

WAC 182-31-040 How do school employees establish eligibility for the employer contribution toward school employees benefits board (SEBB) benefits and when do SEBB benefits coverage begin? (1) Eligibility shall be determined solely by the criteria that most closely describes the school employee's work circumstance.

(2) School employee eligibility criteria:

(a) A school employee is eligible for the employer contribution towards school employees benefits board (SEBB) benefits if they are anticipated to work at least six hundred thirty hours per school year. The eligibility effective date for a school employee eligible under this subsection shall be determined as follows:

(i) If the school employee's first day of work is on or after September 1st but not later than the first day of school for the current school year as established by the SEBB organization, they are eligible for the employer contribution on the first day of work; or

(ii) If the school employee's first day of work is at any other time during the school year, they are eligible for the employer contribution on that day.

(b) A school employee who is not anticipated to work at least six hundred thirty hours in the school year becomes eligible for the employer contribution towards SEBB benefits on the date their work pattern is revised in such a way that they are now anticipated to work six hundred thirty hours in the school year.

(c) A school employee who is not anticipated to work at least six hundred thirty hours in the school year becomes eligible for the employer contribution towards SEBB benefits on the date they actually worked six hundred thirty hours in the school year.

(d) A school employee who is not anticipated to work six hundred thirty hours within the school year because of the time of year they are hired but is anticipated to work at least six hundred thirty hours the next school year, establishes eligibility for the employer contribution toward SEBB benefits as of their first working day if they are:

(i) A nine to ten month school employee anticipated to be compensated for at least seventeen and one-half hours a week in six of the last eight weeks counting backwards from the week that contains the last day of school; or

(ii) A twelve month school employee anticipated to be compensated for at least seventeen and one-half hours a week in six of the last eight weeks counting backwards from the week that contains August 31st, the last day of the school year.

(3) All hours worked by an employee in their capacity as a school employee must be included in the calculation of hours for determining eligibility.

(4) A school employee may establish eligibility for the employer contribution toward SEBB benefits by stacking of hours from multiple positions within one SEBB organization. A school employee may not gain eligibility by stacking of hours from multiple SEBB organizations.

(5) A school employee is presumed eligible for the employer contribution at the start of the school year, as described in subsection (2)(a) of this section, if they:

(a) Worked at least six hundred thirty hours in each of previous two school years; and

(b) Are returning to the same type of position (teacher, paraeducator, food service worker, custodian, etc.) or combination of positions with the same SEBB organization.

Note: A SEBB organization rebuts this presumption by notifying the school employee, in writing, of the specific reasons why the school employee is not anticipated to work at least six hundred thirty hours in the current school year and how to appeal the eligibility determination.

(6) When SEBB benefits begin:

(a) For a school employee who establishes eligibility under subsection (2)(a)(i) of this section SEBB benefits begin on the first day of work for the new school year.

(b) For a school employee who establishes eligibility under subsection (2)(a)(ii), (b), (c), or (d) of this section, SEBB insurance coverage begins on the first day of the month following the date the school employee becomes eligible for the employer contribution towards SEBB benefits.

(7) If the school employee is not eligible under subsections (1) through (5) of this section, they may be eligible for SEBB benefits if their SEBB organization is engaging in local negotiations regarding eligibility for school employees as described in WAC 182-30-130.
