

WAC 16-402-015 Standards for freedom from infestation by plant pests. Horticultural plants sold, held for sale, shipped or transported into the state must be:

(1) Free of quarantine pests;

(2) Free of pests that would be harmful if allowed to become established within the state or county; and

(3) Practically free of plant pests.

Determination of this standard shall be based on visual inspection by the department.

[Statutory Authority: Chapter 15.13 RCW. WSR 98-17-069, § 16-402-015, filed 8/17/98, effective 9/17/98.]
