your death.

(15) **What happens if I return to a LEOFF-eligible position?** If you return to a LEOFF-eligible position, your monthly allowance will stop.

(16) **If I return to a LEOFF-eligible position, how will my future retirement benefit be affected?** When you reretire, your monthly allowance will be calculated pursuant to RCW 41.26.500 and WAC 415-104-111.
