

WAC 16-305-210 Industrial hemp testing fees. (1) Fees for industrial hemp tests are the responsibility of the licensee.

(2) No fit for commerce certificates (WAC 16-305-130) will be issued until all test fees due the department are paid in full.

(3) No renewal licenses will be issued until all test fees due the department are paid in full.

(4) THC concentration testing fees for industrial hemp production are established on a sliding rate scale. THC concentration testing will be scheduled by the department based on the availability of laboratory resources. Individual samples may be batched with samples from the same or different licensees in order to reduce the overall cost of the testing. For the purposes of this section, "batch" means a group of samples that are tested by the department on the same day, using the same equipment calibration and testing supplies to test each sample independently from other samples in the batch. The department will bill each licensee for the samples that licensee provides, based on batch size at the time of testing as shown in the following table:

Batch Size	Testing Fee Per Sample
Batch of 1 sample	\$2,000
Batch of 2 samples	\$1,000
Batch of 3 samples	\$667
Batch of 4 samples	\$500
Batch of 5 samples	\$400
Batch of 6 samples	\$333
Batch of 7 samples	\$286
Batch of 8 samples	\$250
Batch of 9 samples	\$222
Batch of 10 samples	\$200
