

WAC 194-28-050 Compliance threshold. In order to maximize administrative efficiency while still addressing the preponderance of agency fuel consumption, compliance will be assessed for each agency that reported use of more than 50,000 gallons of gasoline and diesel, combined, during the 2011 calendar year for vehicles, vessels, and construction equipment. Progress towards compliance by agencies below this threshold will be assessed in aggregate. Agencies meeting the threshold for individual compliance assessment are:

- Washington state department of agriculture.
- Washington state department of corrections.
- Washington state department of ecology.
- Washington state department of enterprise services.
- Washington state department of fish and wildlife.
- Washington state department of labor and industries.
- Washington state department of natural resources.
- Washington state department of social and health services.
- Washington state department of transportation.
- Washington state liquor control board.
- Washington state parks and recreation commission.
- Washington state patrol.
- Eastern Washington University.
- University of Washington.
- Washington State University.
- Western Washington University.
