

WAC 388-891A-0600 What happens if DVR cannot serve every eligible person? When it is not possible to serve all eligible persons because there are not enough funds or other resources, DVR must:

- (1) Continue services without disruption for eligible individuals who have developed and signed an individualized plan for employment;
- (2) Establish a statewide waiting list for services;
- (3) Implement a process called order of selection that:
 - (a) Establishes the order in which DVR selects eligible individuals from the waiting list to begin receiving VR services; and
 - (b) Ensures that individuals with the most significant disabilities are served as a priority over other groups of eligible individuals; and
- (4) Provide you with information and guidance (which may include counseling and referral for job placement) about other federal or state programs that offer services to help you meet your employment needs, if available.
