

WAC 137-57-060 Public notice, hearing requirements. (1) After the secretary gives preliminary approval to a site, the department shall either apply for or assist others in applying for any permits which may be required by local zoning laws with respect to the operation of a work/training release facility.

Notice of such a hearing shall be provided in a manner best designed to notify residents within the immediate area and within the budget limitations of the department.

(3) After the required zoning permits, if any, have been obtained, and after the secretary has considered the comments expressed by members of the public during any zoning process or during the public hearing conducted by the department, the secretary may grant or withhold final approval of the proposed site.
