WAC 110-305-3275 Accepting a child who does not have current immunizations. (1) The child care program may accept a child who is not current with immunizations on a conditional basis if immunizations are:

(a) Initiated before or on enrollment; and

(b) Completed as soon as medically possible.

(2) The child care program must have on file a document signed and dated by the parent or guardian stating when the child's immunizations will be brought up to date.
