(2) The medicaid agency pays providers who are attending physicians and not employed by the hospice agency, the usual amount through the resource based relative value scale (RBRVS) fee schedule:

(a) For direct physician care services provided to a hospice client;

(b) When the provided services are not related to the terminal illness; and

(c) When the client's providers, including the hospice agency, coordinate the health care provided.

(3) The department of social and health services (DSHS) aging and disability services administration (ADSA) pays for services provided to a client eligible under the community options program entry system (COPES) directly to the COPES provider.
