Any certification authority, recognized repository, or applicant for licensure or recognition who believes that any information submitted to the secretary is legally exempt from public disclosure, inspection, or copying pursuant to law may designate such records upon submission to the secretary. (a) The name (including all other names used in the past), date of birth, and business address of the individual;

Such check shall be performed using the individual's fingerprints.

(3) Satisfactory completion by the individual of a written examination demonstrating knowledge and proficiency in following the requirements of the Washington Electronic Authentication Act and these rules. The secretary shall develop an open book written test covering the subject matter of the act, and provide it upon request, which may include electronic access. The secretary shall indicate at the top of the test the percentage or number of questions that must be answered correctly in order to constitute satisfactory completion. No individual may take the examination more than once within a period of thirty days. A certification by the secretary that an individual has successfully completed this examination shall be valid for two years, and shall continue to satisfy the requirements of this subsection even if the individual changes employment.

required by WAC 434-180-130. A license recognized under this subsection shall be valid in Washington only during the time it is valid in the issuing jurisdiction.

(2) The secretary may certify that the licensing or authorization requirements of another jurisdiction are substantially similar to those of Washington if, in order to obtain a license, the controlling law of the other jurisdiction requires that a licensed certification authority:

(a) Issue certificates based upon a system of public key cryptography using a trustworthy system. The law or administrative rule of another jurisdiction must establish standards determining what constitutes a trustworthy system. Those standards may differ from Washington's standards as set forth under WAC 434-180-360 as long as they are substantially similar in purpose and result;

(b) Provide a suitable guaranty in an amount of at least twenty-five thousand dollars;

(c) Employ as operative personnel only individuals who have demonstrated knowledge and proficiency in the requirements of the law regarding digital signatures, and who are free of felony criminal conviction for a minimum of seven years; and

(3) If the requirements of another jurisdiction fail to be certified as substantially similar to those of Washington only because they do not satisfy subsection (2)(c) of this section, then the secretary shall recognize the license of a particular certification authority licensed by that jurisdiction if the certification authority complies with subsection (1)(b) of this section and, in addition, employs as operative personnel only individuals whom the secretary has certified pursuant to WAC 434-180-215.

(4) The secretary shall publish in the *State Register*, and make available upon request, a list of those jurisdictions which the secretary has certified pursuant to subsection (2) of this section. If a jurisdiction is not included in the list most recently published in the *State Register*, the secretary shall consider whether certification of such jurisdiction should be added, upon request of either the jurisdiction or a certification authority licensed by that jurisdiction and upon receipt of an English language copy of the applicable laws and regulations of that jurisdiction.

(2) The secretary shall inform a licensed certification authority by written order, by mail directed to the mailing address or electronic mail address listed on the licensee's application, of a decision to revoke or suspend the license. The notification shall state when the revocation or suspension

WAC 434-180-260 Technical assistance program. (1)

This section describes the secretary's technical assistance program for licensed certification authorities, including recognized repositories. This section implements RCW 43.05-020, by providing for the dissemination of information to licensed certification authorities regarding the requirements of the Washington Electronic Authentication Act and this chapter. It is not intended as a method of providing general business advice to certification authorities, or technical information to the general public, although any member of the public may receive written materials described in this section upon request.

(2) The technical assistance program shall consist of the following:

(a) Technical assistance visits: The secretary, in his or her discretion, may conduct a technical assistance visit, as described by RCW 43.05.030, either by the request or the consent of a licensed certification authority. The secretary is not required to conduct a technical assistance visit.

(b) Printed information: The secretary shall develop, and make available upon request, printed information outlining the requirements of chapter 19.34 RCW and this chapter. This information should not be regarded as a comprehensive guide to conducting business as a certification authority.

(c) Information and assistance by telephone: A licensed certification authority or applicant for licensing or recognition, may contact the secretary's office by telephone during normal business hours at the number listed in WAC 434-180-110. The secretary's office shall provide information regarding the licensing and recognition requirements of chapter 19.34 RCW, and this chapter, but no representation or conclusion offered shall be binding upon the secretary.

(d) Training meetings: The secretary may, in his or her discretion, conduct meetings for the purpose of providing training regarding requirements for licensure or recognition.

(e) List of organizations providing technical assistance: The secretary shall compile, and make available upon request, a list of organizations, including private companies, that provide technical assistance to certification authorities. The secretary shall compile this list from information submit-

ted by the organizations and shall not constitute an endorsement by the secretary of any organization.

(3) If the secretary determines, during or within a reasonable time after a technical assistance visit, that the licensed certification authority has violated any statute or rule, the secretary shall notify the certification authority in writing and specify a reasonable period of time to correct the violation before any civil penalty may be imposed. The notification shall include a copy of the specific statute or rule violated. After the expiration of a reasonable time period conveyed to the certification authority, the secretary may revisit the certification authority and issue civil penalties with regard to any uncorrected violations, for which notice was provided.

(1) Penalties imposed under this section shall not exceed ten thousand dollars per incident, or ninety percent of the recommended reliance limit of a material certificate, whichever is less. In case of a violation continuing for more than one day, each day is considered a separate incident. In the case of a state agency authorized by law to become a licensed certification authority, the sole penalty imposed pursuant to this section shall consist of specific findings of noncompliance and an order requiring compliance with this chapter and the rules of the secretary. Any penalty imposed pursuant to this chapter and chapter 34.05 RCW shall be enforceable in the superior court.

(2) In assessing penalties under this section, the secretary shall:

(a) Issue to the licensed certification authority a notice of apparent noncompliance, specifying the provisions of statute or rule with which the certification authority is not in compliance and the range of possible sanctions;

(b) Specify a time period of not less than thirty days during which the certification authority may respond in writing to the notice of apparent noncompliance;

(c) If the certification authority does not respond in writing within the specified period, or obtain a written extension of that period, then the secretary may impose an order consistent with the notice, subject to review pursuant to WAC 434-180-500;

(d) If the certification authority does respond in writing:

(i) If the secretary deems the response to satisfactorily demonstrate compliance with the provisions referenced in the notice, then the secretary shall terminate this process without imposing any penalty;

(ii) If the secretary does not deem the response satisfactory, then the secretary may either:

(A) Issue a new or revised notice pursuant to (a) of this subsection; or

(B) Impose an order consistent with the notice, subject to review pursuant to WAC 434-180-500.

WAC 434-180-540 Stay of summary suspension. (1)

Upon summary suspension of a license by the secretary pursuant to this chapter and chapter 19.34 RCW, an affected certification authority may petition the secretary for a stay of suspension pursuant to RCW 34.05.467 and 34.05.550(1). Such petition must be received by the secretary within the time specified in RCW 34.05.467.

(2) Within seven days of receipt of a petition for stay, a hearing shall be held before an administrative law judge, or if an administrative law judge is not available during this period, before an individual designated by the secretary. The hearing shall be limited to consideration of whether a stay should be granted, or whether the terms of the suspension may be modified to allow the conduct of limited activities under current licenses.

(3) Any hearing conducted pursuant to subsection (2) of this section shall be conducted under RCW 34.05.485, brief adjudicative proceedings. The agency record for the hearing shall consist of the information upon which the summary suspension was based and may be supplemented by any information obtained by the secretary subsequent to the date of the suspension order. The certification authority shall have the burden of demonstrating by a preponderance of the evidence that:

(a) The certification authority is likely to prevail upon the merits at hearing;

(b) Without relief, the certification authority will suffer irreparable injury. For purposes of this section, elimination of income from licensed activities shall not be deemed irreparable injury;

(c) The grant of relief will not substantially harm other parties to the proceedings; and

(d) The threat to the public safety or welfare is not sufficiently serious to justify continuation of the suspension, or that modification of the terms of the suspension will adequately protect the public interest.

(4) The initial order granting or denying a stay shall be effective immediately upon service unless another date is specified in the order.

(1) Any party may petition the secretary for review of an initial order granting or denying a motion for a stay of suspension. A petition for review must be in writing and received by the secretary within twenty-one days of service of the initial order. If neither party has requested review within twenty-one days of service, the initial order shall be deemed the final order of the secretary for purposes of RCW 34.05.467.

(2) If the secretary receives a timely petition for review, he or she shall consider the petition promptly. Consideration on review shall be limited to the record of the hearing on stay.

(3) The secretary's order on the petition for review shall be effective upon service unless another date is specified in the order and is final pursuant to RCW 34.05.467. Final disposition of the petition for stay shall not affect subsequent administrative proceedings for suspension or revocation of a license.

[Statutory Authority: RCW 19.34.030, 19.34.040, 19.34.100, 19.34.111 and 19.34.400. 97-24-053, § 434-180-550, filed 11/26/97, effective 12/27/97.]

WAC 434-180-590 Brief adjudicative proceeding regarding certificate suspension. (1)

Pursuant to RCW 34.05.482, the secretary may use brief adjudicative proceedings where not violative of law, where in the judgment of the secretary protection of the public interest does not require the secretary to give notice and an opportunity to participate to persons other than the parties, and the issue and interests involved in the controversy do not warrant the use of the procedures of RCW 34.05.413 through 34.05.479.

(2) The secretary finds that prompt review of the suspension of a certificate pursuant to RCW 19.34.210(5), 19.34.250(2), or WAC 434-180-350 by the secretary or a state or local agency under contract with the secretary is appropriate for a brief adjudicative proceeding. The secretary adopts the provisions of RCW 34.05.482 through 34.05.494 for purposes of this category of proceedings.

(3) If any person affected by the suspension requests administrative review, the secretary shall immediately notify, by the most rapid means reasonably calculated to inform the recipient of the proceeding, the subscriber, the certification authority, and any other affected party who has requested notification or has requested the review, of the intent to conduct a proceeding pursuant to this section. Conduct of that review shall be in accordance with RCW 34.05.485 through 34.05.494.

(4) The suspension of a certificate by order of the secretary pursuant to RCW 19.34.210(5) and 19.34.250(2) shall lapse ninety-six hours after the suspension.

(5) The secretary may, in his or her discretion, conduct a full adjudicative proceeding if any affected party requests a full review of the suspension of a certificate pursuant to RCW 19.34.250(2). If a full adjudicative proceeding is held, the suspension lapses ninety-six hours after the suspension, but the review need not be completed within that time.

(6) If, by final order, the secretary determines that the suspension was in error, the certificate shall be deemed valid retroactively to the time of suspension.
