The student may be assisted by one or more individuals, including an attorney, at the student's expense.

(4) The student services or other appropriate committee will prepare a written decision, within thirty days after the conclusion of the hearing, based solely on the evidence presented at the hearing. The decision will include a summary of the evidence presented and the reasons for the decision. A copy of the decision shall be made available to the student.

(5) If the student services or other appropriate committee decides the information is inaccurate, misleading, or in violation of the student's right of privacy, the custodian of the record will amend the record and notify the student, in writing, that the record has been amended.

(6) If the student services or other appropriate committee decides that the challenged information is not inaccurate, misleading, or in violation of the student's right of privacy, the committee will notify the student in writing that the student has a right to place in the record a rebuttal statement commenting on the challenged information and/or a statement setting forth reasons for disagreeing with the decision.

(7) The student's rebuttal statement will be maintained as part of the student's education records as long as the contested portion is maintained. If the contested portion of the education record is disclosed, the statement will also be disclosed.
