

**WAC 182-32-2100 How to request a review of an initial order resulting from a brief adjudicative proceeding.** (1) An appellant who has received an initial order upholding a school employees benefits board (SEBB) organization decision, SEBB program decision, or a decision made by SEBB program contracted vendor, may request review of the initial order by the authority. The appellant must file a written request for review of the initial order or make an oral request for review of the initial order with the SEBB appeals unit within twenty-one days after service of the initial order. The written or oral request for review of the initial order must be provided using the contact information included in the initial order. If the appellant fails to request review of the initial order within twenty-one days, the order becomes the final order without further action by the authority.

(2) Upon timely request by the appellant, a review of an initial order will be performed by one or more review officers designated by the director of the authority.

(3) If the appellant has not requested review, the authority may review an order resulting from a brief adjudicative proceeding on its own motion, and without notice to the parties, but it may not take action on review less favorable to any party than the initial order without giving that party notice and an opportunity to explain that party's view of the matter.
