

WAC 173-423-130 Surveillance. (1) Ecology may inspect new and used motor vehicles and related records for the purposes of determining compliance with the requirements of this chapter. Ecology inspections must occur during regular business hours and on any premises owned, operated or used by any dealer or rental car agency.

(2) For the purposes of determining compliance with this chapter, ecology may require a vehicle dealer or rental car agency to submit documentation ecology deems necessary to the effective administration and enforcement of this chapter. This provision does not require creation of new records.
