WAC 246-935-060 Eligibility for examination as veterinary technician. Applicants must meet one of the following criteria to be eligible for the examination.

(1) Completion of an approved postsecondary educational program for animal or veterinary technology.

(a) Completion of a program for animal or veterinary technology approved by the Committee on Veterinary Technician Education and Activities (CVTEA) of the American Veterinary Medical Association (AVMA). The board approves all institutions accredited by, and in good standing with, the AVMA.

(b) Completion of a program for animal or veterinary technology approved by the Animal Health Technologist/Veterinary Technician Program Accreditation Committee (AHT/VTPAC) of the Canadian Veterinary Medical Association (CVMA). The board approves all institutions accredited by, and in good standing with, the CVMA.

(c) Other institutions applying for board approval must meet the accreditation standards of the CVTEA. It is the responsibility of the institution to apply for approval and of a student to ascertain whether or not a school has been approved by the board.

(d) The examination may be taken no sooner than six months before graduation from the approved course of instruction.

(2) Graduation from a two-year curriculum in animal health or veterinary technology which is not accredited by the CVTEA or AHT/VTPAC plus a minimum of thirty-six months of full-time experience under the supervision of a licensed veterinarian(s) who must attest to the completion of that experience.

(3) Award of a D.V.M. or V.M.D. degree or equivalent from an American Veterinary Medical Association accredited or listed college of veterinary medicine.

(4) Registration, certification, or licensure as an animal health or veterinary technician in one or more states and thirty-six months of full-time experience under the supervision of a licensed veterinarian(s).

(5) Completion of a course in veterinary technician education as a member of the United States military and completion of a tour of active duty as a veterinary technician or specialist.

WAC 246-935-090 Examination review procedures. (1) Each individual who takes the examination for licensure as a veterinary technician and does not pass the examination may request review by the board of his or her examination results. This request must be in writing and shall be received by the board within thirty days of notification of the examination results. The request shall state the reason or reasons the applicant feels the results of the examination should be changed. The board shall not consider any challenges to examination scores unless the total revised score could result in the issuance of a license. The board shall consider the following to be adequate reasons for consideration for review and possible modification of examination results:

(a) A showing of a significant procedural error in the examination process;

(b) Evidence of bias, prejudice or discrimination in the examination process;

(c) Other significant errors which result in substantial disadvantage to the applicant.

(2) Any applicant who is not satisfied with the result of the examination review may appeal the board's decision and may request a formal hearing before the board under the Administrative Procedure Act. The hearing shall be requested within twenty days of receipt of the result of the board's review of the examination results.

WAC 246-935-135 How to obtain a temporary practice permit while the national background check is completed. Fingerprint-based national background checks may cause a delay in licensing. Individuals who satisfy all other licensing requirements and qualifications may receive a temporary practice permit while the national background check is completed.

(1) A temporary practice permit may be issued to an applicant who:

(a) Holds an unrestricted, active license to practice as a veterinary technician in another state that has substantially equivalent licensing standards to those in Washington state;

(b) Is not subject to denial of a license or issuance of a conditional or restricted license; and

(c) Does not have a criminal record in Washington state.

(2) A temporary practice permit grants the individual the full scope of practice as a veterinary technician.

(3) A temporary practice permit will not be renewed, reissued, or extended. A temporary practice permit expires when any one of the following occurs:

(a) The license is granted;

(b) A notice of decision on application is mailed to the applicant, unless the notice of decision on the application specifically extends the duration of the temporary practice permit; or

(c) One hundred eighty days after the temporary practice permit is issued.

(4) To receive a temporary practice permit, the applicant must:

(a) Submit the necessary application, fee(s), and documentation for the license.

(b) Meet all requirements and qualifications for the license, except the results from a fingerprint-based national background check, if required.

(c) Provide verification of having an active unrestricted license to practice as a veterinary technician from another state that has substantially equivalent licensing standards as Washington state.

(d) Submit the fingerprint card and a written request for a temporary practice permit when the department notifies the applicant the national background check is required.

CONTINUING EDUCATION REQUIREMENTS

WAC 246-935-270 Purpose. The purpose of these rules is to establish standards of continuing education for licensed veterinary technicians. The rules designate approved training methods, identify continuing education providers and set minimum continuing education credit requirements.

[Statutory Authority: RCW 18.92.030 and 2007 c 235. WSR 08-20-126, § 246-935-270, filed 10/1/08, effective 11/1/08.]

WAC 246-935-280 Basic requirement—Amount. Continuing education consists of programs of learning which contribute directly to the advancement or enhancement of the skills of licensed veterinary technicians. Beginning with license renewals on or after July 23, 2007, licensed veterinary technicians must complete thirty hours of continuing education every three years. No more than ten hours can be earned in practice management courses in any three-year reporting period. Licensed veterinary technicians must comply with chapter 246-12 WAC relating to continuing education requirements.

[Statutory Authority: RCW 18.92.030 and 2007 c 235. WSR 08-20-126, § 246-935-280, filed 10/1/08, effective 11/1/08.]

WAC 246-935-290 Qualified organizations approved by the veterinary board of governors. Courses offered by the following organizations qualify as continuing education courses for veterinary technicians.

- (1) The Washington State Association of Veterinary Technicians.
- (2) National Association of Veterinary Technicians in America.
- (3) All veterinary technician specialty academies recognized by the National Association of Veterinary Technicians in America.
- (4) The American Association of Veterinary State Boards (AAVSB).
- (5) The American Veterinary Medical Association (AVMA).
- (6) The Washington State Veterinary Medical Association.
- (7) Any board approved college or school of veterinary medical technology.
- (8) Any board approved college or school of veterinary medicine.
- (9) Any state or regional veterinary association which is recognized by the licensing authority of its state as a qualified professional association or educational organization.
- (10) The American Animal Hospital Association.
- (11) Veterinary specialty boards recognized by the American Veterinary Medical Association.
- (12) Regional veterinary conferences and allied organizations recognized by AAVSB.
- (13) The Registry of Approved Continuing Education (RACE).
- (14) Other courses as approved by the board.

WAC 246-935-300 Self-study continuing veterinary technician education activities. The board may grant continuing education credit for participation in self-study educational activities. The board may grant a licensee a total of ten credit hours under this section for any three-year reporting period. Self-study educational activities may include:

(1) Credit for reports. The board may grant continuing education credit for reports on professional veterinary literature. Licensees must submit requests for credit to the veterinary board of governors at least sixty days prior to the end of the reporting period. The request must include a copy of the article, including publication source, date and author. The report must be typewritten and include at least ten descriptive statements about the article.

(a) Professional literature approved for these reports are peer reviewed veterinary medical journals.

(b) Each report qualifies for one credit hour. The board may grant a licensee up to five credit hours of continuing veterinary technician education under this subsection if the combined total of ten hours for all types of self-study continuing veterinary medical education is not exceeded.

(2) Credit for preprogrammed educational materials. The board may grant a licensee continuing education credit for viewing and participating in board-approved formal preprogrammed veterinary technician educational materials. The preprogrammed materials must be approved by an organization listed in WAC 246-935-290, and must require successful completion of an examination. Preprogrammed educational materials include, but are not limited to:

(a) Correspondence courses offered through journals or other sources;

(b) Cassettes;

(c) Videotapes;

(d) CD-ROM;

(e) Internet.

**PREPARATION AND ADMINISTRATION OF LEGEND DRUGS, NONLEGEND DRUGS AND
CONTROLLED SUBSTANCES**

WAC 246-935-400 Citation and purpose. As provided in RCW 18.92.013, the purpose of WAC 246-935-400 through 246-935-440, unless the context clearly requires otherwise, is to define and clarify non-discretionary functions used in preparing, and administration of, legend drugs, nonlegend drugs, and controlled substances that may be delegated by a veterinarian to a licensed veterinary technician. The supervising veterinarian shall have legal responsibility for the health, safety, and welfare of the animal patient which the licensed veterinary technician serves. The supervising veterinarian shall delegate animal health care tasks only if the licensed veterinary technician is qualified to perform the task and the task is not precluded by the medical condition of the animal patient.

[Statutory Authority: RCW 18.92.030 and 18.92.013. WSR 10-06-086, § 246-935-400, filed 3/1/10, effective 4/1/10.]

WAC 246-935-410 Definitions. The definitions in this section apply throughout WAC 246-935-400 through 246-935-440 unless the context clearly requires otherwise.

"Administer" means the direct application of a drug whether by injection, inhalation, ingestion, or any other means, to the body of a patient.

"Controlled substance" means a drug, substance, or immediate precursor included in Schedules I through V as set forth in federal or state laws, or federal or pharmacy quality assurance commission rules.

"Deliver" or "delivery" means the actual, constructive, or attempted transfer from one person to another of a legend drug or controlled substance, whether or not there is an agency relationship.

"Legend drugs" means any drugs which are required by state law or regulation of the pharmacy quality assurance commission to be dispensed on prescription only or are restricted to use by practitioners only.

"Preparing" includes the proper selection, measuring, labeling, or packaging necessary to prepare a prescription or order from a licensed veterinarian for delivery.

[Statutory Authority: RCW 18.92.030(2). WSR 14-13-016, § 246-935-410, filed 6/6/14, effective 7/7/14. Statutory Authority: RCW 18.92.030 and 18.92.013. WSR 10-06-086, § 246-935-410, filed 3/1/10, effective 4/1/10.]

WAC 246-935-420 Delegated nondiscretionary functions used in preparing, and the administration of, legend drugs, nonlegend drugs and controlled substances. Nondiscretionary functions, tasks or actions used in preparing, and the administration of, legend drugs, nonlegend drugs and controlled substances, delegated orally or in writing by the supervising veterinarian to the licensed veterinary technician are:

- Accessing the drug;

- Selecting the appropriate quantity;
- Packaging and labeling of the drug;
- Administering the drug to the animal patient; and
- Delivery of the drug to the owner or authorized agent.

WAC 246-935-430 Controlled substance storage and records. (1)

Under WAC 246-933-320, it is the responsibility of a licensed veterinarian to assure that:

(a) All controlled substances are maintained in a locked cabinet or other suitable secure container according to federal and Washington state laws;

(b) Controlled substance records are readily retrievable, according to federal and Washington state laws. Records shall be maintained in sufficient detail to account for the receipt, use, and disposition of all controlled substances.

(2) A licensed veterinary technician shall ensure that proper storage and records of controlled substances are maintained during the performance of delegated functions related to controlled substances.

[Statutory Authority: RCW 18.92.030 and 18.92.013. WSR 10-06-086, § 246-935-430, filed 3/1/10, effective 4/1/10.]

WAC 246-935-440 Maintenance of patient medical records. The li-

censed veterinary technician shall include sufficient information in the patient medical record to document the care and treatment provided by the licensed veterinary technician. The records relating to delegated nondiscretionary functions used in preparing, and the administration of, legend drugs, nonlegend drugs and controlled substances shall, at a minimum, include dosage and route of the drugs prepared, administered, or delivered in response to a prescription or order from a licensed veterinarian.

[Statutory Authority: RCW 18.92.030 and 18.92.013. WSR 10-06-086, § 246-935-440, filed 3/1/10, effective 4/1/10.]
