

WAC 132E-16-290 Traffic accident—Reporting. The operator of any vehicle involved in a traffic accident on the EvCC campus which results in vehicle damage, property damage, and/or injury or death to another person, shall make a written report to the EvCC director of campus safety within twenty-four hours following the accident. The written report of the accident shall include complete details of the vehicle operator, the complete description of vehicles and persons involved, including vehicle passengers, and any witnesses present at the time of the accident. The report shall also include a detailed narrative describing the accident. Reporting a traffic accident to the EvCC director of campus safety does not relieve any person involved in a traffic accident on the EvCC campus from the responsibility to file a state of Washington motor vehicle accident report form.
