

WAC 260-40-140 Horse must be eligible to start at time of entry.

(1) All horses must be eligible to start at time of entry, as determined by conditions established by the racing secretary's published condition book or conditions for late extra races offered.

(2) During an appeal process which involves a disqualification, the horse which has been deemed disqualified will retain its original placing for eligibility purposes, until such time as the appeal is exhausted. All other horses which competed in the race, for eligibility standards, will retain their original placings until such time as the appeal is exhausted. If at the time of any subsequent race, any horse involved competes, their eligibility at the time of the race will be official and there will be no changes to the order of finish in those races.
