WAC 48-13-010 Authority and purpose. (1) RCW 42.56.070(1) requires each agency to make available for inspection and copying nonexempt "public records" in accordance with published rules. The act defines "public record" to include any "writing containing information relating to the conduct of government or the performance of any governmental or proprietary function prepared, owned, used, or retained" by the agency. RCW 42.56.070(2) requires each agency to set forth "for informational purposes" every law, in addition to the Public Records Act, that exempts or prohibits the disclosure of public records held by that agency.

(2) The purpose of these rules is to establish the procedures the state auditor's office will follow in order to provide full access to public records. These rules provide information to persons wishing to request access to public records of the state auditor's office and establish processes for both requestors and state auditor's office staff that are designed to best assist members of the public in obtaining such access.

(3) The purpose of the act is to provide the public full access to information concerning the conduct of government, mindful of individuals' privacy rights and the desirability of the efficient administration of government. The act and these rules will be interpreted in favor of disclosure. In carrying out its responsibilities under the act, the state auditor's office will be guided by the provisions of the act describing its purposes and interpretation.

(3) **Making a request for public records.**

requested. Pursuant to WAC 48-13-070, photocopies and scanned copies will be provided at ten cents per page.

(c) The public records officer or designee may accept requests for public records that contain the above information by telephone or in person. If the public records officer or designee accepts such a request, he or she will confirm receipt of the information and the substance of the request in writing.

WAC 48-13-040 Processing of public records requests—General. (1) **Order of response.** The public records officer or designee will process requests in the order allowing the most requests to be processed in the most efficient manner.

(2) **Acknowledging receipt of request.** Within five business days of receipt of the request, the public records officer will do one or more of the following:

(a) Make the records available for inspection or copying; or

(b) If copies or scanned documents are requested and terms of payment are met, send the copies to the requestor;

(c) Provide a reasonable estimate of when records will be available; or

(d) If the request is unclear or does not sufficiently identify the requested records, request clarification from the requestor. Such clarification may be requested and provided by telephone. The public records officer or designee may revise the estimate of when records will be available; or

(e) Deny the request.

(3) **Failure to respond.** If the state auditor's office does not respond in writing within five business days of receipt of the request for disclosure, the requestor should consider contacting the public records officer to determine the reason for the failure to respond.

(4) **Protecting rights of others.** In the event that the requested records contain information that may affect rights of others and may be exempt from disclosure, the public records officer may, prior to providing the records, give notice to such others whose rights may be affected by the disclosure. Such notice should be given so as to make it possible for those other persons to contact the requestor and ask him or her to revise the request, or, if necessary, seek an order from a court to prevent or limit the disclosure. The notice to the affected persons will include a copy of the request.

(5) **Records exempt from disclosure.** Some records are exempt from disclosure, in whole or in part. If the state auditor's office believes that a record is exempt from disclosure and should be withheld, the public records officer will state the specific exemption and provide a brief explanation of why the record or a portion of the record is being withheld. If only a portion of a record is exempt from disclosure, but the remainder is not exempt, the public records officer will redact the exempt portions, provide the nonexempt portions, and indicate to the requestor why portions of the record are being redacted.

(6) **Inspection of records.**

(a) Consistent with other demands, the state auditor's office shall promptly provide space to inspect public records. No member of the public may remove a document from the viewing area or disassemble or alter any document. The

requestor shall indicate which documents he or she wishes the agency to copy.

(b) The requestor must claim or review the assembled records within thirty days of the state auditor's office notification to him or her that the records are available for inspection. The agency will notify the requestor in writing of this requirement and inform the requestor that he or she should contact the agency to make arrangements to claim or review the records. If the requestor or a representative of the requestor fails to claim or review the records within the thirty-day period or make other arrangements, the state auditor's office may close the request and refile the assembled records. Other public records requests can be processed ahead of a subsequent request by the same person for the same or almost identical records, which can be processed as a new request.

(7) **Providing copies of records.** After inspection is complete, the public records officer or designee shall make the requested copies or arrange for copying.

(8) **Providing records in installments.** When the request is for a large number of records, the public records officer or designee will provide access for inspection and copying in installments, if he or she reasonably determines that it would be practical to provide the records in that way. If, within thirty days, the requestor fails to inspect the entire set of records or one or more of the installments, the public records officer or designee may stop searching for the remaining records and close the request.

(9) **Completion of inspection.** When the inspection of the requested records is complete and all requested copies are provided, the public records officer or designee will indicate that the state auditor's office has completed a diligent search for the requested records and made any located nonexempt records available for inspection.

(10) **Closing withdrawn or abandoned request.** When the requestor either withdraws the request or fails to fulfill his or her obligations to inspect the records or pay the deposit or final payment for the requested copies, the public records officer will close the request and indicate to the requestor that the state auditor's office has closed the request.

(11) **Later discovered documents.** If, after the state auditor's office has informed the requestor that it has provided all available records, the state auditor's office becomes aware of additional responsive documents existing at the time of the request, it will promptly inform the requestor of the additional documents and provide them on an expedited basis.

(12) Detailed policy can be found on office web site at <http://www.sao.wa.gov>.

WAC 48-13-050 Processing of public records requests—Electronic records. (1) **Requesting electronic records.** The process for requesting electronic public records is the same as for requesting paper public records.

(2) **Providing electronic records.** When a requestor requests records in an electronic format, the public records officer will provide the nonexempt records or portions of such records that are reasonably locatable in an electronic format that is used by the agency and is generally commer-

cially available, or in a format that is reasonably translatable from the format in which the agency keeps the record.

[Statutory Authority: RCW 42.56.070, 43.21C.120, and 43.09.281. 10-22-022, § 48-13-050, filed 10/22/10, effective 11/22/10.]

WAC 48-13-060 Exemptions. (1) The Public Records Act provides that a number of types of documents are exempt from public inspection and copying. In addition, documents are exempt from disclosure if any "other statute" exempts or prohibits disclosure. Requestors should be aware of the following exemptions, outside the Public Records Act, that restrict the availability of some documents held by state auditor's office for inspection and copying:

RCW 42.40.030, state employee whistleblower protection.

RCW 42.41.030, local government whistleblower protection.

RCW 43.09.186, toll-free efficiency hotline.

(2) The state auditor's office is prohibited by statute from disclosing lists of individuals for commercial purposes.

WAC 48-13-070 Costs of providing copies of public records. (1) **Costs for paper copies.** There is no fee for inspecting public records. A requestor may obtain standard black and white photocopies for ten cents per page when the page count exceeds one hundred pages. Copies in color or larger-sized documents cost will be based on the actual cost to reproduce them at the time of the request.

Before beginning to make the copies, the public records officer or designee may require a deposit of up to ten percent of the estimated costs of copying all the records selected by the requestor. The public records officer or designee may also require the payment of the remainder of the copying costs before providing all the records, or the payment of the costs of copying an installment before providing that installment. The state auditor's office will not charge sales tax when it makes copies of public records.

(2) **Costs for electronic records.** The cost of electronic copies of records shall be free for information on a CD-ROM when the information already exists in electronic format and it only has to be copied to a CD. The cost of scanning existing office paper or other nonelectronic records is ten cents per page when the page count exceeds one hundred pages. There will be no charge for e-mailing electronic records to a requestor, unless another cost applies such as a scanning fee.

(3) **Costs of mailing.** The state auditor's office may also charge actual costs of mailing, including the cost of the shipping container for requests exceeding one hundred pages.

(4) **Payment.** Payment may be made by cash, check, or money order to the state auditor's office.

WAC 48-13-080 Review of denials of public records.

(1) **Petition for internal administrative review of denial of access.** Any person who objects to the initial denial or partial denial of a records request may petition in writing (including e-mail) to the public records officer for a review of that deci-

(10/22/10)

sion. The petition shall include a copy of or reasonably identify the written statement by the public records officer or designee denying the request.

(2) **Consideration of petition for review.** The public records officer shall promptly provide the petition and any other relevant information to the director of legal affairs. The petition will be affirmed or reversed within five business days following the state auditor's office receipt of the petition, or within such other time as the state auditor's office and the requestor mutually agree.

(3) **Review by the attorney general's office.** Pursuant to RCW 42.56.530, if the state auditor's office denies a requestor access to public records because it claims the record is exempt in whole or in part from disclosure, the requestor may request the attorney general's office to review the matter. The attorney general has adopted rules on such requests in WAC 44-06-160.

(4) **Judicial review.** Any person may obtain court review of denials of public records requests pursuant to RCW 42.56.550 at the conclusion of two business days after the initial denial regardless of any internal administrative appeal.
