

WAC 192-510-031 What are reportable wages for self-employed persons electing coverage? Each quarter, a self-employed individual who has elected coverage under Title 50A RCW will report to the department wages equal to the combined total of:

(1) The self-employed individual's net income related to their self-employment; and

(2) The gross amount of wages, if any, as defined in RCW 50A.05.010(24), paid to the self-employed individual from the self-employed individual's business entity.

Example 2: A member of a limited liability company pays herself a salary in the amount of \$10,000 in a quarter. She also takes a draw from her company in the amount of \$5,000. She would report \$15,000 to the department for that quarter.
