**WAC 284-36A-005 Purpose and scope.** This chapter applies to all fraternal benefit societies transacting the business of life and disability insurance in this state. The risk-based surplus standard in this chapter provide a mechanism for the commissioner to evaluate the ability of a fraternal benefit society to manage its insurance operations and to fulfill its responsibilities as tax-exempt benevolent and charitable organization for the benefit of members and others. The risk-based surplus standard of this chapter is a minimum standard. It is an estimate of the surplus level required of a fraternal benefit society that is necessary so that the entity may survive a series of catastrophic financial events. The risk-based surplus formula is the ratio of the fraternal benefit society's total adjusted surplus to its risk-based surplus.

**WAC 284-36A-020 Report of RBS level—Formula for determining level—Inaccurate reports adjusted by commissioner.** (1) On or prior to the annual filing date, which is hereby established as March 1, every fraternal benefit society authorized to transact insurance business in this state, shall prepare and submit to the commissioner a report of its RBS level as of the end of the calendar year just ended, in a form and containing all information required by the RBS instructions.

(2) The RBS of a fraternal benefit society shall be determined in accordance with the formula set forth in the RBS instructions. The formula shall take into account and may adjust for the covariance between:

(a) The risk with respect to the assets of the fraternal benefit society;

(b) The risk of adverse insurance experience with respect to the liabilities and obligations of the fraternal benefit society;

(c) The interest rate risk with respect to the business of the fraternal benefit society; and

(d) All other business risks and other relevant risks as are set forth in the RBS instructions, determined in each case by applying the factors in the manner set forth in the RBS instructions.

(3) An excess of surplus over the amount produced by the RBS requirements and the formulas, schedules, and instructions under this chapter is desirable in the insurance business of fraternal benefit societies. Accordingly, fraternal benefit societies should seek to maintain unimpaired surplus above the RBS level required. Additional unimpaired surplus is used and useful in the insurance business of fraternal benefit societies and helps to secure a fraternal benefit society against various risks inherent in, or affecting, the insurance business of fraternal benefit societies and not accounted for or only partially measured by the RBS requirements.

(4) If a fraternal benefit society files an RBS report that in the judgment of the commissioner is inaccurate, then the commissioner shall adjust the RBS report to correct the inaccuracy and shall notify the fraternal benefit society of the adjustment. The notice shall contain a statement of the reason for the adjustment. An RBS report as so adjusted is referred to as an "adjusted RBS report."

**WAC 284-36A-035 Confidentiality of RBS reports—Use of information for comparative purposes—Use of information to monitor solvency.** (1) All RBS reports, to the extent the information is not required to be set forth in a publicly available annual statement schedule, including the results or report of any examination or analysis of a fraternal benefit society that are filed with the commissioner constitute information that might be damaging to the fraternal benefit society if made available to its competitors, and therefore shall be kept confidential by the commissioner. This information shall not be made public or be subject to subpoena, other

than by the commissioner and then only for the purpose of enforcement actions taken by the commissioner.

(2) The comparison of a fraternal benefit society's total adjusted surplus to its RBS level is a regulatory tool that may indicate the need for possible corrective action with respect to the fraternal benefit society, and is not a means to rank fraternal benefit societies generally. Therefore, except as otherwise required under the provisions of this chapter, the making, publishing, disseminating, circulating, or placing before the public, or causing, directly or indirectly to be made, published, disseminated, circulated, or placed before the public, in a newspaper, magazine, or other publication, or in the form of a notice, circular, pamphlet, letter, or poster, or over any radio or television station, or in any other way, an advertisement, announcement, or statement containing an assertion, representation, or statement with regard to the RBS level of any fraternal benefit society, or of any component derived in the calculation, by any fraternal benefit society, insurance producer, or other person engaged in any manner in the insurance business would be misleading and is therefore prohibited. However, if any materially false statement with respect to the comparison regarding a fraternal benefit society's total adjusted surplus to its RBS level or an inappropriate comparison of any other amount to the fraternal benefit society's RBS level is published in any written publication and the fraternal benefit society is able to demonstrate to the commissioner with substantial proof the falsity of such statement, or the inappropriateness, as the case may be, then the fraternal benefit society may publish an announcement in a written publication if the sole purpose of the announcement is to rebut the materially false statement.

(3) The RBS instructions and RBS reports are solely for use by the commissioner in monitoring the solvency of fraternal benefit societies and the need for possible corrective action with respect to fraternal benefit societies and shall not be used by the commissioner for ratemaking nor considered or introduced as evidence in any rate proceeding nor used by the commissioner to calculate or derive any elements of an appropriate premium level or rate of return for any line of insurance that a fraternal benefit society or any affiliate is authorized to write.
