PART II: ENFORCEMENT

WAC 504-14-200 Enforcement authority. The parking department and the public safety officers are charged with the impartial enforcement of these regulations. Officers of these departments have authority to issue parking tickets, to impound vehicles, and to control access to areas.

[Statutory Authority: RCW 28B.30.150. WSR 08-08-048, § 504-14-200, filed 3/27/08, effective 7/1/08. Statutory Authority: RCW 28B.30.125, 28B.30.150, 28B.10.560 and chapter 34.05 RCW. WSR 01-18-015, § 504-14-200, filed 8/24/01, effective 9/24/01.]

WAC 504-14-210 Times of enforcement. Parking regulations are subject to enforcement at all times.

(1) Parking permit areas. All parking permit zones are limited to authorized permit holders all hours. These hours are posted in each parking area at the entrance.

(2) Restricted spaces. These spaces are restricted for their designated purpose at all times unless signed otherwise:

(a) Disability zones.

(b) Load/unload.

(c) Service.

(d) Reserved.

(e) Reserved (bagged) parking meters.

(f) Areas which are specially signed or physically set apart by barricades, traffic cones, tape, or other traffic devices.

(3) Parking metered spaces. Parking meters are in effect during the times posted on each meter. During these times the meter must be paid the posted amount. Additional time cannot be purchased beyond the meter's posted maximum time limit (e.g., a thirty-minute meter allows a maximum of thirty minutes to be purchased at one time). A motor vehicle which is parked at an expired parking meter is considered in violation initially, and after each period equal to the maximum time posted for the meter. In such case a parking ticket may be issued for each violation. For example, a vehicle parked at a meter with a two-hour maximum time limit for six hours and five minutes of CONTINUOUS unpaid parking at the same meter would be eligible for up to three parking tickets.

(4) Pay parking facilities. Some parking areas provide parking on an hourly basis. Hours of operation and a schedule of fees are posted at the facility entrance and at the point of payment. Parking tickets are issued to vehicles that are parked over the duration of time that was paid and for non-payment. Parking areas with parking meters are not considered pay parking facilities.

[Statutory Authority: RCW 28B.30.150. WSR 08-08-048, § 504-14-210, filed 3/27/08, effective 7/1/08. Statutory Authority: RCW 28B.30.125, 28B.30.150, 28B.10.560 and chapter 34.05 RCW. WSR 01-18-015, § 504-14-210, filed 8/24/01, effective 9/24/01.]

WAC 504-14-220 Signed and marked areas. (1) Parking on campus is permitted only in the marked and/or signed spaces in parking facilities. All other areas outside these designated areas are "no parking zones." Each parking facility has signs or markings to indicate the type of permit or payment required and the times they are required.

(2) Individual parking spaces are marked, and no vehicle may be parked so as to occupy any portion of more than one parking space. The fact that other vehicles were parked in a manner requiring a vehicle to occupy a portion of more than one space shall not constitute an excuse for a violation of this regulation.

(3) Should there be a conflict between these regulations, map designation, and on-site signs regarding parking instructions, the on-site sign takes precedence.

(4) Permit areas and restricted spaces are not always signed individually.

(5) Standing (the stopping of a vehicle with the driver remaining in it) is permitted in marked parking spaces, except metered spaces and restricted spaces, even though the vehicle does not have a valid parking permit. Double parking while "standing" is not permitted.

[Statutory Authority: RCW 28B.30.150, WSR 08-08-048, § 504-14-220, filed 3/27/08, effective 7/1/08. Statutory Authority: RCW 28B.30.125, 28B.30.150, 28B.10.560 and chapter 34.05 RCW. WSR 01-18-015, § 504-14-220, filed 8/24/01, effective 9/24/01.]

WAC 504-14-250 Motorcycles and mopeds. (1) The general traffic regulations applicable to motor vehicles apply to motorcycles and mopeds. Motorcycles or mopeds may not be driven on sidewalks or in pedestrian mall areas. Owners of motorcycles and mopeds are responsible for all violations issued.

(2) The university classifies mopeds and motorcycles by engine displacement (also referred to as engine size). This definition applies only to university property and does not replace or supersede the definitions established by the state of Washington for licensing purposes.

(3) Mopeds. Mopeds may park in any parking area with a valid parking permit or at any bicycle rack unless the rack is signed to exclude mopeds.

(4) Motorcycles. Motorcycles must display a valid university parking permit at all times.

[Statutory Authority: RCW 28B.30.150, WSR 08-08-048, § 504-14-250, filed 3/27/08, effective 7/1/08. Statutory Authority: RCW 28B.30.125, 28B.30.150, 28B.10.560 and chapter 34.05 RCW. WSR 01-18-015, § 504-14-250, filed 8/24/01, effective 9/24/01.]

WAC 504-14-300 Financial responsibility for parking tickets. (1) Each registered parking permit holder shall be financially responsible for parking tickets on vehicles:

- (a) Registered with the parking department; and/or
- (b) Displaying the registered parking permit holder's permit.

(2) Owners of vehicles are held ultimately financially responsible for parking tickets issued to their vehicle.

[Ch. 504-14 WAC p. 4]

WAC 504-14-350 Use of areas for emergency, maintenance, events, construction, or special needs. WSUS reserves the right to close any campus parking area at any time it is deemed necessary for maintenance, safety, events, construction, or to meet special needs. The parking department provides notice to users when possible.

Public safety and maintenance personnel performing official duties may deviate from these regulations as required to conduct emergency procedures.

[Statutory Authority: RCW 28B.30.150, WSR 08-08-048, § 504-14-350, filed 3/27/08, effective 7/1/08. Statutory Authority: RCW 28B.30.125, 28B.30.150, 28B.10.560 and chapter 34.05 RCW. WSR 01-18-015, § 504-14-350, filed 8/24/01, effective 9/24/01.]

[Statutory Authority: RCW 28B.30.125, 28B.30.150, 28B.10.560 and chapter 34.05 RCW. WSR 01-18-015, § 504-14-360, filed 8/24/01, effective 9/24/01.]

PART III: PARKING PERMITS

WAC 504-14-410 Issuance, use, and term of parking permits. Parking permits are issued by the parking department for available areas upon application and payment of the appropriate fees. The applicant may receive a parking permit and/or indicator which specifies parking area(s) where the vehicle may be parked.

WAC 504-14-420 Withholding of fines and fees. All parking permit applications shall provide that the university may withhold unpaid fines and fees, when permitted by law, from any sums owed the permit holder and to treat the same as a debt.

[Statutory Authority: RCW 28B.30.150, WSR 08-08-048, § 504-14-420, filed 3/27/08, effective 7/1/08. Statutory Authority: RCW 28B.30.125, 28B.30.150, 28B.10.560 and chapter 34.05 RCW. WSR 01-18-015, § 504-14-420, filed 8/24/01, effective 9/24/01.]

WAC 504-14-440 Transfer of parking permit. A parking permit is generally not transferable, but exceptions can be made by parking operations as follows:

(1) A person relinquishing ownership and the eligible purchaser appear in person at the parking department when requesting such a transfer;

(2) The former owner relinquishes all ownership or claim to the permit and pays all outstanding fines; and

(3) The new owner completes a new application form for the permit.

[Statutory Authority: RCW 28B.30.150, WSR 08-08-048, § 504-14-440, filed 3/27/08, effective 7/1/08. Statutory Authority: RCW 28B.30.125, 28B.30.150, 28B.10.560 and chapter 34.05 RCW. WSR 01-18-015, § 504-14-440, filed 8/24/01, effective 9/24/01.]

WAC 504-14-450 Replacement parking permits and indicators. (1) Sold or traded vehicles. Failure to advise the parking department of a sale or trade for registration purposes

(5/14/09)

may result in continued responsibility to the permit holder for parking tickets received on vehicles.

The permit holder has responsibility for removing parking permits prior to selling or trading a vehicle. The identifiable remnants of the original permit must be presented to the parking department to receive a free replacement. Persons failing to comply with this requirement shall pay the cost of a new permit.

(2) Lost/stolen permits. Permit holders are responsible for the security of their permits. The theft or loss of a parking permit should be reported to the parking department immediately upon discovery. A lost or stolen permit may be replaced upon payment to the parking department of the cost of replacing the permit, according to a schedule adopted by the parking department. Lost or stolen permits must be returned to the parking department immediately if recovered.

WAC 504-14-460 False information. No person shall obtain, attempt to obtain, or use in a manner contrary to these regulations, a modified or counterfeit parking permit or a permit issued upon false information. A violation of this section includes giving a false name, address, and/or other information known to be false. It also includes the use of a visitor, conference, and commercial permit by staff or students. Violation of this provision shall constitute the illegal use of a parking permit and is subject to issuance of a parking ticket.

WAC 504-14-470 Recall or suspension of parking permits. Parking permits are the property of WSUS and may be recalled or suspended for violations of any of the following by the parking administrator when:

- (1) The purpose for which the permit was issued changes or no longer exists;
 - (2) A permit is used on an unauthorized vehicle or by an unauthorized person;
 - (3) A parking permit application is falsified;
 - (4) A counterfeit, modified, or lost/stolen permit is used;
- or
- (5) The parking permit fee is unpaid.

WAC 504-14-510 Parking permits—General. The university issues parking permits for designated areas of the campus. Any vehicle parked on the campus must clearly display a valid university parking permit in accordance with this chapter during the posted hours when and where permits are required. University staff and students may not use any other permit in lieu of a valid university parking permit.

WAC 504-14-520 Parking permits—Form and display. All parking permits must be displayed in the approved position on the vehicle with permit numbers and relevant dates visible. Vehicles with permits which are not displayed in accordance with the provisions of this section are subject to parking tickets for the violation of improperly displaying a permit.

(1) Autos and trucks:

(a) Hanging permits, both annual and daily, must be displayed hanging from the rear-view mirror post or placed on the dash of vehicle, driver's side, in a manner permitting visibility from outside at all times.

(b) Permits mounted solely by suction cup and permit decals directly affixed to the windshield must be displayed on the front windshield at the lower left corner (driver's side). Decals must be mounted completely by means of their own adhesive (not by tape).

(2) Motorcycles must display a valid permit at all times.

WAC 504-14-540 Zone parking permits—Availability and use. The management and assignment of parking zones is designed to provide a parking space to each permit holder. However, uncontrolled access to parking areas and unexpected parking demand make it impossible to guarantee a parking space in a permit holder's assigned zone. Every effort is made via surveys and limits on permit sales, to ensure that permit holders are not displaced from their assigned zones. Staff and students are generally assigned to specific parking areas referred to as zones. Parking zones are color-coded with respect to their price and numbered with respect to the specific parking zone assignment of each permit holder. Permit holders may park in their assigned zone as reflected by the combination of color and number on their permit and corresponding sign, or they may park in other zones as described below.

(1) Green permits. Green permit holders may park in their assigned green zone, or in any yellow or red zone.

(2) Yellow permit. Yellow permit holders may park in their assigned yellow zone, or in any red zone.

(3) Red permit. Red permit holders may park in the red zone.

WAC 504-14-560 Other parking permits—Availability and use. (1) Visitor permits. Visitor permits may be used only by bona fide visitors as defined by this chapter. Use by any other person constitutes illegal use of a parking permit. Visitor permits are valid in any zone and parking spaces signed for visitor permits only. Visitor permits are not valid at meters or restricted spaces.

(2) Golden cougar permits. Golden cougar permits are special visitor permits that are issued to retired staff in recog-

dition of their service without additional cost. They are issued on an annual basis and are valid in any zone. Staff who are employed by the university or by other entities located on campus after formal retirement are not eligible to use a golden cougar permit in lieu of a regular paid zone permit. Comparable permits from other campus institutions will be honored.

(3) President's associates decals. President's associates decals are issued to eligible members of the Washington State University foundation. Use of these decals for parking shall be in accordance with a separate agreement between WSU and the WSU foundation. However, university faculty, staff, and students may not use a president's associates decal or any other parking benefit instrument in lieu of a paid zone permit.

(4) Conference permits. Conference permits are available to visitors who participate in conferences held on the WSUS campus. They are available on a daily basis only. Conference permits may be assigned to a specific zone.

(5) Construction permits. A construction permit is issued to personnel who are working on a construction site on campus. Construction permits are available on an annual or daily basis and are assigned to a specific parking area.

(6) Carpool. Upon application, a bona fide carpool as defined by the campus policies and procedures is given preference in the assignment of parking zones, and issued a permit that facilitates the carpool. Obtaining or using a carpool permit under false pretenses constitutes the illegal use of a permit.

WAC 504-14-580 Special indicator decals and hangers. Special indicator decals or hangers may be issued to staff and student permit holders who have otherwise valid parking permits in the following cases:

(1) A "service" indicator decal or hanger is valid typically for a maximum of fifteen minutes in a marked service zone.

(2) A reserved parking indicator decal or hanger is valid in parking spaces that are signed for the corresponding permit and indicator.

WAC 504-14-600 Parking permits for persons with disability. (1) The provisions of this chapter cover the purchase and display of parking permits and payment of fees and fines associated with parking for persons with disability.

(2) For the purpose of this chapter, persons with disability shall refer to a person or persons with disability who qualify for a state-issued persons with disability parking identification and permit.

(3) Persons with disability desiring to purchase a university parking permit must present a valid state-issued persons with disability parking identification.

(4) Unless otherwise authorized or permitted under this chapter, parking in spaces designated for persons with disability requires a valid university parking permit and state-issued persons with disability parking permit to park on campus.

(5) A person with disability is eligible to purchase a green permit at the red permit zone price.

WAC 504-14-650 Parking fees and fines. (1) Schedules for parking fees, parking administrative fees, late payment fees, parking fines and sanctions, parking meter rates, prorated and refund schedules, and the effective date thereof are submitted to the president or his/her designee and to the board of regents for approval by motion; provided, however, that increases in fees and fines do not exceed limits established by the board of regents. Increases in fees and fines that do not exceed limits established by the board of regents are not submitted to the board of regents so long as the board of regents has delegated authority to the president or his designee to approve all such fees and fines. The schedules for all parking fees and fines described above for all parking fees and fines are thereafter posted in the public area of the parking department office and posted on the parking department's web site.

(2) Payments. Parking fees and fines may be paid at the parking department by cash, check, approved payment card, or money order. A payroll deduction plan is available for eligible university employees and eligible graduate students.

(3) The proper fee must be paid for all vehicles parking in parking meter spaces unless otherwise authorized.

(4) Staff members whose work schedules qualify them for nighttime differential pay may purchase the green zone permit for the red zone permit price.

(5) Refunds. Annual permits being relinquished may be returned to the parking department for a pro rata refund in accordance with university policy. Identifiable remnants of the permit must be returned. The balance of any fees and fines owed the parking department is deducted from any refund due. Refunds for temporary permits are not granted. Refunds for pretax payroll deductions cannot be granted pursuant to federal tax laws.

(6) The parking department makes a wide array of options available in advance to university departments for use by their visitors, guests, and employees for the purpose of conducting departmental business. However, when necessary, university departments that can establish in writing that a parking ticket issued by the parking department was received as a result of parking any vehicle for the purpose of conducting official state business, or while conducting official business with the university or any entity located at the university are assessed a parking fee assessment (PFA) in lieu of the parking fine. Such requests for PFAs are signed by a department fiscal custodian. A PFA consists of the maximum daily parking fee plus an additional administrative fee for failing to purchase and provide the necessary parking permit or fee in advance or at the time of parking. University departments are encouraged to avoid additional administra-

tive fees associated with PFAs by purchasing and storing pre-paid parking permits and by making them available as the department deems necessary. Nothing in this regulation allows a university employee to receive, or attempt to receive, any benefit associated with his or her personal expenses in violation of the State Ethics Act. All questionable employee conduct regarding the application of this section is reported to, and investigated by, the university internal auditor. This section applies only to parking tickets issued pursuant to this chapter.

WAC 504-14-750 Reciprocal parking agreements.

(1) Purpose. The university can enter into reciprocal parking agreements with other universities and Washington State University campuses for the purpose of enhancing the accessibility to various campuses for faculty, staff, and students participating in various courses and programs.

(2) The university faculty, staff, and students assigned to, enrolled at, or who pay fees to the WSUS campus or employees of other entities located on the WSUS campus must display a valid university parking permit when parking at the university. Any attempt by the above personnel to use a parking permit from another university campus in lieu of a valid WSUS permit may result in a fine for illegal use of a parking permit.

[Statutory Authority: RCW 28B.30.150, WSR 08-08-048, § 504-14-750, filed 3/27/08, effective 7/1/08.]

PART IV: FINES, SANCTIONS, AND APPEALS

WAC 504-14-810 Violations, fines, and sanctions. (1)

Violations and fines. Parking violations are processed by the university. Fines must be paid at the parking department or at other authorized locations by mail, or from the parking department's web site. Schedules for parking violations, fines, and sanctions are posted in the public area of the parking department office and on the parking department's web site.

(2) Reduction of fines.

(a) The fine for "meter violation" and the fine for "overtime in a timed zone" violations are reduced by one-half if paid within twenty-four hours of time of issuance. Eligible violations received on Friday or Saturday can be paid on the following Monday to satisfy the twenty-four-hour requirement. Mailed payment of fines must be postmarked within twenty-four hours to receive the one-half reduction.

(b) Visitors. The first violation of notices for "no parking permit" and "no parking permit for this area" issued to a visitor is considered a warning notice upon presentation of the parking ticket to the parking department.

(c) If a permit holder of record neglects to display his or her permit and receives a notice of violation for "no parking permit," a reduced fine is assessed when possession of a valid parking permit for the location is verified by the parking department within twenty-four hours.

(d) Internal policies regarding disposition of parking tickets may be established on approval of the chancellor or

(5/14/09)

designee whose responsibilities include supervision of the parking department, under the advisement of the university's internal auditor.

(3) Inoperable vehicles. It is the owner's responsibility to immediately contact the parking department in the event that the owner's vehicle becomes inoperable when the vehicle is present on campus.

(4) Payment of parking fines. All parking fines are due upon issuance of a parking ticket. Thirty days after date of issuance of a parking ticket, a late fee shall be added to all unpaid parking fines. For example, a parking ticket issued on May 1 would be assessed a late fee on May 31. Failure to pay the fine and fee assessed for any violation results in referral to the university controller's office or to a private collection agency for collection. Where collection efforts are unsuccessful, the controller or designee may notify the registrar to refrain from issuing student transcripts or to withhold permission to reenroll for a subsequent term until outstanding fines and fees are paid. The procedures discussed above are not exclusive, however, and failure by anyone to pay fines and fees may also lead to towing or use of the wheel lock device described in these regulations. Nor are the procedures discussed above a precondition to towing or use of the wheel lock.

(5) Failure to pay fines. Failure to pay a fine or comply with other penalties assessed pursuant to these regulations, and exhausting or failing to exercise appeals provided for in these regulations, may result in the inability to renew a vehicle license through the state pursuant to RCW 46.16.216.

WAC 504-14-860 Appeal procedures. The parking ticket represents a determination that a parking violation has been committed and the determination is final unless otherwise provided for or appealed as provided in this chapter.

(1) Purpose. The parking appeals process serves three primary functions:

- (a) To hear parking ticket appeals;
- (b) To hear appeals of wheel lock eligibility determination; and
- (c) To hear appeals of impoundments.

(2) Procedure. Any person who has received a parking ticket may appeal the alleged parking violation. Appeal of wheel lock eligibility determinations and impoundments are described in WAC 504-14-865 and 504-14-870.

(3) Written parking ticket appeals. The appeal must be in writing and received at the parking department within ten calendar days of issuance of the parking ticket. Forms for this purpose are available from the parking department. The parking appeals committee makes an initial decision regarding the appeal within twenty calendar days during the academic year and within thirty calendar days during the summer months after receipt of the appeal. The committee provides a brief statement of the reason for its decision to the appellant within ten calendar days of the decision.

(4) Review hearing of initial decision. If the appellant is dissatisfied with the initial decision, the appellant may

request a hearing before a hearing officer or the parking appeals committee. Such a request must be made within ten calendar days of the date of the initial parking appeals committee decision. If no such request is received, the initial decision shall be final. During the hearing the appellant and representatives of the parking department may present and cross-examine witnesses. The hearing officer or appeals committee shall render a decision in writing and provide appellant with the decision within ten calendar days after the hearing.

(5) Appeal to district court. RCW 28B.10.560 provides that a person who is not satisfied with the final decision of the university may appeal to district court. The application for appeal to district court shall be in writing and must be filed at the parking department office within ten calendar days after the date of the review hearing. The parking department forwards the documents relating to the appeal to the district court.

PART V: IMPOUNDMENT OF VEHICLES

WAC 504-14-865 General. (1) Pursuant to the provisions of this chapter, an officer shall cause a vehicle to be wheel locked, or towed, or both, if:

- (a) The vehicle is on the wheel lock-eligible list; or
- (b) The vehicle displays a lost, stolen, or counterfeit parking permit.
- (2) Any vehicle may be towed away at owner's/operator's expense if the vehicle:
 - (a) Has been immobilized by wheel lock for more than twenty-four hours; or
 - (b) Is illegally parked in a marked tow-away zone; or
 - (c) Is a hazard or obstruction to vehicular or pedestrian traffic (including, but not limited to, vehicles parked at curbs or rails painted yellow or red or in crosswalks); or
 - (d) Cannot be immobilized with a wheel lock device; or
 - (e) Is illegally parked in a disability space.
- (3) The driver and/or owner of a towed vehicle shall pay towing and storage expenses.
- (4) Any vehicle immobilized by use of the wheel lock device in excess of twenty-four hours is assessed a storage fee for each calendar day or portion thereof, beyond the first twenty-four hours.
- (5) The university assumes no responsibility in the event of damages resulting from towing, use of wheel lock devices, storage, or attempts to move a vehicle with a wheel lock device installed.

(6) No vehicle impounded by towing or wheel lock devices shall be released until the following fines are paid in cash or with an approved payment card:

- (a) All unpaid parking ticket fines and late fees against said vehicle and any other vehicle registered to the violator and/or owner;
- (b) A wheel lock fee; and
- (c) All towing and storage fees.
- (7) A person wishing to challenge the validity of any fines or fees imposed under this chapter may appeal such

fines or fees as provided in WAC 504-14-860. However, in order to secure release of the vehicle, such person must pay the amount of such fines or fees as a bond which shall be refunded to the extent the appeal is successful.

(8) An accumulation of six unpaid violations during any twelve-month period, exclusive of overtime at parking meter violations, and overtime in time zone violations, subjects the violator to revocation or denial of parking privileges. Vehicles without permits which accumulate the above number of violations may be prohibited from parking on university property.

[Statutory Authority: RCW 28B.30.150, WSR 08-08-048, § 504-14-865, filed 3/27/08, effective 7/1/08.]

WAC 504-14-870 Wheel lock-eligible list. (1) The parking administrator shall be responsible for creating and maintaining the wheel lock-eligible list. See definition of "wheel lock-eligible vehicle."

(2) A wheel lock-eligible vehicle shall be placed on the wheel lock-eligible list after notice has been issued as provided in subsection (3) of this section and an appeal of the wheel lock eligibility determination, if requested, under subsection (4) of this section.

(3) At least ten days prior to placing a vehicle on the wheel lock-eligible list, the parking administrator shall mail a notice to the owner. The parking administrator mails the notice to the address stated on the most current registration records available to the university from a state, or any more current address of which the parking administrator has actual written notice. The notice is sent by first class United States mail, postage prepaid. The notice shall set forth:

- (a) The make and license plate number of the alleged wheel lock-eligible vehicle.
- (b) A specified date on which the wheel lock-eligible vehicle is subject to placement on the wheel lock-eligible list.
- (c) A list of the three or more alleged unpaid parking tickets, including the parking ticket number, date, time, place of the violation, and the nature of the violation. This list shall include all unpaid parking tickets issued to a particular vehicle to include the payment of fines and fees related to parking tickets not yet eligible for late fees.

(d) That the owner may avoid the placement of the vehicle on the wheel lock-eligible list by making payment in full of fines and late fees on all unpaid parking tickets to include the payment of fines and fees related to parking tickets not yet eligible for late fees by the specified date on which the vehicle is subject to placement on the wheel lock-eligible list.

(e) The name, mailing address (and street address if different), and telephone number of the parking department office that may be contacted to appeal the wheel lock eligibility determination. Such an appeal only considers whether an individual vehicle was properly placed on the wheel lock-eligible list and not the merits of an individual parking ticket, which may be addressed pursuant to a separate appeals process described in WAC 504-14-860.

(f) That the vehicle is subject to wheel lock, towing, or both once it is placed on the wheel lock-eligible list.

(g) That all late fees, wheel lock fees, towing, and storage fees shall be payable in full to obtain the release of a vehicle wheel locked or towed pursuant to this chapter in addition to payment of any and all unpaid parking tickets on this vehi-

cle or other vehicles owned by the registered owner to include the payment of fines and fees related to parking tickets not yet eligible for late fees.

(4) If a request for an appeal of a wheel lock eligibility determination is received by the parking administrator before the specified date in the notice for placement of the vehicle on the wheel lock-eligible list, then the parking administrator shall afford the owner an opportunity to appeal the wheel lock eligibility determination prior to the placing of a vehicle on the wheel lock-eligible list. Although the parking administrator shall not have the authority to adjudicate the merits of any parking ticket, she or he shall, however, receive evidence and other input from the owner appealing the wheel lock eligibility determination that the notice given under subsection (3) of this section was erroneous or based on erroneous information.

(5) If an owner timely participates in the appeal as scheduled by the parking administrator, he or she shall furnish the owner written notice of his or her decision prior to placing the vehicle on the wheel lock-eligible list.

(6) After the specified date provided in the notice issued under subsection (3) of this section, the parking administrator shall review the records to ensure that the alleged unpaid parking tickets have not been paid or otherwise resolved, and that no information has been received indicating that the notice was erroneous.

(7) Once a vehicle has been placed on the wheel lock-eligible list, it shall not be removed from the list unless and until:

(a) The fines and fees on all unpaid parking tickets issued during the time it has been registered to or otherwise held by the owner are paid or otherwise resolved to include the payment of fines and fees related to parking tickets not yet eligible for late fees;

(b) The parking administrator receives reliable information that title to the vehicle has been transferred; or

(c) The parking administrator determines that the placement of the vehicle on the wheel lock-eligible list was erroneous.

(8) If a vehicle is not properly registered in any state or no registration information is available to the university and the vehicle is wheel lock eligible, then notice shall be provided by posting on the vehicle a conspicuous notice, which shall set forth:

(a) A description of the alleged wheel lock-eligible vehicle;

(b) A specified date on which the wheel lock-eligible vehicle is subject to placement on the wheel lock-eligible list;

(c) That the owner may avoid placement of the vehicle on the wheel lock-eligible list by making payment in full of fines and late fees on all unpaid parking tickets to include the payment of fines and fees related to parking tickets not yet eligible for late fees by the specified date certain on which the vehicle is subject to placement on the wheel lock-eligible list; and

(d) That the vehicle is subject to wheel lock, towing or both once it is placed on the wheel lock-eligible list.

(9) An officer shall attempt to wheel lock any vehicle which appears on the wheel lock-eligible list when parked, lawfully or unlawfully, on campus.

(5/14/09)

(10) The parking administrator shall ensure that officers are on duty to remove wheel locks from vehicles.

WAC 504-14-880 Fees, fines, and release of an impounded vehicle. The owner of an impounded vehicle may not secure the release of the stored vehicle until payment in full of fines and fees has been made on all unpaid parking tickets to include the payment of fines and fees related to parking tickets not yet eligible for late fees relating to the vehicle which were issued while the vehicle was owned by the person who owned the vehicle at the time it is wheel locked or towed hereunder, and the owner has paid in full the wheel lock fee, unpaid parking tickets, late fees, storage fees, and towing fees for any and all other vehicles owned by the registered owner.

- (1) Causing physical damage to a wheel lock device;
- (2) Removing, or attempting to remove, a wheel lock device; or
- (3) Taking or stealing a wheel lock device.
