

WAC 246-341-1005 Opioid treatment programs (OTP)—Agency certification requirements. An agency applying to provide opioid treatment program services must do all of the following:

(1) Submit to the department documentation that the agency has communicated with the county legislative authority and if applicable, the city legislative authority or tribal authority, in order to secure a location for the new opioid treatment program that meets county, tribal or city land use ordinances.

(2) Ensure that a community relations plan developed and completed in consultation with the county, city, or tribal authority or their designee, in order to minimize the impact of the opioid treatment programs upon the business and residential neighborhoods in which the program is located. The plan must include:

(a) Documentation of the strategies used to:

(i) Obtain stakeholder input regarding the proposed location;

(ii) Address any concerns identified by stakeholders; and

(iii) Develop an ongoing community relations plan to address new concerns expressed by stakeholders.

(b) For new applicants who operate opioid treatment programs in another state, copies of all survey reports written by their national accreditation body and state certification, if applicable, within the past six years.

(3) Have concurrent approval to provide an opioid treatment program by:

(a) The Washington state department of health board of pharmacy;

(b) The federal Center for Substance Abuse Treatment (CSAT), Substance Abuse and Mental Health Administration (SAMHSA), as required by 42 C.F.R. Part 8 for certification as an opioid treatment program; and

(c) The federal Drug Enforcement Administration (DEA).

(4) An agency must ensure that the opioid treatment program is provided to an individual in compliance with the applicable requirements in 42 C.F.R. Part 8 and 21 C.F.R. Part 1301.

(5) The department may deny an application for certification when the applicant has not demonstrated in the past, the capability to provide the appropriate services to assist individuals using the program to meet goals established by the legislature.
