

WAC 246-341-0360 Agency licensure and certification—Facility remodel. When a licensed behavioral health agency changes the accessibility of the facility by remodeling, the department requires the agency to:

(1) Notify the department in writing of the facility remodel at least thirty days before the day the remodeling begins; and

(2) Submit a floor plan documenting accessibility and maintenance of confidentiality during and after the remodel.

[Statutory Authority: 2018 c 201 and 2018 c 291. WSR 19-09-062, § 246-341-0360, filed 4/16/19, effective 5/17/19.]
