

WAC 246-330-199 Fees—License, change of ownership, refund process. This section establishes the initial and renewal license fees, change of ownership fee, late fee, and request for refund of an initial license fee for an ambulatory surgical facility (ASF).

(1) Initial and renewal license fees. An initial license or a renewal license and fee are valid for three years from date of issuance. An applicant for an initial or renewal license must submit one of the following fees to the department:

(a) Accredited means an ASF is accredited by one of the organizations identified in WAC 246-330-025 (1)(b).

(b) Receive from the department a new license valid for the remainder of the current license period.

(4) An applicant may request a refund for initial licensure as follows:

(a) Two-thirds of the initial fee paid after the department has received an application but has not conducted an on-site survey or provided technical assistance and has not issued a license; or

(b) One-third of the initial fee paid after the department has received an application and has conducted either an on-site survey or provided technical assistance but not issued a license.
