

WAC 16-302-095 Identification of seed containers with field or lot numbers. (1) The field number must be on all seed containers or bulk seed delivery documents to ensure identity when delivered to the seed conditioner.

(2) All seed for certification must be packaged in clean, new containers of uniform weight and identified with a lot number when tagged and sealed. The lot number must identify the producer and year of production for each lot of seed. This requirement may be satisfied by use of a conditioner's code.
