

WAC 196-20-010 How do I become eligible and register to take the fundamentals-of-engineering exam? (1) In order to be eligible to take the fundamentals-of-engineering exam, you must complete four years of education and/or experience as delineated in WAC 196-20-020.

(2) If you have completed a baccalaureate degree program which is accredited by the engineering accreditation commission (EAC) of the accreditation board for engineering and technology (ABET) or have achieved senior standing within that program, you may use the expedited process for FE exam registration as approved by the board.

(3) Applicants that do not meet the EAC educational credit described above must submit the full application to the board describing the education and/or experience that would meet the requirements in WAC 196-20-020 and then obtain written approval from the board prior to registering for the FE exam.
