

WAC 246-935-285 Approval of courses. The board will not authorize or approve specific continuing education courses or materials. All continuing education courses must be provided by organizations, institutions, or individuals in WAC 246-935-290 and contribute to the professional knowledge and development of the practitioner, enhance services provided to patients, and contribute to the practitioner's ability to deliver current standards of care. The board will accept continuing education that reasonably falls within these criteria, and relies upon the integrity of each individual practitioner, as well as that of program sponsors, in complying with this requirement. Courses cannot be exclusively for product promotion. The board reserves the right to not accept credits from any area for any practitioner if, upon auditing, the board determines that a course or material did not provide appropriate information or training.
