

WAC 246-71-090 Database access by the department of revenue.

The Washington department of revenue may access information in the database to verify tax exemptions under chapters 82.08 and 82.12 RCW. The process and format for request and receiving the information shall be established by the department and the database vendor in coordination with the Washington department of revenue.

[Statutory Authority: RCW 69.51A.230. WSR 16-11-086, § 246-71-090, filed 5/17/16, effective 6/17/16.]
