

WAC 246-292-055 Minimum requirements for contract operators.

(1) A contract operator must:

(a) Be certified, at a minimum, as a CCS and a WDM 1;

(b) Be certified at a level determined by the highest classification of the water treatment plant or distribution system operated as required in WAC 246-292-050 in Tables 3 and 4;

(c) For each public water system under contract with the operator:

(i) Be available on-site or able to be contacted immediately by telephone or other electronic communication twenty-four hours per day, every day; and

(ii) Be able to initiate appropriate action within two hours of contact, as required for certified operators in responsible charge under WAC 246-292-032(2), for every public water system that the contract operator is under contract;

(d) Submit one copy of each public water system operations contract to the department within thirty days of the effective date of the contract. An operations contract must include the following:

(i) Contract operator name and certification number;

(ii) List of the duties that must be performed;

(iii) Duration of the contract term;

(iv) Signature of the public water system representative;

(v) Signature of the contract operator; and

(vi) Effective date of the contract.

(e) Notify the department within thirty days when starting operation of a public water system, or ending operation of a public water system.

(2) A contract operator who is an approved SMA shall comply with chapter 246-295 WAC.
