

WAC 182-531A-0400 Applied behavior analysis (ABA)—Client eligibility. To be eligible for applied behavior analysis (ABA) services, a client must:

- (1) Be under twenty-one years of age;
- (2) Be covered under Washington apple health (WAH);
- (3) Provide documentation created by a clinician that:
 - (a) Establishes the presence of functional impairment; delay in communication, behavior, or social interaction; or repetitive or stereotyped behavior;
 - (b) Establishes that the client's impairment, delay, or behaviors adversely affect development or communication, or both, such that:
 - (i) The client cannot adequately participate in home, school, or community activities because the behavior or skill deficit interferes with these activities; or
 - (ii) The child's behavior endangers the child or another, or impedes access to home and community activities available to other children of the same age; and
 - (c) An agency-recognized center of excellence (COE) has confirmed that:
 - (i) The child meets all requirements in (a) and (b) of this subsection;
 - (ii) The child has a qualifying diagnosis;
 - (iii) There is a reasonable calculation the requested services will result in measurable improvement in either the client's behavior, skills, or both; and
 - (iv) Either:
 - (A) Less intrusive or less intensive behavioral interventions have been tried and have not been successful; or
 - (B) No equally effective and substantially less costly alternative is available for reducing interfering behaviors, increasing pro-social skills and behaviors, or maintaining desired behaviors.
