

WAC 132N-156-300 Purpose. The parking and traffic rules and regulations contained herein provide a fair and uniform method of regulating college vehicular, nonvehicular, and pedestrian traffic and are based on the following objectives:

- (1) To protect and control vehicular, nonvehicular, and pedestrian traffic.
- (2) To assure access for emergency equipment at all times.
- (3) To minimize traffic disturbances during class hours.
- (4) To facilitate the work of the college by assuring access for college vehicles and by assigning the limited parking spaces to the most efficient use.
- (5) To protect college facilities.

Permission to park or operate a vehicle on college property is governed by these regulations. The purchase of a permit for designated parking does not ensure the regular availability of a parking space.
